The Spiritual Name of Saint Germain in the Higher Realms is 'FREEDOM' as He is the Great God of Freedom to our Earth. Bless His Holy Name forever!

ESSENTIAL MORNING AND EVENING APPLICATIONS "TAKE TIME TO BE HOLY"

SUGGESTED MORNING MEDITATION AND DECREES

Create a 'Sacred Space' in your home, where you will be undisturbed and in the Morning, and before starting the day 'Take Time to be Holy'.

MEDITATION – CONTEMPLATION

(15 minutes morning and evening – or longer if you prefer)

Either be silent or play the keynote of an Ascended Master or some other uplifting music, and become still. Send feelings of deep Love and Gratitude to your "I AM" Presence and to The Divine Beings. Visualize your body becoming a Blazing body of White Light - with a Golden Sun in the Heart Centre, as brilliant as the noonday sun. As we see this Light radiating from us, consciously fill that Light with LOVE and GRATITUDE so that fills all life with more Light. Read suggested meditation by Saint Germain in UNVEILED MYSTERIES By Godfre Ray King.

If prompted, call to one or more of the Ascended Hosts, use His/Her picture if you have one. Contemplate the Consciousness, Nature and Feelings of the Ascended Master. Thank Him/Her for Their assistance now and during the day. Send deep Love and Gratitude to the Angelic and Elemental kingdoms, including your Ministering Angel and Body Elemental. On the return current, accept and feel the energies radiated to you.

To do THE RHYTHMIC BREATH DAILY IS OF VERY GREAT BENEFIT. For more information go to the website:

CODE OF CONDUCT FOR A DISCIPLE OF THE HOLY SPIRIT

Be conscious ever that you aspire to the full expression of God, and devote all your being and your service to that end, as expressed so ably in your First Commandment*

Learn the lesson of harmlessness - neither by word nor thought nor feeling inflict evil upon any part of life. Know that action and physical violence is but the lesser part of the sin of harmful expression.

Stir not a brother's sea of emotion, thoughtlessly or deliberately, for knowing that the storm in which you place his spirit will sooner or later flow upon the banks of your own lifestream. Rather bring tranquility to life, and be as the psalmist so ably puts it, "oil on the troubled waters."

Disassociate yourself from the personal delusion. Let self-justification never reveal that you do love the self more than the harmony of the universe. If you are right, there is no need to acclaim it, if you are wrong, pray for forgiveness. Watching the self, you will find the rising tides of indignation among the more subtle shadows on the path of right, called "self-righteousness."

Walk gently through the universe, knowing that the body is a temple in which dwells the Holy Spirit, that brings peace and illumination to life everywhere. Keep your temple always in a respectful and cleanly manner, as befitting the habitation of the Spirit of Truth. Respect and honor, in gentle dignity, all other temples, knowing that oft times within a crude exterior burns a great light.

In the presence of nature, absorb the beauties and gifts of her kingdom in gentle gratitude. Do not desecrate her by vile thoughts or emotions, or by physical acts that despoil her virgin beauty.

Do not form nor offer opinions unless invited to do so, and then only after prayer and silent invocation for guidance.

Speak when God chooses to say something through you. At other times remain peacefully silent.

Make the ritual of your living, the observance of God's rules, so unobtrusive that no man shall know that you aspire to goodness, lest the force of his outer will might be pitted against you, or lest your service become impinged with pride.

Let your heart be a song of Gratitude that the Most High has given unto your keeping the Spirit of Life, which through you chooses to widen the borders of his kingdom.

Be alert always to use your faculties and the gifts loaned unto you by the Father of all life in a manner to extend his kingdom.

Claim nothing for yourself, neither powers nor principality, any more than you claim the air you breathe or the sun, using them freely, but knowing the God-ownership of all.

In speech and action be gentle, but with the dignity that always accompanies the Presence of the Living God that is within the temple.

Constantly place all the faculties of your being, and all the inner unfoldment of your nature, at the feet of the God-power, endeavoring to manifest perfection through one in distress.

Let your watchwords be GENTLENESS, HUMILITY, AND LOVING SERVICE, but do not allow the impression of humility to be mistaken for lethargy, for the servant of the Lord, like the sun in the heavens, is eternally vigilant and constantly outpouring the gifts of his particular keeping.

