## FORWARD TO BOOK ONE

The Ascended Master Consciousness is One with the All-knowing Mind of God as a collective whole and with component parts of the Great Divine Mind as expressed through the individualization of God who have attained PERFECTION.

The Ascended Master's Consciousness does not connect with nor embrace, the imperfect human consciousness of unawakened individuals, and herein is Their WISDOM and herein is Their Divine SANCTUARY.

Your consciousness is your world and that which you are conscious of becomes a living part of your experience. To achieve and become the Ascended Master Consciousness, one must take the beam of his attention, fasten it upon the Ascended Master qualities of understanding and draw back the living breathing breath of the Master into his world.

~~ BELOVED MASTER JESUS ~~

## CONSTANCY

### **AEOLUS:**

All accomplishment of lasting benefit to the Universe is based on the constancy of some self-conscious intelligence in sustaining the idea, form, mould or matrix, until the Universal Light Substance fills it with the proper proportion of itself, according to its size, durability and potential Service to Life. For every fully manifested Precipitation due to the constancy of its creator, there are millions of uncompleted forms which dissolve again into the ethers for lack of rhythmic attention through the feelings and the thoughts. In the Nature Kingdom, constancy is developed in the Spirits who are to sustain the form of Plant, flower, shrub, tree, mountain, lake or sea, before they are given opportunity to draw these Gifts into the world of form. In the Angelic Kingdom, constancy is developed before any Angel is allowed to participate in the carrying of the Virtues of the God-head into the atmosphere of Earth. Mankind comes now to a point in their Spiritual development, where they must begin to practice constancy of application in order to know Freedom.

### **EL MORYA:**

The Will of God is to externalize all the Beauty, Opulence and Perfection of the Kingdom of Heaven through the individualized consciousness of people of the Earth. The constant, rhythmic descent of ideas, patterns, forms and Visions of portions of that Perfection are often magnetized by men and women who are interested in the particular field of endeavor which will be benefited by the developed and externalized idea. However, to find the Lifestream who is constant enough to hold that idea unwaveringly, before ridicule, scoffing, resistance of every kind, including personal limitations, is rare indeed. Many are the enthusiasts who begin to externalize an endeavor or Vision - few who have the constancy to follow it through to ultimate fulfillment!

### **KUTHUMI:**

What exactly is "constancy of endeavor"? It is the capacity to follow through a piece of work from its inception to its completion; the capacity to recognize a vocation in which the Lifestream might be of benefit to the race and then to accept the years of training, discipline, learning and serving to become proficient in that vocation; the capacity to receive a Divine Inspiration, Vision or Pattern and to devote

rhythmically a goodly portion of one's Life and Substance to clothing that Vision with form that is available to one's fellowman (words, example, literature, etc.). Constancy is the capacity to single out one particular Service and then refine the mind, purify the feeling and etheric consciousness and discipline the flesh so that the Service receives the best of the developed capabilities of the individual consciousness.

## **PAUL, The Maha Chohan:**

In the associations among mankind, the friend who is constant in his affections, faith and helpfulness, is to be cherished above all others. The "fair weather" friends are many; the constant friends are few. Our Brotherhood has chosen to be such Constant Friends to all mankind. It is Our Purpose for Being! No matter what the temporary appearance may be that dims the Light of the Inner Presence. We know that Presence is within each soul and by warming the soul through kindly understanding, compassion and sincere interest, sooner or later the talents and capacities of the Lifestream will break through the prison doors of indifference and lethargy, spreading their Gifts upon the altar of humanity for the enrichment of all Life. God give Me constant friends!

## **SERAPIS BEY:**

One of the requisites of an accepted member of the Brotherhood at Our Focus is constancy of Purpose. For the many vacillating souls that flit hither and yon, lighting like the butterfly upon the various aspects of Truth and then seeking other facets of expression, there are very few who are constant in both Purpose and Design for Living. When an individual applies for acceptance as a student at Our Focus, he is subtly tested as to his Power of concentration upon one aspect of the Law, to see if he is willing to make some Virtue of God his own through perseverance. It is better to Master one weakness; to become a Radiating Center of one Virtue; to follow one specific line of Service through to successful accomplishment; than to have cursory acquaintanceship with many aspects and be Master of none. Individuals bore easily - their Energies always seeking the outlet into the new and untried. Candidates for the Ascension remain constant to the aspect of Truth which their Teacher has provided for them, until that aspect becomes a real part of the evolving consciousness. The road up the Cosmic Hill is traveled by the constant soul - his eyes upon the Ascension - but his Energies, Service and capacities harnessed to the specific Service at hand. Discipline of mind, feelings and body are required to become Master. This is the Law!

## **HILARION:**

Why is constancy so important to Spiritual development? Because the feeling nature of God, Master, Angel, Elemental or man, provides the Life which fills the form created out of mind Substance. Many individuals who receive an idea from the mind of God, cut out a fairly good form or pattern from Universal Light Substance through the use of the mental body. However, this pattern will not live unless it is fed by the sustained enthusiasm of the feeling nature which is the "Life-giving Power" of any Cause, Pattern, Vision or Design. Grasping the Vision of a New World is not enough. That Vision is but an empty cup - like the Lifeless body from whence the soul has fled - until the feelings release the Energy through practical and sensible means to make that Vision fact. Those of Us in the God-Free Estate provide the Vision. Those of you in the physical world are required by Cosmic Law, to make that Vision live in the world in which you abide. If you are constant in your decrees, application and practical works, that Vision becomes fact. If the Vision is merely an amusement of the moment, it finally departs to seek externalization through a more constant Lifestream.

## **JESUS:**

Constancy does not mean "blind obedience" to outworn formulas of science, religion or education. This is bigotry, intolerance and a block of progress. Again you have the thin "razor's edge" between a constructive and required quality to manifest Mastery and a puny excuse to avoid progress. The constant man measures according to Spiritual values the Pattern, Design, Vision or endeavor which he is stimulated to Serve. Then he proceeds to utilize the vast (mostly unharnessed ) Energies of his feelings, to develop and externalize that Pattern and Plan for his own good and that of his fellow-man. It is better for an individual to become proficient as a street-cleaner, than to be surfacely acquainted with the most difficult studies of calculus and accomplishing nothing of merit or benefit to himself or his fellowman.

When an individual has developed his consciousness to a point where he can grasp - even faintly - the Vision of a New World, wise is he if he chooses to direct his controlled feelings and the Substance of his world into that Vision - with constancy - not spasmodically. Upon these few, We depend for the externalization of the New Day!

## **SAINT GERMAIN:**

Constancy of rhythmic, Ceremonial Service is essential before the concentrated foci of the Sacred Fire are drawn from the invisible to become the Radiating Blessings of all mankind. In the early Golden Age, the Sacred Fire of the Will of God, Illumination, Love, Purity, Consecration, Healing and Transmutation, was visible to the physical sight of all mankind. Why? Because individuals had sworn a vow of constancy in magnetizing, expanding, protecting and sustaining those foci in the Temple of Light. According to their requirements, the populous was enabled to visit these foci and strengthen the particular Virtue or Gift which they needed to use in their individual lives. When there were no longer constant Spirits to tend these concentrated Flames, They gradually disappeared from the Temples. To draw them forth again, the Virtue of constancy must first be established among the men and women who profess to desire to magnetize and guard such Flames.

Many of the experiences of Life are merely for the Purpose of testing the constancy of the nature "under fire". For the many who enjoy the Service of magnetizing the Flame, while there is no pressure opposed to human will, there are few who will manifest (or really *can manifest*) constancy under pressure of opposition, ridicule, doubt, fear or the many inviting experiences which lure the unguarded from their self-chosen vocation in magnetizing and externalizing some activity of the Sacred Fire for the Blessings of mankind. What, exactly, would the physical, visible manifestation of a focus of the Sacred Fire mean to the Earth? It would mean the Transformation of unbelief into sound acceptance of the Truth of Life. It would provide a Radiating Center into which the weak, the halt, the sick, the confused, could come and renew themselves, each according to his own requirements. It would Free Elemental Life in the atmosphere, in the bodies of mankind and in the Nature Kingdom, (but hopeful) ones to like accomplishment. This manifestation of a focus of the Sacred Fire is possible of accomplishment in this century! Let us see how constant those that Love Me prove to be!

## **PRECIPITATION**

### **AEOLUS:**

The activity of the Ray of Light is Precipitation. Therefore, the Power of Precipitation which is so much desired by mankind is actually not only embodied in their creation but the activity of their sustained Presence in the Universe. Each self-conscious intelligence is Precipitated out from the Central Source of

# THE MASTERS OF WISDOM SPEAK

BOOKS ONE AND TWO

A New Age Church of the Christ Publication

---

God's Heart and the flowing stream of electrons which constitutes the Lifestream is a Precipitation of Energy which never ceases while individualization and self-conscious intelligence functions in any sphere of manifestation.

## **EL MORYA:**

What mankind should desire is not the use of the Precipitating Power, which is already, unfortunately sometimes, in their use and under the direction of their oft misguided Free-will. How many bewildered souls Precipitate an argument, crisis, even a war! Man must become still enough to realize what he should Precipitate and then learn how to use his marvelous faculties of thought and feeling to govern not only the quality but the form of his Precipitation. Then he becomes Master of Energy, setting up causes whose Precipitated effects in his world and affairs will be pleasing, harmonious, and general benefit to Life.

## **PAUL, The Maha Chohan:**

The emotional body is the receiver of the greater part of the Energies flowing through the Silver Cord into the use of the individual. These Energies are for the express Purpose of giving Life to beautifully Designed and Perfected thought forms created by the mental body at the direction of the Self-Conscious Intelligence. When the Energies of the feeling world joyously rush into a Perfected thought form, the matrix or cup is energized, given Life and begins its final journey on the Precipitating Ray into the world of form. You will notice that when the feelings show little or no interest in a Plan, Design, Idea or Vision, it seldom comes to fruition. It is among the "still born" thought patterns and eventually returns to the Universal unclaimed and uncompleted. The individual desiring to experiment with conscious, controlled Precipitation must learn to Energize his thought form with his feelings of Love, enthusiasm, devotion and Purity of motive, Purpose and Design, if he wishes to have full manifestation quickly.

## **KUTHUMI:**

The mental body of every Lifestream was Designed for the express Purpose of seizing the Ideas born out of the Mind and Heart of God and moulding them into pleasing, beautiful, and practical forms which could then be Energized by the feelings and manifest on the Screen of Life. While the mental body is allowed to create vague, half-formed outlines, and to satisfy itself in contemplation of previously formed thought forms created more or less imperfectly by others, it is not performing its proper function to the individual. The development of the Power of Visualization, of cutting out of Universal Light the Pattern, Form and Design the individual desires to have manifest in his world, is the first step toward control of the Precipitating Power which - ungoverned - Energizes any form, good or evil and by its very nature forces them into the experience of the self.

## **SERAPIS BEY:**

At My Focus, we impress the chela with the Truth that within the Light that flows into his Heart is anything and everything he can require for external comfort as well as for internal Redemption and Illumination. Each electron which makes up the rapid flowing stream of Precipitated Life contains within itself the Intelligence, all the magnetic Power required to sustain the body's Life and the soul's nourishment as well.

As the chela is encouraged to contemplate the Power within the electrons and to draw forth the Power through Love and concentration, he learns to weave the primal essence of Life into form. It is comparatively easy to raise the chalice of the mental body to the Divine Intelligence and receive the inspiration in the form of beautiful Ideas and Visions God desires. In the mental body, these Ideas are developed, refined, moulded, amplified, just as a sculptor working with marble, takes the abstract model

# THE MASTERS OF WISDOM SPEAK

BOOKS ONE AND TWO

A New Age Church of the Christ Publication

---

and carves it into the stone. The chela is then encouraged to draw forth the Flame of Love from his Heart and Energizes the Pattern and form, feeding it rhythmically with a pressure of Energy, until the thought Pattern is filled with Life. Then it is natural for the Energized form to pass through the etheric realm and gathering the Substance of this realm about it, externalize in the physical world as a manifestation of conscious, controlled Precipitation.

## **HILARION:**

The magnetic Center in each of the inner bodies, as well as the physical body of the individual, draws the Universal Light Substance of that sphere and realm instantly when the process of conscious creation engages the Energies of any intelligence, human or Divine. Thus, from the mental atoms that make up the Realm of Divine thought, the mental body of the individual draws the material to make the cup into which he will pour his Life. If he does this consciously, he knows beforehand what the effect or manifestation will be. If, however, he allows his mental body to accept discordant or imperfect forms and, like a scavenger, draw the refuse from the mental effluvia of the masses into his own Creative Center, and then Energizes those thoughts of fear, depression and discontented, with his feelings, his Precipitation will be no less proof of the Law, but considerably more uncomfortable to live with.

Man is always using the Power of Precipitation. It is the nature of his Being. It is to become Master of this Power rather than victim of its mis-use that We come with instruction to those who choose to listen and then experiment according to Our Instructions with the control of those Centers of thought and feeling which are his alone.

## **JESUS:**

The world of form is filled with the Precipitated thoughts and feelings of mankind, generated by the ungoverned use of the creative faculties of thought and feeling. One who comes to assist the masses must not only dissipate these externalized pictures, which plague their creators but must show each individual how to go back into the world of cause and stop drawing Universal Light into forms of limitation, privation, disease and death. The individual desiring to rise above the effects of these unpleasant manifestations must realize he must clear his mental house of the pictures already there, refuse to allow more of such pictures to register there, and then consciously create out of pure Light pictures and forms of Beauty, Harmony and Perfection. When his mental house is in order, he may Energize consciously the picture of his Own Divine Image, and the many beautiful expressions of the Kingdom of Heaven which he would like to externalize for his own happiness as well as that of the race.

## **SAINT GERMAIN:**

Besides the mankind of Earth who are trained in the use of controlled thought and feeling, many Angelic Beings, Devas, Cosmic Beings and Members of the Ascended Host are constantly receiving the Divine Ideas from the Mind and Heart of God. These Pure Intelligences mould the abstract ideas into beautiful forms, Energize them with their own Love, and send them on their way through the Seven Spheres with the hope that the consciousness of some members of the human race might be sensitive enough to pick up the already Perfect Blessing and externalize that Blessing through the investment of his physical Energies, time and dedication of thought and feeling. It was thus that I was enabled to direct into Fulton's consciousness the Designs for the steamboat and it is thus that many of the inventors and scientists are enabled to offer their consciousness to Intelligences who use them as themselves in this world of form.

I cannot overemphasize at this time that the Seventh Realm, which is closest to the world of form, is literally bursting with the Patterns and Designs lowered by these Beloved Brothers and Sisters and awaiting the claiming by someone interested in furthering the cause of mankind.

## THE PROCESS OF CONSCIOUS ASCENSION

### **AEOLUS:**

First, let Us remind you that the process of consciously becoming a part of the evolutions belonging to the Earth, followed the voluntary choice of those who desire to fulfill God's Will in the physical appearance world. Through the use of God-given Free-will, every individual decided within himself to volunteer to consciously lower the vibratory action of his emotional, mental and etheric vehicles to a point where the Immortal Three-fold Flame within the Heart could draw around Itself the Substance and Energy of the physical world. This process of creating a physical body out of the Elements of Earth, Water, Fire and Air, required the use of centripetal force...anchored with the Immortal Three-fold Flame of God drawing the Purified Elements of Earth's atmosphere into a beautiful physical body, made in the Image and Likeness of his or her own individualized "I AM" Presence. The process of sublimating (refining by Violet Fire) those Elements consciously drawn, until they again Radiate Light is also a conscious process - a gradual Ascension into the Divine Image which has become distorted through mis-use of the faculties of thought, feeling, spoken word and action .

### **EL MORYA:**

When your God-Parents projected part of Themselves (the Immortal Three-fold Flame) from Their Hearts into Universal Light which is made up of Intelligent Electronic Substance, They endowed that Flame with the Gift of "Free-will". Through Its use the individual so created was enabled to draw as much or as little of Life as they desired from their own beating Hearts and to create with It whatsoever their self-conscious Intelligence chose within Itself to offer as a Gift of added Light to the Universe. This Immortal Three-fold Flame drew around Itself the Intelligent Electronic Substance (the Body of God) and created a glorious Electronic Body made in the Image and Likeness of the God-Parents. Then through countless aeons of time this Presence used the Life of the God-Parents to develop the Causal Body (the repository of all Its created Perfection). Each individualized Presence specialized upon the development of one of the Virtues, Activities, Qualities and Services of the Seven Rays. When the individualized Presence presented Itself before the Lords of Karma and the Manu Who represented Their Ray, offering to embody in physical form, again Free-will was the motivating Power of such voluntary action. After the pollution of the Energies of the four lower bodies by mis-use of the faculties of thought, feeling, spoken word and action, it is again Free-will which brings the individual to a point where he desires to surrender to his own "I AM" Presence; set his world into order; fulfill his Divine Plan and return "Home" - to go out no more!

