

THE INNER CAUSE AND INNER HEALING OF DISEASE

By Beloved Serapis Bey

My beloved friends, *the healing of the New Day comes under an entirely different aspect of the Law* than all preceding service along this line, because we enter a new cycle, wherein *permanent illumination* will out picture as divine perfection and the activity of the Healing Flame will be directed toward the *dissolving of the INNER CAUSES within the life stream*, which result from certain definite maladjustments in both mind and body.

Science is beginning to realize that a great many physical and mental disorders are due to unseen emotional causes, which rest within the consciousness of those concerned, sometimes buried beneath the reach and memory of the individual's personal identity.

The increase of illumination flowing from the Fifth Ray will open to the earnest and honest members of the Healing Profession a new understanding, which will require the blending of religion and science, one of the integral steps toward freedom, which has been promised to mankind.

To illustrate briefly: Every organ and cell within the physical mechanism has a vibratory action of its own, separate and distinct from the vibratory action of its neighbor's. Within the inner bodies, there are certain centers that *vibrate in unison* with these physical organisms. Certain mental and emotional distortions within the inner bodies affect the physical mechanism in a discordant manner, so that the inner vehicles must be harmonized and purified in order to have a permanent relief and release from maladjustment of the outer self. When these inner causes are removed from the consciousness, *by, illumination of the outer mind*, the purification of the inner bodies and the co-operation of the personal self, you will find the distressing effect in the physical organism dissolved and dropping away.

This is why the spiritual healing of today is more proactive than in the earlier days, but it provides a vast field for experimentation by the lifestream interested in "raising the cover" on this tremendous science, with the desire to join one's forces with the Cosmic Movement of the Age and, by application, to manifest the proof of the Law presented. An intelligent understanding of the mechanics of the physical form, in relation to the other three lower bodies, will enable you to become more valuable to the Hierarchy and to

mankind in the treating and dissolving of the cause behind the appearances of imperfection.

The nervous system of the body was provided to carry pure light from the I AM Presence, to sustain the various organisms and to motivate them according to the direction of the higher mind (Holy Christ Self). Medical science will attest to the fact that the brain center directs impulses of energy through the nervous system, which precede all activity, conscious and unconscious. When the impulses from the brain are blocked by contracted nerve channels or injured nerves, the body ceases to function perfectly in the particular area where such blockage occurs. WHY? *Because the light* (which is life), *is the only animating and motivating power in the universe* and, if the channel through which it passes does not *remain open* (for one reason or another), the light in that portion of the body, organ, limb or cell, steadily decreases, having no feeding station from which to draw.

The nervous system is affected by all discordant vibrations set up in the mental, emotional and etheric bodies. It is like a hose that has lost its resiliency, or become stuck together, so that the passage of fluid through it is no longer possible and it becomes unfit for use. Fear, depression, uncertainty, as well as anger and other violent emotions, continually corrode the lines of very sensitive fibers, which comprise the nervous system. This causes old age, disintegration and so-called "death". The blockage of the flow of light through the nervous system is the only reason that the various parts of the body cease to receive the renewing power contained within this natural life-flow and, gradually, disintegration takes place. In the ordinary course of nature, if the nervous system were not impaired, even the small percentage of light allotted to the use of the outer self of mankind today (*only 5 to 10% of that which could be his were he to remain wholly harmonious at all times*), would completely renew every nerve, every cell, every tissue, every bone and muscle within six months to one year! The light that flows through the nervous system carries the renewing power and, when the channels through which that light flows are disintegrated, the renewing and rejuvenation processes cease.

In his progress to perfection, although mankind would have had to change his physical garments from time to time in order to vary his life experience on the Earth-plane, he could wear those garments

(bodies) in youth and beauty and discard them while they were yet functioning perfectly, by merely consciously withdrawing all the life and light from the nervous system and the cells and atoms which were still intact. Then the remaining structure, (placed in the flame), would be returned to its natural elements.

All poor eyesight, impaired hearing and retarded mental faculties, as well as all "wasting" diseases to which mankind are prone (*and, for that matter, every imperfect expression of dis-ease*), is lack of light, resulting from blockage or "broken lines," which previously carried light into that particular section of the anatomy that seems to be disturbed.

You would do well to secure a chart of the physical body and study the nervous system. You will find that the nerves extend all the way to the tips of the fingers and toes and to all strategic and vital organs and that fine hairlines of feeders (which may not be illustrated on the chart) extend from the main channels.

If there is an appearance of distress or disease in any particular section of the vehicle, *you can thus intelligently trace the particular part of the nervous system that has been impaired. This can be replaced and rebuilt by the visualization of the light flowing through that section*, repairing the damage done. Then the lifestream must be carefully examined for the *cause within* which has shattered the nervous system in that section. *A sincere call to your own God Presence will reveal (in the privacy of your own heart) the conditions of the mental, emotional and etheric bodies which are responsible for the damage.*

In the name and authority of your own beloved I AM Presence, **COMMAND** that discord to **CEASE!** That discord is merely impulses of vibration which are like the clashing of cymbals in a destructive manner. Command such discord to cease in your bodies and in those of **ALL** mankind. In this way, *you could rebuild* any faulty organ into perfect health in a matter of hours, days, weeks or months, according to your specific capabilities and concentration. Blessings and love to you all.

* * *