Maha Chohan

* *First Commandment **Jesus** in **Matthew 22:35–40**, **Mark 12:28–34** and **Luke 10:27***

You shall love the LORD your God with all your heart, with all your soul, with all your mind, and with all your strength. This is the first commandment. And the second, like it, is this: You shall love your neighbor as yourself.

VEDANTIC PRAYER*

Oh! Thou Infinite Holy Presence of God, the Divine Source of all life!
Hallowed be Thy Sacred Name!

We bow before thee in humble gratitude, praise and thanksgiving for Thy
supreme Presence in this universe.

Because Thou art, "I AM"!

We return unto Thee, Almighty One, all the power and dominion we have
ever vested in any imperfect manifestation, visible or invisible, for Thou
art the all power of the universe and there is no other power that can act.

Let Thy will be done in and thru us now! Let Thy Kingdom be manifest
across the face of this Earth through the hearts of all who are so blessed
as to live upon it.

Oh, Supreme Beloved One, as we lift our hearts, our vision, our
consciousness toward Thee, release the substance of Thyself to us, each
according to our requirements, that as we move forward in Thy Name and
upon Thy service we shall not be found wanting.

We ask forgiveness for all the transgressions of Thy Law of Love and
Harmony both for ourselves and all mankind, the forces of the elemental
kingdom, and the kingdom of nature.

Endow us now with Thy Power and Desire to so forgive all who have ever
caused us distress, back unto the very beginning of time.

Because Thou art with us and in us, we fear no evil, for there is no power
apart from Thee which can hurt, destroy or despoil life's beauty of
expression.

Thou art the strength and the power by which we move ever in the path
of righteousness.

Now, Oh, Father of Light, show us the full glory we had with Thee in the
beginning before the world was!

SO BE IT! **This prayer is the origin of the Lord's Prayer*

I see its blazing heart of light, Its beauteous garments dazzling bright.
 I ask its help and do implore, I hear it say: "Adore, adore!"

I watch its light become a sun, Whose rays pour out to everyone.
 I now behold these seem to blend, I hear it say: "Ascend, ascend!"

I must obey its mighty call! Surrendering now myself—my all! I do attain my

THE WILL OF GOD *(Melody: Blest Be the Tie That Binds—Hymn)*

The will of God is GOOD!
 Dear Morya embodies it all;
 His kindness—his love which he gives in abundance,
 We return to him straight from our hearts!

Oh Morya, dear Morya we vow!
 To serve thee with all our hearts
 We acknowledge thy wisdom, God's will, which Thou art;
 From Thee never let us depart!

Dear Morya, right through the years,
 Thou has kindled the flame in our hearts;
 And stirred us to want to Do God's will—not our will;
 Oh, Morya dear, bless thy sweet heart!

NEARER "I AM" TO THEE (*Hymn Tune: "Nearer, my God to thee"*)

Nearer I AM to thee, thy light I see,
 Draw me by love divine, thy self to be.
 Possess my mind and soul, make thou my bodies whole,
 Help me attain my goal, "I AM" in thee!

Holy Christ Self of me, reveal thy power,
 Hold God-control of me every passing hour.
 Thou art my friend divine, holding my God-design.
 By love my world refine, blaze thy light through me!

Though I have wayward been, wandering afar,
 Now I return to thee, bringing freedom's star.
 Watch o'er me day and night, help me make all things right
 By glorious Victory's might, ascend me to thee!

I claim thy Presence now, love's victory won!
 Thy crown upon my brow, my long journey done!
 Now free from every stain, by use of freedom's flame,
 Grateful to Saint Germain, I ascend to thee.

Upward from Earth I soar, into thine arms,
 Now free forevermore, from all fear's alarms.
 "Welcome" I hear thee say—"Thou has been long away!
 Now be perfection's ray, for eternity!"

In heaven's beauty rare, now I abide,
 Sure that no earnest prayer ever is denied.
 So, knowing freedom's worth, grateful for love's rebirth,
 I call "Now raise all Earth, 'I AM' to thee."

BLEST VIOLET FIRE

Violet Fire of Freedom's love,
 Oh, blaze and blaze and blaze!
 Blest Sacred Fire from God above,
 All raise, all raise, all raise!
 Descend, Defend, transmute and dissolve!
 Now Free the Earth by fiery Love!
 Blest Violet Fire in Freedom's Ways,
 Oh, blaze and blaze and blaze!

SONG OF HAPPINESS : LORD LING

Lord Ling Belov'd, to You our love,
We welcome You today.
Your smiling Presence does remove
All shadows from our way.