### **KUTHUMI:**

The fashioning of the emotional body from the Electronic Substance of the world of feeling; the fashioning of the mental body from the world of mind-force; the fashioning of the etheric body from the world of etheric Substance and the fashioning of the physical body from the world of physical elements was accomplished by the magnetizing of the Immortal Three-fold Flame of God within each beating Heart. The ability of mankind to use these bodies to develop the strata of impure thoughts, feelings, spoken words and actions (which has been done) was the result of his conscious use of Free-will, which Gift he voluntarily accepted from his God-Parents, thereby assuming his responsibility for the use of Life.

# THE MASTERS OF WISDOM SPEAK

BOOKS ONE AND TWO

---

Also, the sublimation of these strata by the conscious use of the Sacred Fire of Purification (Violet Flame) is a conscious activity in which mind, feelings, actions and words are employed. Such conscious application upon the part of the chela results in the gradual Ascension of his vehicles of expression.

## **PAUL, The Maha Chohan:**

There is comfort in knowing that, as man consciously distorted his vehicles through the Liberty of using Life and Its Creative Centers imperfectly, so can he then consciously restore Beauty and Perfection to his vehicles by this same Liberty to use Life to "make things right".

## **SERAPIS BEY:**

All of the electrons spinning around the central core of every atom in your emotional, mental, etheric and physical bodies are intelligent. Furthermore, these electrons have taken a vow to obey the mandates of the individual and create forms of beauty or otherwise. Standing upon this premise, surveying the condition of one's own vehicles, the wise decide to speak to these intelligent electrons and their composite whole and ask for their cooperation in throwing off the Substance of impurity collected through the ages. These electrons are most eager to obey this command "*Be ye Perfect, even as your Heavenly Father is Perfect*". With the conscious use of the Violet Fire, the Substance thus thrown off by the electrons is sublimated (refined) and the world of form and experimentation is thereby wholly Freed from any and all residues of impurity from the ascending Lifestream.

## **HILARION:**

The awakening consciousness of the individual who desires to fulfill his Divine Plan, cognizes the Truth that the Immortal Threefold Flame within his Heart can and will expand to direct the activity of every electron and atom in his four lower bodies (physical, etheric, mental and emotional). This is done by the acceleration of their speed as they move around the central core of their own atoms. This acceleration causes the impure Substance in the forcefields around the electrons to be thrown off and allows the electrons in each of his four lower bodies to expand their Light until the emotional, mental, etheric and physical bodies become self-luminous. This is the process of conscious Ascension.

## **JESUS:**

The "Transfiguration" of the physical form follows a scientific law. It merely requires the surrender of the destructive use of one's Free-will to the Immortal Three-fold Flame of God within the Heart. At your conscious Call, the Flame (Intelligent and All-Powerful) will expand Its Light through the four lower bodies and, as the impurities of discord (which have been imposed upon the electrons) are sublimated by the use of the Violet Fire, the pure white Light of the electron is then allowed to blaze its Light Freely; then meeting the blazing Light so released from every other electron, the inner and physical bodies just naturally Radiate Light!

## **SAINT GERMAIN:**

One of the Services of the Seventh Ray (The Violet Ray) is to help to sublimate and Transmute the impure Substance drawn into the forcefields around the electrons in the emotional, mental, etheric and physical bodies. Thus the individual consciously redeems all the Energy he has drawn through the ages and used for experimentation. As in a carpenter's work-shop, there are many shavings, much sawdust and other residue which result from his endeavors to produce a form of beauty, so there is in the aura (and the world at large) much residue which results from experimentation with the "tools of creation" (feelings, thoughts, spoken words and actions). The good carpenter not only produces a beautiful piece of furniture but cleans up his workshop as well. The good, honest chela, in the process of ascending into his God-estate, has the use of the Violet Fire to clean up the residue of his experimentations with Life

while consciously developing his own Divine Nature. This is Balance - Spiritual Integrity - and Mercy to the rest of the Universe. Too long have the Nature Kingdom and the Ascended Host continued to Transmute this "residue" for man! Now, he has the way and means of making this personal Transmutation of the Energies for which he is accountable. At the same time, he thus qualifies to become an Ascended Being himself!

## **THE MIRACLE OF RESURRECITON**

### **AEOLUS:**

Within Life Itself is the Power of Resurrection, of renewal, of survival and resuscitation. The Kingdom of Nature, through which I AM privileged to serve, lives in obedience to this Natural Gift and Power, By its use, every species sustains itself for the Blessing, nourishment and benefit of the human Kingdom. The glorious flowers, the verdant Life-pulse manifest in the springtime are the proof of the "possibility" of Resurrection. May mankind soon awaken sufficiently to this self-evident Truth written across the face of the earth they inhabit, and may they draw the Resurrection Currents through their own souls to recreate the Glory, the Perfection, the Beauty and Mastery which they had in the beginning before the world itself was.

### **EL MORYA:**

As the seed holds within itself the Pattern of the full flower, so does the Sacred Heart of man hold within Itself the Pattern of his Divinity. The forces of nature and the seasons of the year blend their Gifts and Powers to the development, expansion and sustenance of that Pattern through nature. Thus also do Spiritual Forces, Powers, Activities and Intelligent God Beings pour forth definite, specific Blessings which are an impetus to the development of the Divine Pattern within mankind of certain rhythmic seasons. When the Resurrection Flame is directed through nature by The Lord Maha Chohan, mankind may magnetize Its Life-giving Essence and draw It through the latent God Powers within his own soul, if he will.

### **KUTHUMI:**

As the wise gardener and farmer do all within their Power to prepare the earth, and open their hopeful Plantings to the Lifegiving forces of nature, so do We endeavor always to create and sustain through the consciousness of mankind the most beneficial atmosphere and then await the flowing of the Spiritual Currents which stimulate the awakening of the dormant God-nature and Its ultimate fulfillment in God Mastery and God Freedom. We are but the tending Guardians, relying on the GOD POWER TO DO THE ACTUAL WORK.

### **PAUL, The Maha Chohan:**

There is only One Power by which man may develop and mature His Divine Pattern, and that Power is of God. Even the Great Brother, Whose Name and Service We honor at this Holy Season, has said *"I, of myself, can do nothing...It is the Father within Who doeth the works."* The Guardian Spirits, the Angelic Host, the Cosmic Beings, and the Spiritual Hierarchy BUT PREPARE THE SOUL TO RECEIVE THE IMPETUS FROM THE GOD WHO MADE IT.

As the farmer does not claim to have created the harvest, neither does the Hierarchy claim to have created the God-Free Beings, but rather to have worked in the Father's Vineyard, tending the souls within whose very selves lies the Pattern of Divinity. We can and do create the AURA where sanctity is developed. We can and do stimulate the soul to MAGNETIZE the God Currents. We can and do form a

---

Pattern of what each intelligence may, in himself, express. This is as far as the Ascended Master Service goes. It is the "inward search" of the self that yields the harvest of manifest works.

## **SERAPIS BEY:**

The man who applies to a Seat of Learning in order to become proficient in some art, science or other highly specialized skill, recognizes the self-evident Truth that those who have already mastered the natural laws governing such developed talents and capacities are the natural teachers, from whom he can benefit. He does not worship the teacher, but shares the teacher's consciousness, makes of it his own, and working through the shared instruction comes to like proficiency. It is equally True of the student upon the Spiritual Path. When he applies for more Knowledge than the world can give, the Law opens the door by which he may enter into association with Those who are Masters of the particular phase of Spiritual endeavor which has drawn his interest. The Master will at all times turn the student back to the development of his own consciousness. He will share the understanding by which He attained, but He will never allow the student to lean upon Him for accomplishment of his own individual development. Such a student Loves, Reveres and Honors his Teacher but Worships only and always the God that Lives within them both. (*Guru and chela*).

## **HILARION:**

When a man desires to expand the Divine Pattern through his own soul, he magnetizes Spiritual Currents which nourish and develop those slumbering Spiritual Centers and arouse them to active expression through the outer consciousness. I well remember the RESPONSE of The Christ to the magnetized Energies of my world, as I walked the road to Damascus, intent on doing right as I saw it. The sincerity of my motive invoked the Presence of the Living Jesus Christ and in an instant I saw right and seeing, My soul embraced that Presence, and It became for me the stimulus to the development of my own Christ in like manner. Thus through the Spiritual Sun of Jesus' Presence, My own God Pattern was stimulated, developed and externalized, and so may it be for you!

*Note: One of Beloved Hilarion's embodiments was the Apostle Paul.*

## **JESUS:**

Through the kind and gracious assistance of Our Lord Maha Chohan, I was enabled to magnetize the Spiritual Currents of the Resurrection which flow through the earth and resuscitate the Nature Kingdom in the Springtime. These same currents are equally available to mankind desiring to make his soul MAGNIFY THE LORD. It is pitiful indeed that the fragrant, gloriously-colored blossoms upon the fruit tree do MAGNIFY the Spirit of Life, and the souls of men pass through each Easter Season with so little of the New Life expressed through their nature and their presence in this world of form.

## **SAINT GERMAIN:**

Every man has his own Easter when the soul-awakening from its long sleep stretches its arms out toward its God and invokes the Life-giving Currents of the Resurrection to re-vitalize the Divine Pattern that has lain dormant through the centuries. As surely as the fruit tree shares in the miracle of a New Birth, so surely does every soul so invoking the Resurrection Flame share in the Second Birth and become a full flower in the Garden of the Spiritually Elect, the God-Free Spirits who are externalizing the Will of God through flesh and through Spirit. I have known that EASTER, and you shall know it too, one day when the longing of the soul for Light is greater than the clamor of the personal self for survival at the cost of delayed Mastery.

## THE GRACE OF GOD

### **AEOLUS:**

The Gift of Spiritual Grace is an Activity of the Holy Spirit. Where Grace is present, it is comparatively easy for the soul to comprehend Its subtle Radiation through the souls of others. Where Grace has not yet entered the soul and consciousness of the individual, he is in a world apart from the Glories of the Spiritually Elect. Although the Majesty, the Dignity, the Love, the Purity of the Kingdom is manifest all about the soul not yet reborn in Grace, he has eyes that see not and ears that hear not. Such a one misses many an opportunity and for all mankind, one of the greatest Services that can be rendered is to Call that the Spiritual Grace of God may enter, abide within, sublimate and sensitize the soul and outer consciousness. Such a one is then open to Spiritual development.

### **EL MORYA:**

Except a man be in a state of Grace, he cannot receive the Blessings of God. Such is the time-worn statement of the orthodox. Yet within that phrase is a mighty Truth. Every vibratory action connects with and ties into a similar rate of vibration and the two become one. Man can and must govern the vibratory action of his thoughts, his feelings, his etheric memories and his physical envelope as well. While he is not master of the control of the vibrations of his own vehicles, he is victim to the intrusion of all manner of imperfect vibrations which rush like a magnet to attach to the vibratory action set up through conscious or unconscious volition of self. The Invocation of Spiritual Grace into the soul sets up a vibratory action which is receptive to the Divine Currents which flow through the atmosphere of Earth, but which are too subtle to be recorded in the outer consciousness unless the magnet of Grace draws them in to nourish the soul.

### **KUTHUMI:**

Grace enters the soul when the outer self is still. Grace is a Spiritual Essence which permeates the outer consciousness when the personal ego surrenders the desire to be the actor, the Designer, the ruling Power in the world of form. It is by cultivating Grace that every individual who has risen to Perfection was enabled to comprehend the Spiritual Laws and apply them to Their own Victory. It is Grace which enables the chelas to believe in Our Existence and Our Ability to speak through the veil to enlighten the outer mind. When individuals lack Faith, call for the Spirit of Grace to enter the soul. From within will flow that capacity to accept God and His Messengers. This is a Gift of Grace which you can draw forth for your family and for your fellow man.

### **PAUL, The Maha Chohan:**

Have you thought how much the Quality of Grace enters into the Perfection of Expression, even in the world of form? What a man does "gracefully" is an accomplishment of merit. In men's dealings one with the other, much is done for duty's sake, grudgingly and reluctantly. Yet, how every individual responds when a fellowman renders a Service gracefully, grants a pardon gracefully, offers a benefit unearned in a graceful manner. A gracious expression of man's Service marks him as one who is "on The Path".

### **How Full of Grace is the Master Saint Germain in His great Service to mankind!**

How graciously does He respond to every Heart Call! Let men take Pattern from this Prince of Courtliness if they would live like Those they profess to Love.

### **SERAPIS BEY:**

"Listening Grace" is the activity of soul recommended by the Blessed Mary, Mother of Jesus. As the Embodiment of this Grace throughout Her Earth Life She proved that the capacity to perceive the

Presence of the Angelic Host in the numerous visitations so important to the protection of Her Son was an invaluable requisite to Spiritual Service. The development of Grace in the souls of men makes it possible for them to recognize the Spiritual Vibrations at a given moment. These moments are opportunities that come and are gone in a split second. The man who is so busy sending out thought waves often misses the incoming currents which carry Benediction and Blessing.

## **HILARION:**

As one who missed the great Christian Herald because of lack of Grace, I can speak with authority in recommending the cultivation of this Quality of God. (Hilarion was Saint Paul). The outer mind, cluttered with so many remnants of intellectuality, the intolerant feelings driving their will through less stalwart men, the boisterous flesh, send out vibrations which repel the delicate Essence of Grace. Like the Dove, Spiritual Emblem of the Holy Spirit Who is embodied Grace, the Spiritual Grace which gives the soul the capacity to respond to the Inner Spirit must be invited in loving sincerity, in tenderness, in gentle invocation. Through the Mercy of God, I was visited by the Presence of Jesus in spite of my personality and the Grace which entered my soul, sanctifying my consciousness, enabled me to rise and become an Expression of God which was of Service to mankind in that era.

## **JESUS:**

Grace is Humility, Loving Kindness, Tolerance, Spiritual Tenderness, and Understanding. It is difficult to maintain a positive pressure of qualified Energy which enables one to drive a Pattern through to successful fulfillment and yet remain within a state of Grace. Yet, I did this and so did My Mother before Me. Those who have not yet felt the stirrings of Grace within them will not understand these words but the few who do will become the invoking Power of that Grace, particularly through the chelas and students at this present time. This will be a secret, silent, unheralded Order in which those who know something of Grace will invoke and draw the Presence of Grace through the others. Without Grace, no Spiritual Order nor Movement can survive.

## **SAINT GERMAIN:**

Two men will listen to the same words spoken. One comprehends the Truth and applies it - in him the Spirit of Grace is present. The other man, listening to the same words, scoffs and brushes aside the words - in him the fertile Spirit is not yet stirred to Life. When the consciousness has accepted a religion, a leader, a savior, it is one thing to accept as Gospel all that flows through that channel. Herein is not particular manifestation of Grace. It is quite another thing to recognize Truth, the Presence of God, His Word, no matter through whom It flows. Herein is the mark of the man filled with Grace. Credulity has caused the wounding of the souls of many men and the resulting bitterness and canker repel the Grace which is required to rise into Communion with God and His Envoys. Practice makes Perfect and the cultivation of a "State of Listening Grace" enable the Spirit of a man to speak to many a chela which would otherwise be repelled by indifference and by intolerance of the outer self.

## **THE SPIRIT OF GRATITUDE**

### **AEOLUS:**

A Grateful Heart is a natural Radiating Center of Light which contributes to the Light of the world. No man can feel gratitude without emitting a vibratory action of harmoniously qualified Energy which permeates his own inner and physical bodies and then stimulates the Energies of those he contacts to a like Spirit of Gratitude for Life and Its manifold Gifts.

## **EI MORYA:**

There is no individual so poor in Spirit nor in Substance that he cannot honestly find something for which to be grateful. Cultivating the feeling of gratitude toward the Elements which serve him (water, air, earth, sunshine) changes the vibratory action of his personal world and opens the doors of his soul to the Spiritual Source which has endowed him with Life, Intelligence and Being.

## **KUTHUMI:**

The therapeutic value of gratitude cannot be minimized by the chela who is endeavoring to consciously raise and sustain the vibratory action of his own consciousness. Any individual knows how his own Spirit responds to a sincere expression of gratitude from a fellowman. Think then how the Father of all must respond to a sincere expression of Gratitude to Him for Life, Opportunity for Self-expression, and the innumerable Gifts which He has bestowed upon His children.

