

## **OPENING INVOCATION**

**Before reading the words of  
a Master we say together as  
suggested by Beloved Lord  
Kuthumi:**

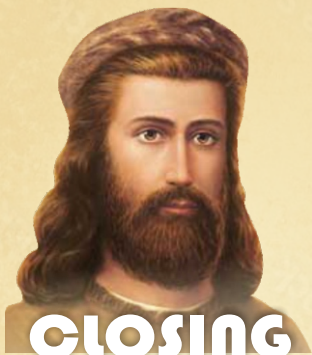

**Beloved Presence of God "I  
Am" It is Thy Life and  
intelligence that enables  
me to read and  
comprehend and absorb  
that which is required of me**

**FOR LIFE I AM SO  
GRATEFUL!**

**Beloved Master KUTHUMI I  
ask for YOUR Feeling and  
YOUR Capacity to use this  
instruction for God's Glory  
and mankind's comfort!  
WE THANK YOU!**

**And now ... 'Great I AM  
presence,' take me within  
Thyself; there instruct me  
and cause me to retain the  
Full memory of these Inner  
Instructions.'**

**Thank You. (from Beloved  
Saint Germain)**

# **CLOSING INVOCATION**

**Before ending the session  
we all say.  
Beloved "I AM" Presence  
and Beloved Master  
Kuthumi:**

**Nourish the seeds  
planted in my  
Consciousness so that  
the ideas entrusted to  
me become manifest  
flowers of perfect  
expression in my world  
and the world of All my  
fellowmen!**

**Beloved presence of God  
"I AM", pour the Light of  
Thy Great Glory upon my  
Consciousness and  
nourish the seeds  
planted by the Masters.  
We Thank You!**