Chorus:

Lord Ling! God of Happiness,
For Happiness You bring,
Make all on earth feel Your Presence
Make every heart sing!

Friend, Master, Teacher of Fun Wey,
Teach us Your mastery too,
Teach us to let God loved hold sway
Make joyous all we do.

Let Your buoyant love now release
Fill us with sunshine bright:
Help us walk the Path home in ease,
In joy, make all things right.

Let Your feeling of victory won,
Lift strain and stress from all.
Every gift of love from the Sun
For You, dear Friend, we call.

*(Melody: Auld lang syne. Lyrics: Law of Life Songbook, no. 261, words:
Ascended Master Hilarion)*

KUTHUMI DEAR

Kuthumi, dear, Your Light is all pervading,
 Gentle and healing, flows Your love to all.
 Your Golden Robe, eternal Peace revealing,
 Enfolds Your children ever at their call,
 Enfolds Your children ever at their call (x2)
 Vale of Kashmir, let oceans of God's Substance
 Bring all God's Peace – Eternal release.

Teacher of Masters, mankind and the Angels,
 All Buddha's love flows forth at Your
 command. Mighty that Love that brings
 illumination, Now earth's glorious Freedom is
 at hand, Now earth's glorious Freedom is at
 hand (x2)
 Immortal Flame! Eternal Truth revealing,
 Blaze thro' us now! Blaze through us now!

Great cosmic christ, dear Jesus and Kuthumi,
 Stand now revealed thr' all the sons of man.
 Shadows consumed, each soul shines forth immortal,
 Bringing perfection to the earth again.
 Bringing perfection to the earth again (x2)
 Holy Christ-Selves, all mankind now possessing
 Rule all for Aye! Rule all for aye!

SILENCE

Silence great! Silence sweet!
 Silence deep within!
 Come I now, Here I bow,
 To thy love sublime!
 Quiet, still, Holy will,
 Here all is divine!
 Deep within, We are one.
 Silence, Great "I AM!"
 (repeat)

BELOVED SANAT KUMARA

Sanat Kumara, gracious Lord and King,
Before thy throne our homage now we bring,
offerings and gifts of humble service true.
Reverence and gratitude to God for you.

Humbly we bow before Thy glorious throne,
Clothe us in love and make us all Thine own.
Give us Thy courage, strength and patience rare,
Flood through us Venus' love for all to share.

Flood us with light, sustain us by Thy power,
Give us Thy wisdom, guide us every hour,
Seal us in peace in love's own God-control.
Let Thy great wings of love our worlds enfold.

Thou art God's glory, majesty and grace,
Thy patient care has held for Earth her place.
All through the ages that have gone before
Thy love has been for Earth the open door.

Lift thou our Earth from strain and stress today,
Free all her life so earnestly we pray,
Forces of nature, elementals too,
Sanat Kumara, dear, all call to you.

Glory and honor unto thee belong,
Let all Praise You now in grateful loving song,
Let all that lives upon this planet raise
Heart, soul and spirit to Thy Name in praise.

Great Central Sun, thy gifts of love we call
For our dear friend of light and Lord of all.
Bless his dear Venus, Goddess from the Sun,
Bless their dear planet and all life thereon.

(Tune: "Abide with Me")

TO THE SEVEN ARCHANGELS (*Melody : Holy, Holy, Holy*)

Michael! Michael! Michael! Prince of the Archangels,
 From the grateful hearts of all
 Do songs of praise arise.
 For Thy heav'nly Presence,
 All on Earth adore thee—
 God from the Sun—In all the name implies.

Michael! Michael! Michael! May the guardian angels
 From thy heav'nly legions,
 Stand forth for all to see!
 Purify, illumine! Manifest the glory
 of Light's perfection,
 That each one may be.

Jophiel and Chamuel! Gabriel and Raphael!
 Uriel and Zadkiel!
 And Mighty Hosts of Light.
 Cherubim and Seraphim
 From the realms of glory,
 Rend now the veil
 That dims our human sight.

Blessed seven Archangels, For illumination,
 We invoke thy Presence
 In hymns of praise to thee.
 Keep us consecrated
 To God's plan fulfilling; In purity,
 Thy ministers to be!

SONG TO THE BELOVED GREAT DIVINE DIRECTOR

I see a being of splendour, Filled with power of Light and Love -
 It is the Divine Director Blazing Light Rays from above
 So long ago You did attain. We flood now all our love to You,
 Great Teacher of our Saint Germain, Kuthumi and Jesus too.