## **PAUL, The Maha Chohan:**

Many times, in dealing with individuals who are sunk in personal miseries and despair, the cry goes up "*what have I to be grateful for?*" These individuals need the assistance of someone who has the tact, understanding and diplomacy to point out the manifold Gifts of Blessing which are the common heritage of the race. Gratitude for the individuals who have contributed to the comfort of the race through the development of a seed idea into a practical invention; a scientific means of curing disease; a Spiritual formula for soul purification; a magnificent composition which gives Peace to the troubled mind and turbulent feelings; it a good way to start cultivating a conscious awareness of the manifold Blessings of Life. Some have not yet "eyes to see" and require the delicate direction of those who can see the beneficent Blessings given directly by God and entrusted by Him to man for development.

## **SERAPIS BEY:**

One of the qualifications for successful accomplishment of Service in this world of form is the development of an awareness of the Gifts of God, the Masters, Angels and mankind, to the chela who applies for opportunity to complete his course and return HOME. There is no soul so self-reliant; no individual so complete, that he has not benefited in the past and does not benefit each day, by the Energies of others who have helped to create the Blessings which all enjoy. An individual who desires to achieve the Ascension must desire to give to Life something of himself, as a balance to the evolution of which he is a part, in gratitude for the Gifts given him which sustained him to the present day.

## **HILARION:**

Scientifically speaking, vibration is consciously created by thought, feeling, action and the spoken word. Vibrations that are inharmonious create clouds of impure Substance in the aura of the individual sending them forth. Gratitude is a feeling which changes the quality of vibration and creates Light and Harmony in the aura. It is not enough to be grateful in the mind. One must consciously endeavor to be grateful in the feelings, where the greater portion of the personal Energies of the individual are qualified. A grateful Heart creates a happy mind, a healthy body and adds to the Light of the world.

## **JESUS:**

Taking for granted the Services, Gifts and Blessings to his Life, has delayed the Victory of many an individual. The very constancy of the Sun in Its outpouring, has made many forget how much they owe to Its Presence in the Universe. The removal of a source of Blessing often results in a "shock" to the personality which has been the recipient of Spiritual Illumination, Elemental Sustenance or even physical comforts. Then, too late, that individual realizes that the Gifts which he had taken for granted had been essential to his well-being. This often results in an attitude of bitterness because of the removal of the

Gift. Rather, the individual should realize that feelings of Gratitude and Thanksgiving for their Blessings every day would sustain those Blessings by the Power of Magnetization for as long as the person required them. Often, in My Ministry, when sometimes whole groups of people were healed simultaneously and only one returned to express Gratitude, I asked: "*Where are the other beneficiaries of God's Mercy and Forgiving Grace?*"

## **SAINT GERMAIN:**

Gratitude for the small Blessings of daily Life builds a momentum which gives the soul a wider perspective with regard to the innumerable Gifts which are constantly poured out for his personal benefit. Life should be a constant "Prayer of Thanksgiving". Not only on one day of the year should mankind give a cursory glance at the benefactions around him, but daily his Heart should swell with sincere gratitude just for Being! All of Us Who have arisen to the Ascended Master Octave live in a consciousness of constant Thanksgiving to God, Our fellow-servers in the Spiritual Hierarchy, the Angelic Messengers, the Angelic Devas and the sincere, sweet members of the human race who have reached up their hands to join with Us in Our endeavors to create an aura of Light for this Earth, transforming it from a shadow Planet into Freedom's Star!

## **THE ASCENSION THROUGH TRANSMUTATION OF IMPERFECTION**

### **AEOLUS:**

The Supreme and Ultimate Goal of every individual Lifestream is the Ascension into the Electronic Body of his or her own "I AM" Presence, wherein such a one becomes Forever Free from discord, strife and limitation of every kind. It is to be deplored that more of the people of Earth today do not accept even the possibility of their own personal Ascension. They are so willing, thru mis-concepts of their own (and the acceptance of such from others), to believe in and accept disintegration, limitation of every kind, decay and even ignominious "death" itself as *the natural order of a good God's magnificent Divine Plan*.

Even Our Beloved Jesus' Victory has not convinced the masses of the people that He was the Great Example for them to follow and that the Ascension which He so beautifully manifested in the presence of hundreds of people - *is not only possible but absolutely essential*, for their own eventual personal "graduation" from the schoolroom of Earth. We are now endeavoring to expand into the outer minds of the people of this Planet that the Ascension is the Ultimate Goal for every Lifestream and to explain, wherever possible, the ways and means by which such an individual's Ascension can be achieved. Blessed are those who will listen to Us, believe in Our Counsel and *act upon it!*

### **EL MORYA:**

Although the Will of your own Beloved "I AM" Presence is actually to fulfill Itself through the expansion of the Holy Christ Flame acting through your physical form right here on Earth and thus to externalize the Perfection, Gifts, Powers and Virtues of your Causal Body for the benefaction of the race evolving upon this sweet Earth, the Free-will of each Lifestream must, of itself, decide to willingly and lovingly cooperate with that Divine Path and consciously desire to transmute the lower nature by the rhythmic use of the Violet Fire of Freedom's Love. This must be done before We can give *more than ordinary assistance* to such a one. No Member of the Great White Brotherhood - nor even your own "I AM" Presence - will impose His or Her Will upon your Free-will choice. That choice must be made through your own feelings. When it is - ALL OF HEAVEN WILL ASSIST YOU at your Call!

## **KUTHUMI:**

What is the Ascension in the Light? It is merely the drawing back into your own personal aura of all the Energies you have discordantly qualified, all the way back to the beginning of your having become enmeshed in the shadows of human creation. In your own aura, you joyously and willingly Transmute that shadowed Substance into its natural God-estate, by the use of the Violet Fire of Divine Mercy. The Ascension is made possible of attainment for the individual who desires to reclaim and purify his mis-creations of the past and thus remove the causes and cores of impurity in his own Lifestream, which causes, and cores were the sustaining Power of his distresses.

Usually, those Blessed chelas who are about ready for their own Ascension voluntarily offer to Transmute not only their own destructive karma but, also, to help in the Redemption of the karma of others and of the race itself. These Lifestreams are interested not only in their own personal Freedom but also in the Redemption of all astral and psychic creations which plague the masses. To this end, We have partners on Earth who have been and still are eager and willing to help Us to create again (and permanently this time) the Kingdom of Heaven on Earth. Thus shall We be able to give to our Beloved Ascended Master Saint Germain, the joy of an externalized "Freedom's Star", upon which He may quickly manifest the Permanent Golden Age for the present and future inhabitants of our dear Earth.

## **PAUL, The Maha Chohan:**

The Ascension for any Lifestream is attained by the quickening and raising of the vibrations of the electrons which make up the atoms of the emotional, mental, etheric and physical vehicles of each Lifestream - as those electrons spin around their central core in that atom. One of the greatest Powers which can be called forth to so assist in the quickening of these vibrations is your own Holy Christ Self, mercifully anchored - not far away - but right within your beating Heart! This Holy Christ Self lives within you but for one Purpose - to externalize your own Divine Plan - right here on Earth through your outer consciousness (personality). It eagerly and instantly responds to your invitation to give you Its assistance in the gradual process of ascending into your natural God-estate. We, the Brothers and Sisters of the Third Ray, are primarily concerned with the Expansion of the Holy Christ Flame through you and, to this end, continually pour upon It Our Love and Blessings.

The *very nature* of your Holy Christ Self is Harmonious, Peaceful, Confident and Happy. Therefore, when It is invited to act through your four lower bodies, It naturally begins to raise the feelings, thoughts, words and actions of the personality above the strata of discord. This "raising" activity quickens the vibrations of the electrons in these bodies, so that they literally "throw off" the shadowed Substance of discord which has wedged itself between the electrons. Then the Violet Fire of Mercy and Compassion does Transmute this discord for you, when consciously and rhythmically called into action so to do. So do you become the "quick" (mentioned in the Bible) rather than the "dead" this phrase, of course, is symbolic of the vibrations of the inner and physical vehicles of unascended Beings.

## **SERAPIS BEY:**

Of course, I am most interested in the individual Ascension of every Lifestream since, together with The Brotherhood of My Temple, I am the Divine Guardian of the Ascension Flame on Earth, and every "Candidate for the Ascension" must one day stand before Me to receive assistance unto the attainment of that glorious Goal. That is my Reason for Being! The mis-concepts of the outer mind of the masses is deplorable indeed that any individual (*even a student*) can continue to allow his inner and physical vehicles full Freedom to do as they please in the satisfaction of the senses of the outer self, thus creating heavy and discordant vibrations which not only affect his own world and aura adversely, but also add to

the sorrow of the world; and then, in the "twinkling of an eye", suddenly be swept into the Victory of the Ascension! Those who accept the possibility of ascending into Our Realm *must also accept full responsibility of accelerating the vibratory action* of their four lower vehicles, continuing to sustain and constantly expand that acceleration during all the rest of their Service here on Earth.

*We do give much more than ordinary assistance to any chela who desires to participate in this self-discipline, when We are invited so to do.* Remember! The atoms which make up your four lower bodies are charged with the vibrations which are the results of your own use of Life for ages of time. If those atoms are heavily charged with discord, you will require Our assistance, primarily, to help you change the Pattern of your habits of thought and feeling, even as an individual who is drowning is often helped safely to shore by a Lifeguard who keeps the head of the one in distress "above the waterline". Self-condemnation, self-pity or self-depreciation upon the part of earnest chelas who temporarily "fall from grace" is to be deplored, as those feelings are exactly what We are endeavoring to remove from the atoms and cells of your inner and physical vehicles. Joyously set about the process of personal, family, national and Planetary Redemption! IMPERSONALLY face temporary failures! BE CONSTANT IN ENDEAVOR AND YOU SHALL SUCCEED! All We require of any dear and earnest chela is his persistence in endeavor. That is why the watch-word of the Our Brotherhood is "**TRY**"!

Many are the experiences through which the "Candidates for the Ascension" must pass, just so that such Candidates can learn that the four lower bodies are the servants of the Holy Christ Flame and not the master of Energy! Sometimes these experiences seem so difficult but to him who perseveres through every condition of a distressing nature and continues to "TRY" - Our help and their ultimate Victory WILL COME! It is only those whose souls become weary and who seek surcease from the self-disciplines required to master their four lower bodies and allow the Holy Christ Flame to express Freely through them who, in kindness, must be given surcease from further present endeavor until (at inner levels), they re-kindle their enthusiasm for this task of Redemption of their own worlds. At a later date, these are given another opportunity in physical embodiment to become Master of their own Energies and thus Master of all the Energies they contact. "He who is Master of himself – IS MASTER OF ALL!"

## **HILARION:**

The Ascension is not so much a "mystic" experience as it is a scientific one. In the beginning, Electronic Light (which is the actual Intelligent Body of God) took a Vow of Obedience to respond to and become that which any of God's children directed It to become. Therefore, the very electrons which compose the atoms of the inner and physical vehicles of the individual, vibrate at the speed at which the self-conscious intelligence has directed them to do. The slower their vibrations, the more vulnerable do these atoms become to like vibrations which fill the lower atmosphere of Earth. The quicker their vibration, the more sensitive and receptive they become to the Grace and Perfection of the Higher Realms.

Thus, when a chela prepares for the Ascension, he is taught how to quicken the vibrations of all the atoms in his four lower bodies, throwing off the discord which has wedged itself between the electrons which make up such atoms and, as surely as the Sun shines in God's Heaven, the quickened vibratory action of the atoms of each vehicle magnetize the Heavenly Vibrations from the Spiritual Hierarchy.

Throughout the centuries, some chelas have quickened the vibrations of one of their four lower bodies far beyond the development of the other three. Here, We must emphasize that each chela should examine himself and ascertain which of his vehicles requires assistance the most. Then, scientifically, *without stress and strain*, he should endeavor to cultivate a Positive and Powerful Vibration through the

recalcitrant vehicles and bring his four lower bodies into alignment. This, of course, We help every chela to do in an *Ascended Master Retreat* and, when such an individual applies for the privilege of becoming a "Candidate for the Ascension", Beloved Serapis Bey, looking over the four lower bodies of such a one, prepares a schedule of events and conditions to be experienced by the chela which will enable him to completely Purify and Redeem those bodies which as yet have not been brought under full control of the individualized "I AM" Flame of the Lifestream.

Let us warn the sincere chela that one will always feel some resistance from the vehicle which is not yet under control. Centuries of the body's having had its own way have made it stubborn and resistant to God-direction. In the Name and Authority of your own Beloved "I AM" Presence, lovingly command such a vehicle to cooperate with you in the Redemption of your world. This would be wise indeed!

## **JESUS:**

My public Ascension was for the express Purpose of showing mankind their Ultimate Destiny! More and more, as the New Golden Age comes into manifestation, shall I endeavor to impress upon the consciousness of every unascended Lifestream the feeling of My full gathered Cosmic momentum of the Ascension in the Light, as possible of achievement for every one of the human race.

I came under the same Law as do all Lifestreams who choose the Planet Earth as a schoolroom. It was necessary for Me to keep the vibrations of My four lower vehicles harmonious at all times - no matter what the human appearances might be!

In this self-discipline, I was exceedingly helped by My Beloved Mother Mary, Whose Spiritual strength and wonderful ability to hold the IMMACULATE CONCEPT of My Lifestream for Me was a Strong, Powerful and Buoyant Vibration which played in, through and around Me at all times. Today, She is just as willing to give to you the assistance of Her full-gathered momentum of the feeling of Grace of which She has become the Living Embodiment; and She has in the past and will continue in the present and future to hold for you (as She did for Me) the IMMACULATE CONCEPT of your own Divinity.

ACCEPT HER HELP! ACCEPT MINE, too, and BE FREE!

## **SAINT GERMAIN:**

Remember, dear children, the Violet Fire of Purification is ALREADY QUALIFIED LIFE which you are invited to use in the process of personal and Planetary Redemption. You do not have to "create it" any more than you are required to create the beautiful water element which you use so Freely to cleanse your physical vehicles.

Think for a moment of the Mercy of Life in providing water for your use. Suppose before you could cleanse your physical vehicles, you had to Precipitate every drop of water you desired to use. How long would that Precipitation take and how precious would every drop of water be to you? It is the same with the Violet Flame. If you had to consciously Precipitate every wave of that Purifying Agent, the process of Redemption would be interminable. Accept that, like water, It is ready for your use. It is Our Gift to you. If you invoke It and use It, It will act so efficaciously for you and cleanse not only physical bodies, but still more important your inner bodies of any and all impurities which manifest as limitations of mind, flesh and affairs.

We can only offer you Our Gifts. You, yourselves, must accept and use them. Please accept the use of the Violet Flame and experience for yourselves the joyous cleansing of that misqualified Energy which lives in, through and about you, awaiting Redemption through your own self-conscious endeavors.

## **DIVINE LOVE THE GREATEST CREATIVE POWER IN THE UNIVERSE**

### **AEOLUS:**

Love should not be qualified with sentimentality, which is changing and vacillating. Pure Divine Love is changeless and constant. It is the one Virtue of the Universal "I AM" Presence into which all the other Virtues blend. It is the Highest Expression of the Nature of God and, in time, will be the Highest Expression of man, also.

Divine Love, unlike human Love, is not grasping but giving; is not variable but constant. This feeling and Substance of Divine Love is the cause and core of all creation, as well as the sustenance of such creation and, when the creation has served its Purpose for Being, its ultimate etherealization in dignity and honor is accomplished by that same Divine Love. One focus of that Divine Love is your own "I AM" Presence and such a presence is also anchored within the Heart of everyone. Expression and expansion of this Divine Love upon and through the Planes of experience in which a self-conscious intelligence lives, is truly the "Reasons for Being" of such an Intelligence. Until that Full Expression of the Nature of God is so made manifest, there can be no permanent individual, national, racial or Planetary Peace!

### **EL MORYA:**

It was the desire to express Divine Love which caused the Universal "I AM" Presence to create Sons and Daughters through whom to pour the Love and Life of His Own Being and endow such Sons and Daughters with His Gift of the use of Free-will. It is that same Love which since such creation, has continued to sustain these intelligences and to believe in their ultimate expression of His Nature. Serving mankind, who for the most part have forgotten their Creator, we live but to bring to man the remembrance of the Love of God for all His Creations and to awaken a feeling of that Love in the human Hearts wherein the Divine Love of the Universal "I AM" Presence dwells.

### **KUTHUMI:**

Divine Love is a cohesive Power which magnetizes pure Light; causes it to rhythmically move around its own central core and thus creates an atom, the coalition of many of which may be used to form a vehicle through which mankind can express itself, a nation, a continent or even a Planet itself. When the Divine Love projected forth by the "I AM" Presence is removed from any creation - human forms or so-called inanimate objects - that form then begins to disintegrate because the cohesive Power of Divine Love which held it together is no longer present. Therefore, in conscious Precipitation, the development of impersonal Divine Love is most essential to sustain the Precipitation. Unascended mankind's comprehension of Divine Love is a travesty as measured against the True Divine Love of God. Hence man's own physical body, as well as his creation of great civilizations are subject to decline and decay. Why? Because the cohesive Power of Divine Love is not at their Center and a lesser expression of Love, while it may create temporary form, has not the sustaining Power to hold that form until it has served its full Purpose. Disintegration, dis-ease, decay and death itself are the greatest proof on Earth today that Divine Love was not the cause and core of the creation. Thus the creation was transitory and subject to the disintegration to forces within and without the individual who had drawn such manifestation forth.

## **PAUL, The Maha Chohan:**

Divine Love is a natural activity of the Expansion of Good. As far up the Ladder of Spiritual Evolution as We can see, there is a constant expansion of the Light, Virtues and Gifts of God through every Divine Being Who has been created and sustained by that Divine Love and Who has cognized that Love, utilizing it to do the will of the Being Who has created and sustained Him (or Her).

In unascended mankind, the same Law holds True. If an individual has a Gift or Talent and used it to expand Happiness and Beauty for Life, he is the greatest beneficiary of the expression of his own Gift. If so used, his talent expands, matures and generally develops. If, however, he selfishly grasps the Gift and, through a process of inversion, seeks to hold it to himself for personal gain or pleasure, he is either temporarily deprived of the use of that Gift or Talent, or temporarily is deprived of the opportunity to use it in the Sphere in which he presently functions. The measure of the individual's use of Talent, money, Power and opportunity lies in the use to which he puts them. If he uses those Gifts as God and the Divine Beings do, to expand the Blessings of Light, Comfort, Happiness and greater Perfection in his Sphere of Influence and the worlds of others, he will prosper.

However, through his use of Free-will, if he chooses to use such a Gift for personal aggrandizement or gain, the forces of disintegration and decay will teach him the lesson which Jesus taught so forcibly: "*To him that hath shall be given*" (to him that has the understanding of how to use them, more Substance, Power and Talent shall be given him), "*to him that hath not, shall be taken away even that which he hath*" (from him who has not the understanding of how to use Life impersonally to Bless others, shall be taken away that which he already has). We use Our consciousness and understanding to expand God's Kingdom through the mankind of Earth. This is the activity of the Third Ray. We welcome all who choose to join Us in expanding their Gifts, Talents and Powers as God intends and invite them to join Us in the Glorious Expansion of the Kingdom of God right here on Earth!

## **SERAPIS BEY:**

Etherealization (returning of the Substance of form to the Universal) is also an aspect of Divine Love used by the Ascended Masters, Cosmic Beings and Angelic Host. We consider the Life and Gifts of God so precious that We would not dream of utilizing that Life in any sphere longer than is required to sustain some Blessing to the Universe. Divine Love utilizes Intelligent Life to create form as a Radiating Center through which to Bless the Universe. When that Blessing is completed, We Love Life enough to give it Freedom (etherealizing it) so that it can be returned to the Sun of the System for re-polarization and, at a later time, be used again by another Intelligence for some other form which may be necessary to the requirements of the Cosmic Hour. Giving - not grasping - is the Law of the Universal "I AM" Presence and it is the Law of Our Being as well. Sometimes the Wisdom of the Law requires that We either withhold or withdraw a Gift from some Lifestream in order to teach that one a lesson; for even a temporary absence of the possession of such a Gift often awakens the individual to the True worth of its Blessing which had been given in Love for Service to others; sustained by that Love; and offered through that Love only to enrich the collective consciousness of the race. Such etherealization is never to be considered a punishment. It is always designed as an opportunity for Spiritual Expansion through the development of a conscious appreciation of the worth of the Gift or Talent which had been too casually received and absorbed - either by individual Lifestreams or the race as a whole. Etherealization is a conscious activity of Divinity and must not be confused with disintegration and decay.

## **HILARION:**

Divine Love is a Science. Every manifestation, from the smallest form to the greatest Solar System, is builded on the cohesive Power of Divine Love. When great Golden Ages have come into manifestation upon the Planet Earth, they were literally born through the Love of Beings Who chose voluntarily to create as God Creates. These Golden Ages have been sustained just as long as some Being held the feeling of Divine Love for the Creation. This feeling was the cohesive Power which held the form; the expanding Power which increased its Beauty and the etherealizing Power which withdrew the manifestation when it was no longer required to remain upon any Plane of existence. In human experience, there is more or less of Divine Love expressed in the creation of a home, a family, or a business. When the one who is the focus for the cohesive Power of such a cooperative endeavor relinquishes this cohesive Power (through death or otherwise), disintegration of the manifestation occurs.

In Spiritual organizations, almost without exception, when the Founder spurred on by Divine Love to make the supreme effort to establish and sustain such an organization, leaves the Earth Plane, unless there be another who can be found who will hold that focus of Divine Love and expand it, then the organization itself disintegrates and is no more. This was the Law which Beloved Jesus took into consideration in asking His Mother, Mary, to sustain His Love by remaining on Earth after His Ascension, until there was enough magnetized and Radiated Divine Love to sustain the Christian Dispensation for two thousand years! Similarly, the Visitation of Lord Gautama yearly at the Festival of Wesak was Designed to stimulate and expand the Divine Love which He had magnetized and sustained in His Earth Life. All Beings Who so Design a Blessing for the Benefaction of the race seek unascended Beings to be for Them truly "the body of Christ" through which Divine Love may flow. If such are not found, the beautiful Teachings and accompanying Grace gradually recede and the Benefactions established by the Founder etherealize into finer Realms beyond the ken of human mind.

## **JESUS:**

*"The Lord giveth and the Lord taketh away"* is an Eternal verity. However, unascended Beings consider this verity as a punishment; whereas it is rather a Blessing to make the outer consciousness cognizant of the value of the Gift - the Giver and the Benefaction received.

The word "Lord"; of course, means the "Law of God" which is inexorable, impersonal and unchanging. Even I, whert My compassion for My disciples caused Me to hesitate for a moment to leave them, could not change this Law. I knew full well that the conscious etherealization of My form was necessary in order for My followers to develop their own Christ Nature. Yet, knowing their natures, I did apply for Mercy and the Lord Maha Chohan promised to give them Comfort and expansion of consciousness after My Ascension (conscious etherealization of My outer "form"). This promise He fulfilled in the Visitation of the Holy Spirit to them on Whitsuntide. Thus, all unascended beings may call for a Mediator - a Comforter - if the Law requires that they come "Home" so that their people shall not be left comfortless. I admonish every earnest Teacher and Guru to make such an application NOW!

## **SAINT GERMAIN:**

Golden Ages have come and gone wherein the masses of mankind enjoyed the developed Gifts, Powers and Radiation of Beautiful Ascended Beings. However, the masses, accepting such Gifts as a "matter of course", made it necessary for their Benefactors to withdraw Their Spiritual Support and mankind then found the Beauty of that Golden Age fading until it disappeared.

It is now My opportunity to help to awaken the consciousness of all mankind to a point where a Permanent Golden Age can and shall be established upon this Earth and sustained, not only by My enthusiasm and endeavor, but by the Energy of the awakened people. Thus the Blessings and manifest Beauty of the Permanent Golden Age will be sustained by those who enjoy Its Glorious Perfection; long after the "few" who envisioned Its inception and sustained It by Divine Love have gone to their "Eternal Reward". When this awakening is accomplished, the Law will not require etherealization here for the people themselves will prove that they are worthy to enjoy a permanent Kingdom of Heaven manifest on Earth. We are presently engaged in such awakening of the outer consciousness of mankind. The chelas now embodied are charged with the responsibility of awakening their fellowman to these Truths. Thus is the Golden Age builded and thus will it be sustained.

## **FORGIVENESS THE GRACE OF GOD**

### **AEOLUS:**

It is a most comforting and helpful Truth to know that the "forgiveness of God" for mis-use of His Energies is ALWAYS available to those who want it! The "Eternal damnation" propounded to emphasize fear, superstition and blind obedience to human will is not Truth. No more than real, understanding parents can or would deny their children forgiveness for error, could a God of Mercy deny His children forgiveness and absolution of their mistakes! Take Heart, Beloved ones! Whatever the sin, whatever the past mistakes; whatever the causes and cores of impurity and imperfection which have been set up in your inner bodies, there is a conscious way to Transmute and sublimate these errors through the Mercy of God; particularly through the daily use of the Violet Fire of Mercy which is the ordained Service of the Seventh Ray under the direction of My Beloved Son, Saint Germain.

### **EL MORYA:**

When God, the Universal "I AM" Presence, created man in His Own Image and Likeness, He also gave to man the use of Free-will and the ability to call forth as much or as little of God-Energy as he desired. The resultant experimentation with the use of this Energy and Its moulding into forms of limitation have caused the present Planetary crises, as well as the individual distresses which plague the people of Earth and the Nature Kingdom. However, when the Divine Source and His Messengers saw that mankind was going to adopt the God-given prerogative of Free-will to create imperfection, the activity of Transmutation was begun at Inner Levels and prepared for the use of those who would, most definitely, require its assistance when they "had done" with their experimentations and were uncomfortable enough to send up the cry "*Oh God have mercy on us!*"

### **KUTHUMI:**

When man comes to a realization that his own mis-use of Energy has caused all the distress and limitation which he experiences, he is then ready for instruction upon the use of the Sacred Fire of Transmutation (the Violet Fire). Until this point is reached, he is either rebellious against God and circumstance or submissive to conditions, feeling that these unhappy experiences are the Will of God. We await the realization of God's Illumination in the outer consciousness of man to the fact that he, himself, is the creator of all his distress. Then We are enabled to assist him to help himself to dissolve the cause and core of all limitations and know personal Mastery over Energy and Vibration.

## **PAUL, The Maha Chohan:**

Because mankind, for the most part, are mercifully protected from knowing what they have done with God's Beautiful Energy and their own originally beautiful emotional, mental, etheric and physical bodies, they do not cognize the fact that the cause of their distress (whether limitation, inharmony, disease or even so-called "death") lies within their own past and present use of this God Energy. When mankind are awakened to the fact that the Law of the Circle (cause and its ultimate effect) is inexorable, they begin to want to "make things right". Then All of Us are willing to help them. This help comes through the release from Us of the already qualified Energies of Purification, gathered all through the ages (before and after Our Ascension) into the worlds of those asking for forgiveness for sins known and unknown. This is always a Blessed and happy time for Us, When the Cosmic Law allows Us (at the individual's Call through the use of his Free-will) to direct the Violet Fire through his world to perform the miracle of sublimating (refining) the discordantly qualified Energies, removing the cause of distress and generally raising man to his Divine Estate.

## **SERAPIS BEY:**

You would be surprised, yes, amused at how little sense of responsibility even the earnest chela has with regard to his misqualification of Energy through the ages since he first began to mis-use his God given right of Free-will in the use of Energy and Creation. At Our Focus, We are constantly temporary Hosts to those who wish to achieve personal mastery. Yet, when even a few of the creations of the past are revealed to the aspirant, often he will deny the authenticity of such experience. You have no idea how much man loves his outer self, nor to what lengths he will go to justify himself. These, of course, must go their way until they have learned the lessons of Humility, Honesty, Discrimination and Wisdom. Then they come again and are willing to accept the "karma" they have created and to learn the applications necessary to invoke and sustain the Purifying Radiation required to wipe out the past errors their cause, effect, record and memory and begin to build anew!

## **HILARION:**

The forgiveness of God is more than a phrase, It is a science of Divine Alchemy. Energy is obedient to the thought, feeling, spoken word and action of man. Every man's aura is filled with the particularly qualified Energy which he, through Free-will, has chosen to magnetize, qualify and send forth into the world around him. Calling upon the law of Forgiveness (Violet Flame) taps the already qualified Energy of the Universal "I AM" Presence and the Divine Beings Who have prepared that sublimating Power for just such a day. Accepting the Power of this Violet Flame to actually sublimate the Energies of the lower bodies is an essential qualification for Its entrance into the chela's world. Keeping constantly at the application will bring results which will not only prove to the outer-consciousness the efficacy of this Violet Fire of Mercy, but will also give hope, faith and illumination to others caught in limitations of one kind or another. **I implore you to USE THIS LAW.**

## **JESUS:**

I was well acquainted with the "Grace" of forgiveness, and it formed one of the main themes of My Teaching. How often have I said "*thy sins are forgiven thee!*" According to the acceptance of that forgiveness did those in distress who came to Me have relief and release from all manner of human distressing appearances. Today, mankind has entered into a particularly Powerful aspect of the Violet Fire as the Seventh Ray, under the direction of My Beloved Brother, Saint Germain, plays upon the Planet Earth. When the principle of Its use is *fully cognized* by the soul and outer consciousness, every man, applying the Law, can and will have the joy of seeing the "Grace" of God (forgiveness and absolution) in his own world! Until that day, We are grateful that the Cosmic Law has allowed as much

Knowledge of the Violet Fire to come forth to the outer world as has been presented. Now, upon those given this Knowledge, rests the obligation *to use that Knowledge - as I did* - in manifest works!

## **SAINT GERMAIN:**

At the end of each year, the Cosmic Law of Mercy and Compassion allows all the unconscious mis-qualification or Energy belonging to the evolutions in the earth, upon its surface and in its atmosphere, to be wiped away. Thus truly each man is "made new".

Many of Us, for ages of time have drawn primal Life, qualified It with the capacity to raise the rate of vibration of discordantly qualified Energy in purification, thus drawing the earnest one seeking forgiveness back into this God Estate. In the Freedom you receive when the current year folds Her garments about Her and the Violet Flame sweeps in, through and around the Earth, will you be so kind as to think of the Glorious "I AM" Presence, the Cosmic Beings, Ascended Masters and countless members of the Angelic Host Who make this yearly purification possible? Send to Them your sincere feelings of Gratitude and Blessing. Then, please accept the purification for yourselves and all mankind and walk into the coming year determined to become Master of Energy through Divine Love!

## **RELEASING THE GOOD OF YOUR CAUSAL BODY**

### **AEOLUS:**

As soon as the Individualized God-Flame is projected forth from Its Creator, can Realize Itself and Feel the "I AM" Identity, such a One begins to create certain momentums of qualified Energy which form a Spiritual aura around It. This aura increases in size, Power, Virtue and Radiation as the Individualized "I AM" Presence continues to draw Life from Its Source and experiment with the Creative Centers of thought and feeling. This Spiritual aura is known as the Causal Body of the "I AM" Presence. Every Individualization of God has a distinct, different and yet wholly beautiful expression of such Glory around it, determined by Its use of Life and the particular avenue of Service to which the Individualization of God has devoted Itself. This Spiritual aura is the expression of the Holy Spirit in, through and around the "I AM" Presence. The requirement of the hour is to Purify the four lower bodies (physical, etheric, mental and emotional) of all the evolutions belonging to the Earth, so that the Glorious momentums of the Causal Bodies of unascended Lifestreams can pour forth Their Gifts and Blessings to the race, through the outer selves of mankind.

### **EL MORYA:**

It is the Will of God that the Glorious Gifts, Talents, Momentums and Powers gathered by the "I AM" Presence of every unascended Lifestream be released through the Immortal Victorious Three-fold Flame of God and that each student upon The Path purify his four lower bodies and allow the natural release of his gathered momentums of good to flow forth, into, through and around the personal self for the Blessing of all Life. To this end, We presently are securing every assistance from Heaven and from chelas on Earth who are also interested in seeing God's Will done for this sweet Planet now!

### **KUTHUMI:**

The Causal Body of each individual is builded through aeons of time, even before the "I AM" Presence of such an individual chose to take physical embodiment. Then, in every Earth-Life, all the Energy used constructively was also raised into that Causal Body, and thus contributed to the ever-expanding Glory of that Body. It is the process of "laying up Treasures in Heaven" of which Beloved Jesus spoke. The

"I AM" Presence of each Lifestream uses this battery of Spiritually charged, qualified and gathered momentums of Energy to contribute to creation at Cosmic levels. When the unascended Lifestream becomes aware, even intellectually, of the "I AM" Presence and makes application for the use of the momentums of his own Causal Body, that one's Presence is happy indeed. Then there is set into action the process of purifying and sublimating the Energies of the lower nature (four lower bodies) so that the Causal Body's gathered momentums of Perfection may release it, through and around the outer self.