Belov'd Great Divine Director, In Your Cave of Light we do stand;
 Through us those glorious Light Rays pour From Your Head, Heart and Hand.
 Belov'd Great Divine Director, In Your Radiance we would live,
 Dissolving all that is impure, And by Your Great Love – Forgive!

Awaiting mankind's full release, You gave service for so long,
 The power through us do increase. We now give our praise in song.
 Divine Director from the Sun, In Love's eternal Harmony
 Illumine, teach all life is one, Set mankind forever FREE!

GREAT DIVINE DIRECTOR AND HIS CAVE OF LIGHT

Great Divine Director, before You we stand,
Blaze through us Your Light Rays from head, heart and hand,
As you did for children in Chananda's Home
And for all those who are privileged to come, (Repeat)

The action of Cave of Light, through the white Fire
Transmutes human creation and all wrong desire
The Christ Self You represent, help set us free
That we may become perfect as we should be

Cave of Light, a furnace of eternal Flame;
To enter one speaks the Word "I AM", God's Name
All who dare to enter the solid gold door
Leave Behind earth garments, are free for-evermore

Great Divine Director, Your transcendent pow'r
Do release for mankind in this Cosmic hour,
Bringing blest Saint Germain's Freedom to the earth,
Freeing all from the wheel of birth and rebirth.

You Who are the Manu of the Seventh root race,
Have so long been waiting for earth as a place,
Free of human shadows again pure and clear,
So that those new lifestreams could embody here.

Great Divine Director, You Who have become
A Majestic Being, thro' Your going "Home",
Instead of like mankind, who went far astray,
You resolved to hold fast, to the Light, the Way. (Repeat)

You now are for mankind, an Authority,
Into earth's conditions, here bring Harmony.
On the First Ray You serve, on the Karmic board
For all Your Great Service, Thank You Cosmic Lord (Repeat)

Great Divine Director, of Divinity,
Guide and Guard our nation's Divine destiny
Walls of Light Protection, round her boundaries place.
For students sincere, set aside time and space (Repeat)

We do on the Law of Forgiveness now call
For mistakes and human consciousness for all
Transmute thro' the action of Your Rays of Light,
Help us bring about, inner hearing and true sight (Repeat)

JESUS – MASTER DIVINE

Let Thy Light through me now shine – and make all my world like Thine
Take my hand and hold it fast; Transmute human of the past

Help me hold my God control – Purify, perfect my soul.
Ever be a guide for me, Now my Freedom do Decree,
And help me attain my goal, so that I may become whole.

Jesus I love Thy Blest name! All Thy Power and Thy fame,
Transmute by the Violet Flame, Shadows in the "I AM" Name

Help let flow the "I AM" Might, Until all things become bright.
Ever help me do God's Will, and my Plan Divine fulfill.

Jesus, Victor all supreme! Jesus – Thy perfect lifestream
Has been an example clear, To all men evolving here,
Help me the Christ in all see – Thy example, too, now be
Help me become Thy success, And God-Mastery express
So in all I do each day, It will show others the Way.

Alpha and Omega too, Helios and Vesta true,
Flood Thy Blessings to Jesus, Mary and Joseph too, for us,
Joseph now our Saint Germain, Who has brought the Violet Flame,
Purifying It's Might, Turning darkness into Light,
Earth and all thereon now Raise, to The we ever sing our Praise "I AM"

(music Mendelssohn - Hark the Herald Angels sing)

CLASSES and SERVICES

ORDER OF SERVICE FOR GROUP DECREES

Under Divine Law there may not be a charge made for these instructions.

Therefore, it is well to have a box with a slot in the top near or by the door. The box can be marked, "Donations" or "Love Gifts." Thus, the students have an opportunity to give a balance for the instructions received and to share the expenses of the group leader in preparing the meeting.

If candles are used, they should be lit from left to right of the director (as he faces the candles) and extinguished in the opposite direction.

Note: For additional information on the subject of "Group Activity", see the website: www.iamfree.co.za

OPTION 2

"Beloved mighty, victorious Presence of God 'I AM', the source that is anchored within each of our hearts, we love and adore you. We acknowledge you to be the owner and giver of all life, our intelligence, our substance, our all! Beloved Jesus, beloved Mother Mary and Archangel Michael, seal us in your light and love."

PERSONAL TALK FOR THE DEPARTED ONE

(if family desires it)

We gather here today to pay respect to the life of <name>

Personal Remarks.