## **PAUL, The Maha Chohan:**

Within the physical Heart is the Immortal, Victorious Three-fold Flame of God, an actual projection of the Immortal Flame within the Heart of each one's own "I AM" Presence. As the student turns to his own "I AM" Presence in Love, Sincerity, Humility, Reverence and Gratitude, he naturally begins to draw more Light into his outer self, through the Silver Cord which connects the Flame within his Heart with that of his "I AM" Presence. This added Light increases the Size, Power, Efficacy and Radiation of the Flame within his physical Heart. Then through the Silver Cord, the "I AM" Presence begins to rhythmically release the Powers of Its own Causal Body. Each one of the student's four lower bodies is carefully tested to see how much of this added Power and Energy it can assimilate, Harmoniously control and Radiate constantly.

The "I AM" Presence, with the assistance of the Holy Christ Self, acts very wisely in allowing Its release of added Energy and Power to the outer self. As a man tests the strength of a Plank before putting his weight upon it, so do the "I AM" Presence and Holy Christ Sell release a little added Understanding, Power and Energy at a time. Then they "test" the capacities of the four lower vehicles and the outer consciousness to use them wisely; to guard them well and to sustain their action by self-control. If the chela proves himself capable of harmoniously sustaining and using such a release, the next rhythmic outpouring will be greater. If the chela's lower vehicles and outer personality cannot or will not in Grace and Reverence, accept the responsibility of such added Gifts, the "I AM" Presence must wait until such time as purification of those bodies has taken place and the sublimation of the soul, selflessness of the personality makes the condition possible for the gradual but steady externalization of the Glory of the Causal Body through such a one.

## **SERAPIS BEY:**

The subject chosen by Our Lord Maha Chohan for this release is the development of the receptivity of the outer self to receive and externalize the Causal Body. This is a subject dear to My Heart. As Beloved Jesus said: "*Ye cannot place new wine in old bottles*", so I say that you cannot magnetize and Radiate the Gifts of your own Causal Body until you have purified the Energies of your four lower bodies. When this purification has taken place, the natural activity of your own "I AM" Presence (through the kind offices of the Holy Christ Self within your Heart), will be to channel through your Silver Cord into the Flame within your Heart, those Gifts, Powers, Momentums and Talents (previously gathered momentums of good of your own Lifestream) which you, and you alone, can release to Bless this Earth. Purification takes place through the conscious determined, persistent use of the Violet Transmuting Flame and other Purifying Powers of the Sacred Fire which you have been taught. It also takes place through conscious sustaining of Harmony in the outer self so that the dislodged, Transmuted impurities are not replaced by more impurity generated through destructive use of the Free-will. Some good students use the Sacred Fire but do not guard against the re-creation of similar discords. Others endeavor to maintain Harmony but do not utilize the Powers of the Sacred Fire to remove the causes and cores of inharmony. BOTH exercises are essential to sustained personal Mastery.

## **HILARION:**

Even as no two snowflakes are alike in their Beauty of Design, so no two Causal Bodies of Cosmic Masters, Angels or men are alike. This is because Free-will has allowed the Individualized "I AM" Presence to use Life to develop any facet of God's Divine Plan. The activity which has taken the greatest amount of Energy, attention, time, interest and Service through the ages will create the largest band of color in the Causal Body and the various other activities which have also engaged some of the Energies of the Individual will variegate the size of the other bands of color as well.

Thus the beauty of diversification of expression is manifest in Heaven and will be manifest on Earth when man knows of a certainty that the Christ in every individual naturally, in time, will externalize the Glory of his own Causal Body for the Blessings of the entire evolution. The differences among the outer minds of men appear because of their seeming inability to cognize the TRUTH that the Holy Spirit (Nature of God) is expressed in many ways. As long as those ways are Loving, Beautiful, Harmonious and Constructive, they are truly expression of the individual's own Causal Body through the outer self. The demand that all expressions of the Holy Spirit be the same is as ridiculous as a demand on nature that all flowers, trees, vegetables, fruits, etc., be exactly alike. It is the very diversification of expression of God's Nature which makes for the Beauty of Heaven. However, many take this phase of the Law as giving them "license" to obey any prompting of the outer self. Here should be drawn the line of discretion, discrimination and God-Intelligence!

## **JESUS:**

It was My Mission on Earth to externalize the Holy Spirit of My own "I AM" Presence. Thus I was required to keep my emotional, mental, etheric and physical bodies absolutely at Peace so that the Holy Christ Self could easily draw from My Causal Body and externalize, as My personal aura, the Gifts and Powers of Perfection which I had developed through the ages. When I had proven Myself capable of so expressing My Divine Nature, I was given the added opportunity of drawing upon and externalizing the Nature of the World Teacher, Lord Divino, (now the Buddha) as well. There are unascended Beings today who can and shall have like opportunity to not only express their own Perfected Causal Body through their outer selves but also offer their Lifestreams as Conductors for Cosmic Beings and Ascended Masters to spread Their Radiations through the evolutions dependent upon God-help to rise out of present limitation. For each one so desiring to serve thus, I offer My humble assistance. I know The Way, for I have trodden It successfully before you. If you wish My Hand to help you upon your Path, "ask and ye shall receive!"

**SAINT GERMAIN:** You must learn to think of your Causal Body, not as just bands of color, but as Living, Intelligent, God-qualified Energies and Virtues which await expression through you NOW! It should be of encouragement to you to know that these Virtues are already at your command. In the silence of your room, turn your attention to the Holy Christ Self within your Hearts and invoke It to magnetize and externalize the Gifts of your Causal Body through your outer self NOW! I CHALLENGE YOU TO DO THIS EARNESTLY! It is truly the requirement of this World Hour.

**In the Name and by the Power of the Victorious Presence of God which "I AM" without limit, I invoke all the Powers of the Sacred Fire to purify your outer consciousness and the Substance and Energy of your four lower bodies. They shall become and remain Grails for the glory of God to flow into and manifest through you NOW! I invoke the Holy Christ Self within your Heart to expand the manifold Gifts of your own Casual Body to hasten the externalization of the Golden Age of Freedom NOW!**

## THE LAW OF THE CIRCLE

### **AEOLUS:**

The use of primal Life is a Gift given to each self-conscious intelligence by which that intelligence (with discrimination and wisdom) may learn to qualify that Life in a manner that Radiates Comfort into the Universe, bringing back similar comfort on the return current of the sender's qualified Energy. The initiative of the individual intelligence in the use of primal Life prompts him to qualify that God-Gift, send it forth, feel the result of its return and thus, through experimentation, learn the joy of using Life constructively. This initiative is another Gift of the Giver of Life - Free-will! Without Free-will and discriminative selective Powers of thought and feeling, no intelligence could become a conscious co-worker with the Cosmic "I AM" Presence and Those Who serve with It in expanding the nature of God on every Plane.

### **EL MORYA:**

It is the opportunity and obligation of the Brothers of the First Ray to help any self-conscious intelligence to find within himself the Will of God. It is not Our Purpose nor Our Service to cause any such intelligence to lean upon Us for directions, which would ultimately weaken, rather than strengthen, the development of the intelligence. We KNOW God's Holy Will and, when invited, proffer suggestions and counsel which any individual is Free to accept or reject, according to his own development and capacity to receive the Wisdom therein.

No True Master or Guru (Ascended or otherwise) will weaken the discriminative faculties of the chela; but rather, such a One will strengthen and encourage the development of such faculties by gradually directing the outer self toward the chela's own Intelligent Mentor within himself (The Holy Christ Self). Many, however, use this very Freedom to exploit and externalize some personal motive. The few expand in consciousness and Grace through proximity to the Master and the manifest expression of such expansion of Divinity is True Humility which Radiates from the Heart and is not a garment thrown over the deceptive vesture of Spiritual pride and desire for "place" in the world of form. Think on this!

### **KUTHUMI:**

The Law of Cause and Effect (called by some "karma") is really a tremendous opportunity for the individual to learn how to use the Priceless Gift of Life. By the distress he experiences after placing his hand upon a hot stove a child learns to avoid burning himself in the future; so does the student of Life learn how to avoid setting up causes of future distress through the generation of inharmoniously qualified Energy in any one of his four lower vehicles. Such a one then is not struck by the impact of returning Energy of an unhappy and discordant nature. The more advanced the student, the quicker does the Energy sent forth by him return with more of its kind.

### **PAUL, The Maha Chohan:**

Even physical science now agrees that all form is in constant motion, including so-called inanimate objects. They have explored the nature of form only in the physical world. The pioneers on the Spiritual Path discovered that all form on the Higher Planes is also in constant motion. The Radiation directed forth from that form takes on the quality of the self-conscious Intelligence Who is directing it; or if it is a so-called "inanimate" object the Radiation released from it is that of its Designer and possessor. Therefore, when We counsel you on the development of more and more Divine LOVE in your nature, We know whereof We speak. We see the movement of your Energy through thought, feeling, spoken word and action and We know that the movement of that Energy will be in circular motion. Thus, if this Energy is allowed to go forth inharmoniously qualified, the sender of that Energy will experience distress on the

---

*return current of his own Energy.* Also, may I say here, that one should be very careful of those so-called "inanimate" objects which previously have been in the possession of a rather destructively inclined nature. This is because the sensitive Energy in such objects has taken on obediently the vibratory action of such a one and Radiates that vibratory action into the world of its present possessor. Through the Knowledge and the use of the Violet Fire of Transmutation, such objects can be purified. They can be re-polarized through Love and thus be raised to a more Perfected State. However, indiscriminate acceptance of Gifts and objects without this process of purification draws much unnecessary distress into the worlds of individuals. Even your present means of exchange - money - affects its receiver according to the manner in which that money was accumulated and the feeling with which it is given.

Places of occupation likewise become saturated with the Energies of all who have served there and should be purified daily by the conscious use of the Violet Fire in order to remove any Radiations of imperfection charged into the Substance of that place. Then such a place should be consciously charged with the quality and feeling of Pure Divine Love. Many scoff at the admonition to purify the Substance in which they move. Yet, remember that *all Substance* is Intelligent and is both absorbing and Radiating constantly!

## **SERAPIS BEY:**

One of the easiest ways of showing the chela the Truth of the Law of the Circle is practiced in the Ascended Masters' Retreats. A Circle of Energy is formed around the periphery of the emotional world of the student and then he is allowed to project his Energy forth within that circle. When the chela's Energy touches the periphery of this circle, it literally bounces back, and the chela instantly feels the result of his own qualification of Life. In the usual course of Life, no such small periphery is provided and the length of time through which the individuals passes (usually engaged in other occupations) is such that he has forgotten the cause set up within himself which produced the unpleasant effect. Then, as a rule, he is surprised, chagrined and rebellious when the circular current returns as a distressing experience.

In Our schoolrooms at Inner Levels, We have set up laboratories as described above, wherein any individual desiring to learn the Truth about the action and reaction of Energy may experiment in a small concentric ring which returns his Energy quickly. I decree that this manner of teaching may soon be made available to the earnest chelas outside the Retreats. It surely would quickly teach the Wisdom of right qualification of primal Life.

## **HILARION:**

We are well pleased with mankind's recent scientific research which has discovered the constant motion of all Energy. The metaphysical discovery of such motion on all Planes will soon follow. Then man will know the Truth of Beloved Jesus' words: "*As a man soweth, so shall he also reap*".

The fact cannot be too strongly emphasized that Energy, from the smallest nuclear Center to the greatest Sun, is intelligent; also the fact cannot be stressed too much that Energy in the lower Planes is obedient to the creative Centers in man. The qualification of Energy creates a cause - that cause is directed into the Universe and creates an effect...the effect is directed back toward its creator and the creator's reaction to that effect (emotionally, mentally, etherically or physically) creates another cause. **Thus you have circles within circles.** Accepting the return current of Energy as having emanated from oneself, the creator then learns quickly that it is wise only to send forth from his world constructive causes; also that he should gracefully receive the effects of previous causes and not start a chain reaction whereby a new series of both causes and effects are set into motion. Some earnest souls have

# THE MASTERS OF WISDOM SPEAK

BOOKS ONE AND TWO

A New Age Church of the Christ Publication

---

misinterpreted this Law by just accepting the distressing return of their own misqualified Energies, piously say, "It is God's Will"! Others rebel and cry: "There is no God"! These are two extremes of human reaction which must be illumined and corrected by The Brotherhood of Truth through patient teaching, counsel and example!

## **JESUS:**

My Mission came at the close of the Mosaic Dispensation wherein the Doctrine of "an eye for an eye and a tooth for a tooth" was accepted as Law. It was My Service to teach the possibility of transcending personal karma through the use of mercy and forgiveness. My words (St. John 20:23) "*Whosoever sins ye shall forgive, they are forgiven; whatsoever sins ye shall retain, they are retained*". The Power of forgiveness applies to every man. When an individual chooses to retain grievances against persons, places, conditions or things, he retains the distress. When an individual chooses to release such grievances, the erring party, as well as the forgiving one, performs the mystic rite of Transmutation of the inharmonies which tie Lifestreams together for centuries, making both bitterly unhappy by such restraining bonds. FORGIVE! FORGIVE! FORGIVE! Thus you shall set yourself and all who have injured you Free from unhappy bonds that must be transmuted so that all the individuals involved may rise to greater Freedom and happiness!

## **SAINT GERMAIN:**

The Knowledge of the Presence of the Violet Fire; Its use and the feeling of the acceptance of Its efficacy are so important to the earnest chela. Mercifully, individuals do not remember all the various activities in which they have been engaged through the ages. Energy, however, does remember and remains qualified by its original creator until it is consciously Transmuted. The human Kingdom, the bird Life, the nature Kingdom and the animal Kingdom are all bound by innumerable connections created through aeons of association. The safest and surest way of Freeing the soul from the fetters of unpleasant associations (most of which are not even known to the outer self) is to sincerely and deeply Call on the Law of Forgiveness for all misqualified Energy all the way back to the time of one's individualization and to ask the Angels of the Violet Fire to assist such a one to truly want to forgive and then truly accept forgiveness. Thus the Law of the Circle can be a happy experience, when the student creates and sends forth only constructive causes and then subsequently reaps, of course, only happy effects.

Slowly but surely there is dawning in the outer consciousness of the comparatively few interested in the use of the Violet Fire the realization that the Power of Transmutation (perfecting the quality of one's own returning Energy or projected Energy from another Lifestream) is a possibility. By practice, the outer self will become more cognizant of such Power of Transmutation and the binding laws of karmic retribution will no longer restrict the aspiring Lifestream. The Individualized "I AM" Presence WILL HELP in this Transmutation when called into action to do so and thus save the outer self even the knowledge of much of that wherein he erred. Remember "to err is human; to forgive is Divine"!

## **AEOLUS:**

Students of Truth know that Purity of manifestation stems from Purity of cause (that cause often at inner levels). It would be wise to ponder the great Gifts of the Directors of the Forces of the Four Elements particularly known and utilized by mankind - Fire, Water, Air and Earth! If it were not for these Mighty Beings and Those who Serve with Them, the Nature Kingdom could not and would not provide an atmosphere in which the physical bodies of man, bird and beast could survive. The Clarity of the atmosphere, the refreshing Purity of the water element, the fecundating Powers of the actual Substance of Earth and the Light by which the evolutions evolve in the Earth, upon its surface and in its

atmosphere, are due to the Gifts of Service by the Directors of the Forces of the Elements and Those Beings Who help Them to dissolve the effluvia of mankind's distress, so that Life can be sustained upon this Planet and have opportunity to fulfill Its Divine Plan. Serving, as I do, with the Nature Kingdom, I AM Eternally grateful to These Beings for Their Patience, Constancy, Love and Service in this regard.

## **EL MORYA:**

The Will of God is that every Lifestream belonging to Earth's evolutions and all Its Guardian Spirits return to the Pure, Divine Pattern in which they were originally Designed and from which they voluntarily departed, gradually descending in consciousness into a state of great impurity. Most of mankind have even forgotten what they are supposed to be! Therefore, it is essential to keep before mankind a constant reminder of the Divine Image in which they were made, until the outer mind and feeling can accept that Divine Pattern of God-Perfection. Then, truly, they begin the self-conscious task of returning to that Pattern, expressing It as Beloved Jesus did - right here in this physical appearance world for the Encouragement, Upliftment and Blessing of all Life!

## **KUTHUMI:**

It is well-nigh impossible to express Perfection unless one has a Pattern or Design to follow! That Design was provided when the Godhead created man in His Own Image and Likeness. The Service of the Second Ray is to remove the clouds that obscure the Divine Image and allow man to see, know and accept that Image. Then, through whatever applications are best suited to the individual, he must endeavor to re-create that Divine Image through his emotional, mental, etheric and physical vehicles. To this end, The Brothers of the Golden Robe, under the direction of The World Teacher, study the evolution of each Lifestream who professes a desire to return to his or her God estate. Then a course of study and application is provided for such a one (usually through a natural channel - books, teachers, etc.) to see if the desire is to be coupled with endeavor. There are many "wishful thinkers" who enjoy contemplating a Kingdom of Heaven on Earth but there are not so many who wish to start WITH THEMSELVES in establishing a manifest example of the Divine Pattern here on Earth. The "steps" (lessons learned from Life's experiences) upon which the chela rises out of the impurity of wrong thought, feeling, spoken word and action are provided only as the motive of the chela signifies his determined desire so to rise. Many Spiritual pilgrims are content to rest for many Lifetimes upon one "step" considering it the ultimate and until that individual, through Free-will, desires to go higher, We cannot intrude.

## **PAUL, The Maha Chohan:**

The Brotherhood of the Third Ray are particularly concerned in drawing forth the Purity of expression of each Lifestream from the Immortal Three-fold Flame of God, "I AM", within each Heart. We are privileged to see the Divine Plan of each Lifestream, the potential Talents and Gifts which are God-ordained to find expression through all mankind. Thus, like the Sun which warms the Earth and encourages the growth of the seeds planted for a future harvest, do We stand by ALL people and whenever possible, endeavor to help them express this Divine Plan. Many among the human race, enjoying the pleasures of the day, do not even want to know what their Divine Plan is. Others, whose Immortal Three-fold Flame has expanded to a point where Its Gifts demand expression, have selfish motives of personal aggrandizement, glory and homage in the perfecting of their Gifts. Few really desire to use these Gifts for the Blessings of the entire evolution. The amount of assistance We can give is always determined by the hidden motive (often obscured from the outer mind). When the individual truly wants to LET GOD, through him, have His Own Way, We are Free to give unlimited assistance. I strongly recommend that the sincere student ask the Divine Complement of the Beloved Elohim of Purity, Blessed Astrea, to remove the cause and core of all selfish motives within the Lifestream, so that

We may give Our full and unlimited assistance to such a one in his desire to become the manifest expression of what the Godhead has foreordained that he manifest. When these selfish motives are removed, then are We given much more Freedom to assist such a one to the fulfillment of his goal!

## **SERAPIS BEY:**

At Our Focus is provided the Retreat where the chelas are allowed opportunity to Purify their four lower bodies. Here, if the chela is strong enough, constant enough, humble enough and faithful enough, the disciplines, application and necessary instructions are given by which the chela can and does sublimate (refine by Violet Fire) the impure Energies in the four lower bodies; which purification then manifests through the physical form as self-luminosity. Let Me warn the chelas that, IT IS THE INNER BODIES wherein lie causes and cores of the most distress. These inner bodies require purification even more than the physical vehicle, for that is but a depository of all thought, feeling, spoken word and deed; the individual's present use of Life and the memory of his past expressions of such use of Life during his long Life-course. Many an ascetic, crucifying the flesh vehicle with abstinences only builds up a 'Spiritual pride' in such practices; while the cause and core of impurity lies like a coiled serpent waiting to spring forth at any moment and destroy his so-called "advancement".

The Beloved Astrea has offered to remove the cause and core of all known and unknown impurities in the Lifestream, back unto the beginning of time! Wise is the man who invokes Her, does not fear Her and accepts Her Service. Astrea, until recently, was not known outside the Ascended Masters Retreats but I assure you all who enter Our Focus utilize Her Service if they remain. When the cause and core of impurity are wiped from the Lifestream, Beloved Archangel Gabriel can then, easily, part the human veil and allow the outer consciousness to see and know his own "I AM" Presence! Once the individual has looked upon It and seen what he can again become, he seldom slips back into the soul-sleep of the ages but continues in his endeavor to express the Perfection of the "I AM" Presence on Earth, where he has been ordained by Life to Serve.

## **HILARION:**

Purity is a dual expression of feeling. First, it is a positive desire to express and be that which the Godhead desires one to be, second, it is a state of "Listening Grace" to accept the directions of the individualized "I AM" Presence and the Masters Who desire to help such a one. Sincerity alone is not sufficient to express Divine Purity. I, as Saul of Tarsus, was sincere in My conviction that persecution of the Christians was a great Service to Life. "Grace" came to me through the kind visitation of the Lord of the Christian Dispensation, Beloved Jesus, and thus my sincerity was illumined. I was then enabled to use My developed quality of sincerity to further, rather than obstruct, the fulfillment of the Divine Plan. There are many etheric records in a soul who has lived for many ages of time. These will often prod the individual to courses of action which are sincere in motive but yet impede the progress of the Divine Plan.

Wise is the chela who invokes the assistance of the Divine Beings Who can help him to know, feel and express his own Divine Plan, rather than emphasizing what, to his limited consciousness, is the right thing to do!

## **JESUS:**

Truth and Purity are almost synonymous so far as manifesting the Divine Pattern of the Godhead is concerned. Before taking embodiment it is quite easy to see, cognize, accept and desire to cooperate with the Divine Plan. Thus, so many volunteers embody with zeal and enthusiasm, determined within themselves to forward the evolution of the race. Destructive karma and personal impurities, however,

often impel such dear ones to distort the Vision and Design when once they are embodied and placed in a position wherein they may be of real assistance to The Father and His Spiritual Brotherhood. Now We are engaged in a World Endeavor to remove from those who really desire to serve God, the causes and cores of those impurities accumulated through the ages. Then the Victorious outer manifestation of the Divine Plan to which they have dedicated themselves at Inner Levels, will be expressed more quickly and God's Will be done on Earth as It is in Heaven!

## **SAINT GERMAIN:**

One of the great activities provided by the Cosmic Law of Mercy and Love to Purify the inner and outer vehicles of mankind is the Violet Fire of Mercy and Sublimation. It is My Honor to assist any sincere student to use the Violet Fire if they will ask for it! The Violet Fire is a natural element (invisible to most) but nevertheless Powerful in purifying the Substance that the individual has drawn into the forcefields of the electrons which make up the atoms of the four lower bodies. Please invoke Its use! I shall help you!

## **GEMS OF WISDOM**

### **AEOLUS:**

The ideal Balance for the most rapid Spiritual Development, is individual application leading to Self-Mastery, coupled with active Service, according to the developed consciousness and capacity of the student. In all endeavors to raise mankind again to his natural God-Free estate, the safest, surest and most efficacious progress is made on the Path recommended by Lord Gautama: "THE MIDDLE WAY". Mankind, through the ages, has swung to both extremes of either too much absorption in self or absolute neglect of self in a Cause. We recommend the balance between the two.

~~~~~

It has not been without great thought and prayer and contemplation that I chose to gather within My own Arms the Cosmic Dove, and endeavor to blend Her gentle Presence into the tumultuous Energies of the Western Hemisphere, hoping that within those Energies might be formed a Canopy of Life by which protection and sustenance of My Teaching might endure unto the day when from the Hearts of many men and women would rise replicas of that Dove, signifying the Purified souls awaiting the Cosmic Baptism of the hour. It is in these days we stand.

Many Watchers look for the Dove of the Holy Spirit woven out of the Energies of the evolving ego, and no matter how poorly Designed are His Wings and His Form, where even the vaguest outline of His Presence is discernable from the cloudlike mass of chaotic Energy ,there I AM until there is developed a Clear and Pure enough externalization of the Inner Light that I may summon Lord Divino and say, "*This son or daughter is ready for the Spiritual Baptism of the Christ*".

~~~~~

Much has been written about the Holy Spirit and yet a full understanding of the "Essence of the Holy Spirit" has not yet been set forth. The HOLY SPIRIT is a Radiation of the Power of Divine Love; the Highest Vibratory Action that can be achieved by any Lifestream in any system of worlds. It is the natural expression of the Godhead and every Perfected Being who dwells within the Heart of Eternal Life.

To be imbued with the HOLY SPIRIT is not to receive a foreign Power into one's Life but to raise the Vibratory Action of one's Lifestream to a point where the Life Principle of that Lifestream EXUDES the Essence which has been qualified as the Power of the HOLY SPIRIT.

## **EL MORYA:**

The Will of God is to externalize the Perfection already existent at Inner Levels. To draw the Visions, Ideas, Patterns, and Plans into the world of form, that have already manifested in the Kingdom of Heaven, is the Service that can be performed by really sincere, practical, willing students on the Path. Many students prefer to contemplate Perfection in the abstract sense, but are not willing to consecrate their personal Energies to drawing forth the Perfection for the Blessings of mankind. The few who are so willing become the joy of My Heart. To them, I look for accomplishment.

~ ~ ~ ~ ~

THE COSMIC LAW allows only so much of the God Plan to manifest in any evolution as can be drawn through the consciousness of some members of that evolving body. To gain the attention, interest, comprehension and loyalty of unascended Beings is the first step. Here, We are required to secure the acquiescence of the Karmic Board before We can employ any extraordinary means to connect Our Consciousness with the chelas. The more "spectacular" and "concrete" a manifestation is required to even catch the "passing interest" of mankind, the less is the Board likely to grant the request of the Master, because the tremendous expenditures of Energy involved in such an endeavor rarely are balanced by the good done. When a Chela can be found who will respond wholeheartedly without requiring that we literally do "handsprings" upon the theatre of his own choosing, there is a "possibility" of securing a single opportunity to reach through the veil in a tentative offer of friendship and cooperative Service.

~ ~ ~ ~ ~

BROTHERHOOD is One-ness. One-ness is God-ness. When any member of My Household considers any part of Life apart from him, he leaves the consciousness of the Holy Spirit and in that act of mind becomes again a creature of maya - the screen of falsehood that reflects many selves - one superimposed upon the other.

## **KUTHUMI:**

The Wisdom of God is to become still enough to perceive, comprehend, absorb and understand the Will of God before rushing forth into zealous Service. The wise man, sincerely desiring to further the Cause of God's Design, learns first to humbly apply to the Fount of Knowledge, communes with the Holy Christ Self, and receive Its Wisdom, Its Strength, Its Directions. Then, consecrating his Energies to externalizing that contemplated Pattern, he becomes of use to the Spiritual Hierarchy because his Energies are one with the Will of God and his endeavors will supplement the endeavors of every Member of the Spiritual Hierarchy working toward the same Glorious Fulfillment of the Divine Plan.

At Inner Levels, there are Great Angelic Beings who are called the "Watchers" for the expanding Light within the souls of men. These great Brooding Spirits are constantly looking at the evolving consciousness of the human race, and whenever the slightest flicker of expanding Light, which signifies a desire for Understanding and God Truth, is seen, the Watcher sends an Angelic Being into the aura of the individual and this Angel brings back the report as to the nature of assistance which the individual

requires. All of this Protection of the "sleeping masses" comes under the Second Ray. Then, when the individual signifies his desire to set foot on the Spiritual Path, and he is separated from his sleeping brothers by expansion of his Individual God-spark, he must be placed in an environment which will enable him to expand that Flame most rapidly. With the cooperation of the Higher Mental Body, a particular Guardian of His Spiritual Progress, through his outer consciousness is assigned by myself to assist him.

I wish to give you the prompting that always by the side of the earnest seeker will stand a Brother or Sister of the Golden Robe if you choose to invite Him; and as you proceed into an understanding of the Voice of the Silence, that which makes you Humble, that which makes you Selfless, that which makes you Loving, that which makes you Pure, that which makes you Harmonious is of God.

The feelings that stir within your Hearts that desire to make of this star a Planet of Light, to relieve the burden of your fellow man, to raise those in pain and distress into Understanding and Harmony...that is of Light. That which decreases the personality and increases the Power of the Christ...that is of God!

## **PAUL, The Maha Chohan:**

Students sometimes forfeit great opportunities to use the developed talents, momentums, natural capacities and actual Substance which are already there to utilize, waiting for a Great Opportunity, a spectacular summons from the Masters. Thus, precious months and years fly by and an individual, convinced of his own sincerity, loses the precious Cosmic Moment when Energies might have helped to turn the tide of an entire evolution toward greater Spiritual Victory and Accomplishment.

How many Lifestreams who were fortunate to live at the time of Jesus' Ministry did not recognize their individual capacity to assist Him to greater efficacy in His Service! Looking back through the glamorous folds of time, those same consciousnesses affirm with feeling that if they had been there they would have protected, assisted, supplied and promoted His endeavors. Yet, they were there! We are again in such auspicious moments of Opportunity.

Let the wise be alert to the present! The necessity for quieting the vibratory action of the inner bodies cannot be over-emphasized to the student intent upon rising above the consciousness of the outer self. The rapid and erratic motion of the various vehicles through which the soul functions makes it almost impossible for the clear, concise, directions of The Presence to anchor into the consciousness with sufficient intensity to promote action of a constructive nature that is consistent and permanent. You have all had the experience of trying to make yourself heard over the babble of voices in a large room. This is the position of the Christ self awaiting courteously for opportunity to reach the outer mind and enable the personal self to cooperate with the Fulfillment of the Divine Plan of that one's Being. The stilling of the mind, the feelings, and the physical body, even for a few moments several times a day, is a commendable practice for the aspirant toward Mastery.

## **SERAPIS BEY:**

At My Focus, the student is examined for present worth to the community as well as future worth to the evolution of the Planet. His developed consciousness is employed to sustain and expand the endeavors presently occupying the Attention and Energies of The Brotherhood. At the same time, he is being trained to develop a more mature, creative, self-controlled consciousness for future Service. We do not allow any applicant to remain who is not willing to invest his present talents in the Cause of world good, on the false assumption that the development of greater personal Powers will later be offered to The Great White Brotherhood. The very fact that such a one desires to place his talents, worth and

consciousness at the Feet of God only at a later date is a clear statement that any future developed Gifts and Powers will likewise be with-held for self. These individuals we cannot use.

~~~~~

When the thought and feeling consciousness of man created an outer ego apart from the Higher Mental Body, the soul as a separate entity was born. This soul is the accumulated consciousness resulting from the experience of Life both during the time of incarnation, as well as between embodiments. While embodied, the soul dwells in the physical garment, and at inner levels usually functions in the etheric body. With the soul dwells the Immortal Flame of Life and one day the soul and this Flame will again become One, and the Transmuted soul consciousness will no more be as a "separate Being apart from the Christ Self".

The God Presence through the Heart Flame ever seeks to draw the soul and the personality together and raise both to the highest possible manifestation in each earth Life.

When an Opera is sung, the Quality which is its predominant theme is greatly amplified by the Music Temples and their Attendants, and from the central focus where such music is presented, Angel Devas and Cherubic and Seraphic Hosts carry the Rays of the opera into the city, state, nation and earth. Great buildings that have housed the Musical Genius of the Race are, of course, over-shadowed by Devas and Builders of Form, who cooperate with the officiating Cosmic Temple in this Service.

## **HILARION:**

I serve with the Lifestreams who have True vocations (individuals whose inner consciousness is developed to a point where they desire to channel their Energies into a specific Service to Life). These men and women are born with pre-dedication to some channel of expressed Service, such as teaching, nursing, preaching, etc. Even as children, they are strongly drawn toward developing the capacity to be of Service to Life on a particular Ray of expression. They seek out the consciousness who can assist them in receiving both knowledge and practical experience to make them proficient along these lines. They are consecrated at inner levels. Their Energies are Blessed by the Beloved Archangel Raphael and Myself, and the Life which flows into their Hearts filling their worlds is Blessed indeed.

Individuals who have a Spiritual Vocation find no happiness unless allowed to follow the dictates of their Hearts in this direction. Conscious chelas and students of The Masters fall into this category. The experiences of Life and the promptings of "conscience" continue to prod the student until he comes into some line of Spiritual Teaching where this soul thirst is assuaged, and he feels himself upon The Path of his own choosing. However, here, the Spiritual aspirant often falls short of the layman with a vocation of much less value to world evolution, for the student does not always recognize the impersonal law which says to every man - "serve as you learn". The intern in the hospital, the student nurse, the novitiate in the convent, the student priest or minister, accepts this Law in happiness knowing that in Service much of his Knowledge and development will come.

The Spiritual student, however, from a sense of pride or a mistaken notion of the Law, oftentimes "wiles away" a Lifetime on metaphysical contemplations and abstract studies, while The Brotherhood Whom he professes to Love is denied the practical assistance of his present developed Energies, Talents and general strength and wealth of consciousness. These men and women fail on the first Initiation which is "practical works make further knowledge available".

Each Intelligent Being qualifies to live in a Sphere of Activity similar to the natural vibratory action of his individual consciousness. Thus every man makes for himself, through the creative Centers of thought and feeling, a personal environment...a Heaven or hell. When the individual has learned to master the Energy that flows so Freely through his own vehicles, He qualifies to enter a Sphere of Perfect Harmony and is qualified to ascend out of the world of form. If the individual does make this conscious Ascension, he no longer can participate in the evolution of those in the realms below him, except through the consciousness of chelas and pupils who volunteer to allow the Emancipated Being the use of their Energies toward the evolution of some particular Cause. When no such individuals are found, the Master must await incarnation of some pupil to continue his endeavors.

## **JESUS:**

My Ministry was one of action. Every day before I left the house, great numbers of people had gathered, primarily to receive relief from all manner of discomfort and disease of mind and body. Very few came to learn the application by which I had achieved such Powers to give surcease from distress. I had learned never under any circumstances, to go forth to serve until I had first ANCHORED my consciousness, feeling and self in THE PRESENCE OF GOD. Only when I was firmly established in that unshakable Faith, that indestructible Fortress of His Power and Presence, would I endeavor to convey that consciousness of His Goodness, through words and works, to my fellowman. Earnest men and women, filled with zeal and enthusiasm, often rush forth without such personal contemplation and communion with the Godself. Then they are overwhelmed and swallowed up by the appearances of evil which mankind not only unconsciously cherish but Energize by their strong faith in the Reality of the chains that bind. Wisdom is to pursue the Middle Way. Learn the Nature of the Father, not only in shifting Energies of the outer mind, but in the deep Centers of the feeling, and in the fear-charged atoms of the flesh. Then no appearance will shake the foundation of Faith in God and the appearance will yield to the one so armed in Truth!