THERE IS NO DEATH

Beloved ones, there is no death. What appears to us as death, is really just a change of garments, just a withdrawing of the soul, the spirit, the withdrawing of the life-energy of the individualized God-Self, that part of man "made in the image and likeness of God." The real self is but released of this earthly habitat, and free to enter the higher realm of beauty, harmony and peace.

Beloved Jesus referred to this immortality of life when he said:

I AM the resurrection and the life.

I AM the open door that no man can shut.

You shall know the truth and the truth shall make you free!

I AM the way, the truth and the life.

Lo, I AM with you always!

(Add to the above) Think of this passing as a change into higher garments of Light, bringing the individual greater freedom than was ever had in this earthly life. Therefore, let us not dwell on the feeling of personal loss but let us substitute for it, the feeling of gladness for the new opportunities which will be afforded this lifestream.

Beloved Jesus, beloved Mother Mary, Beloved Ascended Master Saint Germain and beloved Archangel Michael, we are grateful for all the service and all the good that our loved one contributed in this embodiment.

We call on the Law of Forgiveness for any energy that was discordantly qualified. We call on beloved Saint Germain and the Violet Flame to transmute any karmic energy generated throughout the entire stream of (her/his) embodiments.

Beloved God "I AM" take <name> into your arms to make the ascension or take (her/him) to the Temples of Learning for further instruction.

We enfold <name> in our love and the blessings of the Ascended Host. Let the perpetual light of (her/his) own Christ Self illumine (her/his) pathway! Let (her/his) spirit rise on wings of love into the octaves of light and, if possible, allow (her/him) to complete the circle of life in the octaves of light—free, forever, from the wheel of birth and death! If the Law of (her/his) lifestream demands re-embodiment, may (she/he) reincarnate with a family of great Light. May (she/he) fulfill (her/his) divine plan quickly and may the cause of the Cosmic Christ be furthered by reason of (her/his) presence on this Earth.

OPTION 3

"Beloved Mighty Victorious I AM Presence, you are the authority over this lifestream. We now make the call for you to take full command of the outer self.

We call on the Law of Forgiveness and for the Transmuting Violet Flame to transmute all that is not of the Light in, through and around (her/him).

May beloved Archangel Michael, Ascended Masters Jesus, Saint Germain and Hilarion give their assistance for an easy passing from this realm.

May the Angels of Deliverance then escort (her/him) to the Temple of Truth and to the Temples of Learning and see that, with additional service at inner levels, (she/he) may gain the ascension, relieving our beloved friend from the necessity of future embodiment.

If this is not possible, prepare (her/him) to return to Earth quickly and give (her/him) the opportunity to learn the lessons necessary to gain the ascension in the next embodiment.

May the Lord Maha Chohan enfold those dear to the departed in his Comfort Flame.

End Of Service

CREMATION

After so-called death, the body, before cremation, should be placed on ice for three days or placed under refrigeration and not be touched.

No embalming or autopsy should be permitted. Sometimes, however, an autopsy is required by law.

It is preferable that the ashes be returned to the water element (placed in the ocean or in a river of running water).

At cosmic levels, during the etherealizing process, minor music is used.

Therefore, during cremation, play some good classical music written in a minor key, by composers such as Chopin, Mozart, Bach and Wagner. This can be done in one's home or in a sanctuary.

Students should consider preparing a written statement which includes their wishes.

It is best to have these requests notarized.

REMARKS ABOUT THE ASCENSION PROCESS

(See Voice of the "I AM", Saint Germain, Nov. 8, 1938)

Through the intercession of the Goddess of Light, the Goddess of Liberty and Mighty Victory an important dispensation was obtained, which changes the way individuals make the Ascension.

Heretofore, in order to gain the Ascension, the purified essence of the physical body had to be drawn into the Christ Self. This is the way beloved Jesus and beloved David Lloyd made the Ascension. The physical body was no longer seen by those who witnessed the Ascension.

As part of the dispensation of 1938, this is no longer necessary. Now the purified essence of the physical body is drawn into the etheric body. This makes it much easier to gain the Ascension (the required step-up in vibration is of a lesser magnitude). The physical body is left behind, later to be cremated.

Beloved Saint Germain called this grant one of the most magnificent gifts ever given to mankind.

In another dictation, the Masters said that 51% of the karma needs to be transmuted by the individual's own effort to gain the Ascension.