~~~~~

I long so to convey That Peace that comes from Perfect Trust in Him to the children of earth and to their parents. I long to have an atmosphere of Loving Confidence in the Power of God...God as the natural atmosphere of every home and school and every institution where the little ones have no fathers and mothers to guard them. If the Lifestreams could live in that Surety - the Security - that Acceptance of The Father of Good until they were seven years of age, no appearance could ever completely control their Energies again. This is the Dispensation My Mother and Kuthumi ask of Life, and I place before the Karmic Lords My Energies as Sponsor to fulfill it.

## **SAINT GERMAIN:**

Ordered Service is the activity of the Seventh Ray which it is My Privilege and Honor to introduce to the consciousness of mankind at this time. Every activity of Life draws some of the primal essence and Energy of God into the qualifying consciousness of the individual. The use to which that Life is put determines the conditions of the individual's aura and world. It is My hope to teach mankind to qualify this primal Life in a balanced, orderly manner to fulfill the Divine Plan. Each activity of the day must become a Ceremony of Dignity, Harmony and Perfection. Further, chelas must be alert to opportunity to use their Energies to forward the activity of the present moment and not spend these vital hours in contemplation of a future Service - for there is only the ETERNAL NOW. My Beloved Complement is known as The Goddess of Opportunity and I cannot stress too much, to those who profess to Love US, that Opportunity is standing at the Door of this Glorious New Age, inviting the consecrated Energies of

every sincere and earnest one to Serve, according to the best of the present abilities, meanwhile utilizing the applications given to make future Service more efficacious in Our Name.

In the Cosmic Order dedicated to developing the God Nature of men and Planets and systems of worlds, We are allowed full Freedom to turn the attention of Our Individual Beings toward whatsoever Sun or Star in which We choose to invest Our Life Energies and Attention. I have chosen the sweet earth, turning on its bended axis, hopefully raising its face in each daily cycle - for a time - toward the Sun!

Someday the cry of pain and the Petition for Comfort will become the Song of Freedom, and every Lifestream wear the Robes of Freedom and move forward the God Being which is their individual and pre-ordained Destiny.

TRANSMUTATION - TRANS SUBSTANTIATION - DIVINE ALCHEMY, when boiled down to their natural activity, are merely the CHANGING OF THE QUALITY OF ENERGY CONSCIOUSLY. All men do this unconsciously, some with constructive results, bringing Peace, and Happiness to the Energy of one who is worried or distressed; others with unhappy results, taking the Energies of one at Peace and by driving discordant feelings into that Energy make it literally "boil" and I have seen Energy BOIL on many occasions! BUT CONSCIOUS TRANSMUTATION of Energy is the Activity of the Seventh Ray. It is the drawing Energy into a form (just as a musket is loaded) and the releasing the "spark" by which the Energy is released to accomplish the required results. It is scientifically accurate and when students understand this, better results will be forthcoming. If there is no channel (worded Decree or Visualized form) the Energy is not condensed enough to do the work.

**END OF BOOK ONE**

## **PREFACE TO BOOK TWO**

Life is a Gift from God! Life, therefore, is intelligent and does respond to direction. Life is obedient to man because God (by whatever Name you choose to call Him) directed the intelligence in Life to obey. Life is immortal because it is the Essence of God Who is Immortal; given Freely into the creation of Planetary systems, individual beings, and generally...*all that lives!*

Mankind are studying Life. No scientist has yet been able to actually generate Life, although many dedicated men and women have prolonged Life in a particular form. The orthodox people refer to Life as that which "*The Lord giveth and taketh away*". However, they err in their belief that the Giver actually takes away Life. That Life which seems to have been "taken away" is merely summoned to function in a different sphere, still under the direction of the Free-will of its user. You, gentle reader, are one of the billions of souls belonging to this Planetary System who have been given the use of Life, which has obediently fulfilled your conscious or unconscious commands through the ages. The nature of your soul, the state of your mind and bodies (inner and physical) your surroundings and aura are a result of your qualification of Life through the ages. Now We come to a time when you are offered the Knowledge and

## IN GOD WE TRUST

### **AEOLUS:**

The Nature of God is good! Therefore, it is His Will, Desire and Eternal Decree that all His Creations express that goodness in every facet of their experience and in any sphere or Plane in which they are fitted to dwell. The strength of the Spiritual Hierarchy of Ascended Beings lies in Their full acceptance and Trust in God's Holy Will as being Beneficent, Loving, Merciful and always endeavoring to externalize Perfection through all His creations.

The weakness of the outer consciousness of mankind lies in the fact that through centuries of living in the forgetfulness of the True nature of their Divine Source, they have assumed the Will of God to include for them unpleasant and distressing experiences and every type of chastening of soul - expressed as punishment for human mistakes, consciously made or otherwise. In Truth, such is not the case, and it is now the desire of the Beloved God of the Universe that mankind come again into a conscious acceptance of God's Goodness, as well as His desire for Perfection to act to, for and through them individually and en masse. It is the fiat of 1958 issued by the Spiritual Hierarchy that mankind shall accept and feel, as We do, that "IN GOD WE TRUST".

### **EL MORYA:**

The qualities of Faith and Trust are, of course, FEELINGS! There is no self-conscious intelligence which cannot feel, nor which does not have emotions of one type or another. Therefore, each chela must examine himself to find out exactly in what he has placed his Faith and Trust; then, through self-conscious endeavor, each chela must personally try to place and keep his feelings of Faith and Trust in God and His Holy Messengers. Through the use of Free-will, every individual actually magnetizes by the release of his feelings of Faith and Trust, that in which he believes! In order to experience the goodness of God (each one's own individualized "I AM" Presence) right here in this physical appearance world, Faith and Trust in Him must be self-consciously directed toward Him, daily and rhythmically. Then back through that channel so formed by the rising Energy of Faith and Trust in that God Presence, will flow the visible tangible Blessings which will be sufficient proof to any individual of the efficacy of such Spiritual exercise and control of his emotional world.

### **KUTHUMI:**

As Educators of the Shepherds and the human race, We are called upon at this time to emphasize the feelings of Faith and Trust in .God and His Divine Messengers. Herein, again, We must point out the use of God-discrimination and wisdom. Faith and Trust in God are practical and require the loving, willing co-operation of the outer self of the chela, according to his developed faculties. Many well-meaning men and women who are taught to trust God expect to receive manifestations of a super-human nature, without any endeavor on their part to consciously co-operate with the inspirations and directions of God to and through them. They just "lean on the Everlasting Arms", expecting God to do FOR them what He only CAN and MUST DO THROUGH THEM! Disillusionment and discouragement are bound to result from assuming such a negative and childish attitude. The very Gift of Free-will in the use of Life is a sign-post to the alert that they, themselves, must co-operate with the God Who made them and that His Spiritual

Vitality will then sustain their endeavors. As has been said so often - "God needs a body" (through which to serve). The Beloved Ascended Master Jesus was One Who cognized this Truth during His Ministry on Earth and, although He had absolute Faith in His Heavenly Father, Jesus Himself was always (and still is!) practically "about His Father's Business." This Spiritual partnership develops within the chela the strength of his own God-Presence acting through him and the joy of self-conscious creation of Perfection. TRY!

## **PAUL, The Maha Chohan:**

It is in the inherent God-Power within the Holy Christ Self of each individual (anchored right within each one's beating Heart) that We place Our Faith and Trust for the expansion and development of their ultimate Spiritual Victory. The actual concentrated Rays directed from Our Brotherhood nourish and encourage the development of their ultimate Spiritual Victory. The actual concentrated Rays directed from Our Brotherhood nourish and encourage the development in all the particular God-Gifts, Talents, Powers and general mastery along the lines which fulfill their Divine Plan on the Earth Plane. Would that mankind also develop such Faith and Trust in the Ultimate Perfection to be expressed through every member of the human race! Unfortunately, most of mankind judge each other by the outer personality and condemn them on the presence of their personal idiosyncrasies (which are of a temporary nature), rather than judging them as Beloved Jesus once said: "by righteous judgment" (holding the Immaculate Concept of their Eternal Divinity for them).

In this year when Faith and Trust in God are being particularly emphasized, may I humbly suggest that Faith and Trust in the CORE OF GOOD (God) in every man be also incorporated into the earnest chelas' feelings! This does not mean that a discriminate individual should either accept or condone the imperfections of any personality (either audibly or silently), for this is but flattery and does more harm than good. It means that every sincere chela should endeavor to fully realize that within the beating Heart of the personality there abides that Holy Christ Self of Perfection which, when lovingly encouraged, can and will externalize Its God Perfection through that Personality, finally transmuting it completely. Thank you for your endeavors so to do!

## **SERAPIS BEY:**

The subject "In God We Trust" is particularly interesting to Me because I have the Privilege and Opportunity to examine each Lifestream desiring to make the Ascension and to prepare for them the particular Initiations which their inner-most thoughts and feelings require for their Spiritual development and expansion. These Initiations are not punishments, but are opportunities to strengthen the chelas' Faith in God and Trust in His Goodness. Sometimes the experiences which are necessary for this Transformation from the human into the Divine seem extraordinarily difficult, especially when a chela asks that his entire nature be Transmuted in one embodiment; whereas, according to natural Divine Law, he or she might have as long as twenty embodiments to achieve this Transformation! It is the tremendous speed of Transforming the human nature into the Divine which often causes the chela to feel that he is being "tried" beyond the limits of his endurance. Yet, is it not better that what must be done - be done quickly, inasmuch as it must be done sometime? Chelas sometimes "beg off" further Initiations at Luxor under Our direction and prefer to finish their course in a future Life. It is entirely a matter of their own Free-will. Yet, one day, one year - in some embodiment - every such chela will have to complete this Transformation of the human personality and be able to say and feel - as We do - "In God and His Goodness - We do Trust"!

## **HILARION:**

Faith and Trust are particularly interesting subjects to Me. As you all know, at least part of My Service to Life is to help those skeptics and agnostics who have mis-placed their Faith and Trust in some activity wherein they found bitter disappointment and disillusionment. This has left deep scars of doubt, suspicion and unbelief in their etheric bodies and these people are not easily persuaded to use the beautiful Virtues of Faith and Trust in God and His Holy Messengers again! It requires infinite patience and perseverance (both on Our part and their own) to dissolve their self-created "shells" of dis-trust before they will even listen to the sound and balanced Doctrine of Truth, realizing that it was their own mis-placed Faith and Trust which caused the bitter experiences through which they passed, rather than any Power outside of themselves. However, once they have been thus persuaded, then can We begin to present to them the Truth that GOD IS LOVE and, gradually, according to their capacity to accept this Eternal Verity, are they again willing to use their Faith and Trust in God and His Goodness to help them rise out of their embittered and unhappy estate. I am so willing to help any interested individuals on Earth in this Cause which is so dear to My Heart. On your own behalf, or on behalf of your Loved ones, *ask Me for My feeling of Faith in God and Trust in His Goodness!* I shall answer you instantly!

## **JESUS**

In My experience of nearly two thousand years ago, during My Ministry upon Earth I had the daily and hourly God-assistance of that magnificent Faith in the Goodness of My Heavenly Father. Of course, in My Ascended Master consciousness today, that Faith is tremendously expanded and all-Powerfully active. This Faith in God's Power to act instantly and Perfectly through Me enabled Me to bring about every miracle which I performed. Yet, I realized fully that I, Myself, had to set up in My Own consciousness the thoughts and feelings through which the Father could Freely act. Many individuals who sought My aid were wise enough to ask: "*Lord, help Thou my unbelief!*" For this I was very grateful for it enabled Me to help them accept the assistance they required. Others refusing to accept the Power of God acting through Me, could not receive the Blessings for which I was then the channel. Therefore, Blessed ones, in the secret prayers of your own Heart, do not hesitate to ask Me to help your unbelief. I shall do so!

## **SAINT GERMAIN:**

It is not by happenstance that the statement "In God We Trust" has been placed upon the "coin of the Realm" of the American people. It was a Divinely inspired message from "on High" which the masses of the people could (although most do not, unfortunately) read, accept and use in their daily barter and exchange. In this year when the Angelic Host are coming closer and closer to humankind, I say: "IN YOU (the Christ dwelling within your beating Hearts) I TRUST! THAT TRUST SHALL YET BE MANIFEST IN WORKS WELL DONE." So be it!

## **ON SPIRITUAL ASSIMILATION**

### **AEOLUS:**

In every Kingdom the capacity to assimilate the already provided wealth of nourishment is determined by the individual consciousness. The development and Perfection of the individual Being is based on his own Power of assimilation of the God Gifts provided. For instance, two tulip bulbs planted side by side have equal access to the nourishment of the Earth, the moisture of the water element, the stimulation of the air, and the fecundating Powers of the Sun. One will magnetize, assimilate and make it on its own with all these forces and become a magnificent bloom. The other may lie dormant and not fulfill its

Divine Plan through the "Free- will elective". It is likewise True of Angel, man and beast. The process of evolution is determined by the desire for and capacity to utilize the ALREADY PROVIDED SPIRITUAL NOURISHMENT which forms the atmosphere of the soul.

## **EL MORYA**

Certain specific cycles of time allow Us opportunities to focus into the atmosphere in which Our chelas abide, additional Spiritual stimuli which We can only HOPE will be absorbed by their consciousness through Free-will acceptance and assimilation. For instance, at present We are able to open the door to the Ascended Masters' Octave and allow the Cosmic Beings and Ascended Masters to present Their own instructions in comprehensible form to the chelas. How long this cycle will last only the Great First Cause knows. As the cycle of springtime offers particular stimulating currents to the growth of nature, so do Those of Us engaged in developing a race of Perfected Beings, seize upon any beneficent Spiritual tides which can bring Us closer to those through whom We must endeavor to reach the plodding consciousness of the race.

## **KUTHUMI;**

Each individual determines, consciously or unconsciously, according to his Spiritual development, how much of the Spiritual Blessings he will draw into his own soul. The lethargic will not make the necessary effort to magnetize the currents of a Spiritual hour. Thus, in the Ministry of Jesus, millions lived on, absorbing little or nothing of His Presence, and only the few alert enough to grasp that Hour rose on the impetus of the Christ Power into their own Ascended Master Presence.

## **PAUL, The Maha Chohan:**

We can provide all of the Knowledge, the Inspiration, the methods of Application required to make a man God-Free. However, in the final analysis, what each soul does with that proffered assistance (in the privacy of his own Heart) will determine the progress of that soul toward Mastery and Freedom.

## **SERAPIS BEY:**

Nature is constantly endeavoring to remind the consciousness of man regarding the necessity of Spiritual alertness and sustained enthusiasm. There are the two activities manifest in all Life - centrifugal and centripetal force. Each manifest intelligence; from an inanimate object, an Elemental expression in the nature Kingdom, to the soul of man, wields these two Powers to a greater or lesser degree. The durability of a piece of furniture is determined by the magnetic Power drawn by its creator and focused into its building and finishing. If it is put together lovingly, graciously and with symmetry of thought and harmony of feeling it will long outlive a piece of furniture created specifically as a commodity of sale with the motive Power behind its creation being that of securing money. If man, drawing toward himself through the magnetic Power Centered in his Heart, received knowledge, wise is he then to reverently, graciously, rhythmically and enthusiastically build from that knowledge a more Perfect nature in himself and then an impersonal Blessing to his fellowman.

## **HILARION:**

Good health, physically speaking, depends upon the body's capacity to assimilate the nourishment provided through food, sunshine, air, etc. There are many individuals who are "exposed" to all of the Gifts of Nature but who live with impaired physical vehicles because of the incapacity to assimilate the Gifts of Nature provided for sustenance of the flesh form. This is likewise True of the inner bodies which mankind for the most part ignore. If the soul cannot assimilate the Spiritual Blessings which fill the atmosphere, which are brought by the Presence of the Masters and the Angelic Hosts, that soul is "sick" and requires the same assistance that a physically impaired vehicle requires to allow the Gifts of the

Spirit of Truth to enter into, nourish and develop the God Nature. Where students are often sympathetic with those experiencing physical incapacities, there is so often extreme intolerance with regard to the limited capacities of other Lifestreams to recognize, assimilate and accept what (to the chelas) are self-evident Truths. Conscious chelas must realize that it is the healing of the souls of men which is their particular Service in this present hour. When the soul is opened through Grace, Kindliness, Prayer, Invocation and Application to the reception of Truth, there will be no argument nor barrier of bigotry in the ones you desire to help. You cannot drive a soul toward God, but you can lead it.

## **JESUS:**

Let us liken the souls of two men to a small child and a grown man. The wise man will not expect the small child to assimilate as much from the teacher as the mature man. Yet, students so often expect all souls to be in the same state of Spiritual Growth and equally capable of assimilation of Spiritual Truths. If you could look upon a congregation from the inner spheres, you would see the difference in the size of the upraised consciousness its vibratory action, its color, all of which determine how much such a one can possibly assimilate from the Service. Wise is the teacher who invokes the Presence of the "I AM" within the Heart of the very least of his students to help the soul assimilate all that it is capable of accepting and then asks that the soul utilize that nourishment to its own development and the Blessings of the race. This develops a kindness, a tolerance, a loving understanding between the teacher and the aspirants. Overly zealous teachers expect more of some souls than they can possibly give forth. Working impersonally with the Presence of God Who knows the capacities of each soul, the teacher is relieved of the sense of personal responsibility and strain and the aspirants are nourished by the loving understanding of the teacher to whom they look as the open door to the Kingdom toward which their Hearts aspire.

## **SAINT GERMAIN:**

Students must learn to make the Truth they hear and read their own. As the shell of destructive living through the centuries imbeds the mental and feeling worlds of the average man, so much of the Masters' Instruction is deflected by even the most earnest consciousness. With the same care, precision and wisdom that the wise farmer Plants his crops in the springtime knowing that his Life and well-being will be determined by their harvest in the autumn, so should the student plant within the consciousness the Words of the Master, nourish them, pluck out the weeds of irrelevancies, and bring to harvest in his own world the Master's Consciousness. This admonition cannot be given too often for the outer self is inclined to "gloss over" instruction which it has heard before in favor of the unknown. Instruction from the Master is not repeated if it has been assimilated the first time. When repetition occurs, the wise chela stops and knows that he is being "fed again" because he has not assimilated the nourishment offered him previously. Impatience and the desire to "plumb the heights of the Heavens and the depths of the sea" rather than the development of the Christ nature in self, have taken many a chela off the path during a period of particularly auspicious Spiritual Currents. Remember, the Master knows your every requirement and before your soul has called, he will have answered with exactly what you require at that given moment!

Spirit is the True Nature of Divinity, and it is fore-ordained that every child of God must, sometime and somewhere, manifest a Holy Spirit through the Energies of his own world. When the Spark of Divinity signifies that It is ready to begin upon that endeavor, I come to assist in the development of the Holy Spirit of such a one.

## **EL MORYA:**

God, The Father, the Cosmic "I AM" Presence, created man in His Own Image and Likeness. The Son, so created, then was given Free-will to externalize the Spiritual Nature of The Father through his own thought and feeling Centers. Thus, each such Son develops a Holy Spirit of his own. It is the first step upon such a Path when a man desires to "rise and go unto his Father" to become like Him in Nature. Then, We are privileged to assist such an earnest man to raise the vibratory action of his thoughts, feelings and outer self-consciously, so that he becomes a Radiating Center of the Spirit of Holiness.

## **KUTHUMI:**

The "I AM" Presence within every Heart knows within Itself that Its ultimate destiny is to direct, control and expand the Radiation of Love, Harmony, Peace, Purity, Balance, Faith and Beauty. Through the usurping of the Energies of the Lifestream by the outer self, the "I AM" Presence has been denied the opportunity to direct and qualify those primal Energies to Bless all the Life around It. The emotional, mental, etheric and physical bodies of mankind - created to be Instruments of the "I AM" Presence - have become, instead, the directors and qualifiers of the use of primal Life. The resultant chaos, limitation and distress of the individual's aura as well as the world's atmosphere, is a far cry from the natural Beauty and Perfection of God's Kingdom, which is intended to be established on this Earth for the pleasure of man and the Glory of his Creator. Educating the outer consciousness to the proper control of his vehicles of expression and bringing the direction and qualification of Life back to the "I AM" Presence, is part of the Service of the Brothers of the Golden Robe.

## **PAUL, The Maha Chohan:**

A man can learn to consciously control the type of thoughts he allows to enter his mind and which he allows to develop there. By learning to reject and refuse to allow thoughts of a negative nature to enter and dwell within his mind, he raises the vibratory action of his mental world, and it becomes sensitive to the promptings of the "I AM" Presence rather than to the stimulation of the impure thought-patterns which are the product of mass thinking. Such conscious elevation of thought must be practiced and sustained through an effort of Free-will. When the mental body is so elevated, even for short periods of time at first, it becomes a magnet to draw thoughts from the Higher Spheres toward it. These thoughts become the seeds which, if cultivated by feeling, will grow as a Harvest of Beauty in the individual's world and environment. Thus the Spirit of Holiness is externalized by the man willing to discipline his thinking.

## **SERAPIS BEY:**

A man's emotional body can also be trained to reject emotions of violence, anger, resentment, rebellion and to cultivate feelings of Tolerance, Love, Understanding and Compassion. These feelings raise the vibratory action of the emotional world and magnetize the feelings of like vibration Radiated forth by Masters, Devas, Angels and other God-Free Beings. When the mind and the feelings are held upon constructive patterns, the individual is beginning to be a magnet for the Cosmic Radiation of the Spirit which helps him to become a Holy Spirit in himself.

## **HILARION:**

The inter-relationship among the emotional, mental, etheric and physical bodies of an individual cannot be stressed too much. What affects one affects all, constructively or otherwise. Just as a charioteer driving four horses is impeded in his progress by the lameness or incapacity of one of his steeds, so is a man impeded in his Spiritual progress by the insubordination or incapacity of one or all of his vehicles of expression. Therefore, each chela should take an impersonal inventory of the nature of his thoughts, feelings words and action and endeavor to nourish, discipline and develop the particular vehicle which he finds less amenable to the expression of the Spirit of Holiness, through his own aura and world.

## **JESUS:**

Every man created by the Father must complete his own Trinity by reflecting and Radiating the Nature of that Father - the Holy Spirit - through his own consciousness and vehicles of expression. The present purification of the inner bodies of the students will make it much easier for them to keep their thought and feelings elevated and their resultant words and actions will reflect this inner purification. Finally, the inner bodies will come to realize their Purpose in being...to consciously create and Radiate the Virtue and Beauty of the Heavenly Father in all the God Qualities and God Ideas which will naturally externalize in their personal worlds as Peace, Health, Beauty, Opulence and Spiritual Grace.

## **SAINT GERMAIN:**

Measuring one's thoughts and feelings against the thoughts and feelings of the Master is a good way to determine whether the vibratory action of those vehicles of expression has fallen below the natural estate intended for each chela. This need not be a severely imposed discipline but rather a happy experience for the person determined to be a Radiating Center of God's Presence on this sweet Earth. To every such one, We offer all the stimulation of Our friendship until the aspirant can sustain his vibration of holiness and sanctity by himself.

## **THE RESURRECTION FLAME**

### **AEOLUS:**

In the Kingdom of Heaven where there is Eternal Life, ever increasing opulence of expression, and neither disintegration nor decay are known, the Activity of the Sacred Fire known as The Resurrection Flame is not required. However, for the evolution presently developing upon the Planet earth, the Mercy of Life has provided such a Restorative Power for those wise enough to invite It and humble enough to use Its revivifying, Life-giving Essence.

### **EL MORYA:**

The word "Resurrection" means to "bring back or restore to a normal condition". The Activity, therefore, is taken out of the category of the "miraculous" and becomes a Workable Law by which man is restored to normal! Witnessing the action of the Resurrection Flame through the body of the Master Jesus, We see death give way to Life and know that Life, not death, is the normal condition for every man. A Natural Law or a so called "Super-natural Law" is equally practicable for every part of Life who wishes to utilize it. When man awakens to the fact that the Power of Resurrection is his, if he chooses to invoke It, he can quickly re-vivify his flesh, his mind, his affairs, and stand Free in Its Vitalizing Power.

### **KUTHUMI:**

When the mankind of earth abided within the Law of Harmony, neither disease, decay nor disintegration was known upon the Planet or its evolving Life. When mankind first departed from the harmonious

qualification of the God-Life, the slow process of disintegration began, and man's vehicles rather than loosing the soul from the earth Plane in the dignity of Perfect manhood or womanhood - slowly rotted until the soul could no longer use the vehicles and in agony and despair left the earth. It was then decreed by the Father of Light that one of His Sons might bring a Flame by which man could again restore his mind, body and world to its rightful estate, and he called This Restorative Power "The Resurrection Flame".

## **PAUL, The Maha Chohan:**

*"Before they have called, I have answered, and while they are yet speaking, I have heard."*

The Great Eternal Father, looking upon the earth and its children, felt within HIMSELF the need of a Restorative Power by which those desiring to resume Their God Estate could do so. And into His Aura He projected The Flame of Resurrection. Here It lived, until One of His Sons, contemplating the Nature of The Father, pierced through the Blazing Light of His Aura, and perceived This Flame of Hope and Life! And before the Throne of the Father, the Son asked that He might embody That Flame and bring It to earth, for the acceptance of those who chose to know again Eternal Youth and Beauty and Life Eternal! He was granted this Honor and through the Flame in His Heart was anchored the Quality and Nature of The Resurrection Flame.

## **SERAPIS BEY:**

Countless centuries ago, before the coming of Sanat Kumara, the mankind of earth had wandered away from the principle of The Law of Harmonious Qualification of God Energy, and then was the first KRISHNA (Christ) vested with the Authority and Right to bring to the knowledge of those who chose to accept His Gift, The Resurrection Flame. It is the Activity of the Sacred Fire which is drawn through the physical Heart of any Lifestream, which acts as a restorative Power of the normal, natural, God Estate.

The focus for this Resurrection Flame was located in the land now known as The Arabian Desert, and here century after century God Beings tended, guarded and fed the physical focus of This Flame. From Its Essence, the illuminati of all ages received into the Immortal Spark of Divinity within their Hearts, the stimulus by which they, in turn could generate and expand That Flame. And through Its Use, Life was maintained in the body for centuries of time, and countless numbers of the mankind of earth manifested victory over disease, disintegration and even death itself.

## **HILARION:**

Within the Immortal Flame of Life in the Heart of every Lifestream is the potential Power and Nature of God. However, it is so deeply buried in the accumulation of the ages (the sealed tomb) that it requires God Assistance to direct the outer consciousness to Its Presence, Its Power, and Its Activity. For this reason, Great Physical Focuses of these God Qualities and Powers were established at certain points on the earth's surface which act in exactly the same manner as the burning fire which stimulates the dry tinder. The tinder (with potential fire within it) would remain ever Lifeless without the stimulation of the LIVING FLAME. From the Heart Center where These Spiritual God Qualities are focused, members of the human race, like living torches, carry The Flame to those who choose to expose their consciousness to Its Vitalizing Life. Like all torchbearers, they suffer often the "incendiary's doom"!

## **JESUS:**

Having great interest in Life Eternal, My Mother, Mary and I applied to The Father for the Privilege and Honor of accepting the responsibility of guarding The Resurrection Flame in the Retreat in Arabia. In order to qualify, a Chela must consciously draw and focus through his own body, the FULL POWER OF

THAT FLAME. I willingly offered to qualify for the Initiation. The story of the Resurrection is well known to all my friends of the centuries. I would like to state, however, that The Resurrection Flame lives for ALL MEN, and that It will surge in a great restoring, revivifying, sweeping action of Life Eternal, WHENEVER AND WHEREVER IT IS CALLED INTO ACTION. To sustain This Flame in the vibratory action which may be assimilated by all the children of earth, My Mother and I have remained The Guardian Powers of the Resurrection\* and I earnestly hope at the Easter Season that ALL will invoke It through themselves and all the mankind of earth, and see and know and feel Its restorative action.

*\*Beloved Lord Raphael, The Archangel, is now Hierarch of The Temple of The Resurrection Flame.*

## **SAINT GERMAIN:**

Oh that man might recognize the latent Powers within the Immortal Flame of Life that beats his Heart! Oh the Cosmic Tide of Springtime, when Our Lord Maha Chohan resuscitates the Kingdom of Nature by tuning into The Resurrection Flame, may every Lifestream utilize the magnetic Power within their own Heart Flame to draw as much of the Resurrection Flame as they require to set their worlds in order, to restore their bodies and minds to Perfect health, and to revivify the perfect Divine Memory of their Natural God Estate! This is My Decree for My Beloved Ones, each and every one!

## **THE ETERNAL NOW**

### **AEOLUS:**

The capacity of the consciousness to refuse to seek escape both from present obligations and present opportunities either in the enjoyment of past glories or in the anticipation of future greatness, is the Key to Self-Mastery. Every individual is a result of his past and is creating momentarily his future. The tendency of the outer mind is to shrink from the application of the Spiritual Law to both change and develop the present. When the chela begins to use the opportunity of each day to create a more pleasing tomorrow, he has begun the final ascent of consciousness into Mastery and Freedom.

### **EL MORYA:**

Primal Life, issuing out of the Bosom of the Eternal, provides opportunity each day for the development of the Kingdom of Heaven through the individual. This beautiful, unformed Life, is so often wasted to refill the cups of past mistakes or to caress wishfully a "sweet by and by." The practical man seizes the opportunity of each new day and builds with this Life something of merit to himself and his evolution. These practical saints are few and far between but upon them depends the actual manifestation of Our Visions, Hopes, Aspirations and the Divine Plan Itself upon the Planet Earth.

### **KUTHUMI:**

Man takes the Gift of a new day too Lightly. When one perceives that creative thought-force and Energizing feelings can and will mould out of today's Life whatsoever that one wills, such an individual realizes that he is no longer the victim of yesterday's errors nor the unconscious creator of tomorrow's chains. TODAY is the Day of Opportunity! The experiences of yesterday may be the measure of wiser use of Life and the experiences of tomorrow can be anticipated with certainty as days and years filled with the Peaceful, Opulent, Beautiful, Harmonious manifestations which are the result of the conscious creations that were builded today.

## **PAUL, The Maha Chohan:**

When an earnest soul looks back through the glamorous folds of time to a previous era of Spiritual opportunity, such a one often wishes that he had been there. He visualizes the glorious assistance, strength, loyalty and constancy with which he would have defended Truth and its brave exponent. Alas, while he thus visualize himself as a "hero" by his own wishful thinking, today's opportunities to use the vital Energies of Life to forward the same Truth, lies unnoticed on the threshold. The progress of the Planet and its evolutions requires a steady outpouring of Spiritual nourishment and Truth in every age. The consciousness of mankind is usually a cycle behind in its endeavor to cooperate with the requirement of the current Spiritual hour. It is only the few discerning, alert, receptive and practical men in every age who walk abreast of today's opportunity and vitalize it with their own Life Energy.

## **SERAPIS BEY:**

Complete honesty with oneself is a requisite to real Spiritual progress. The Spiritual Law which requires that a man give of his own Energies in some impersonal benefaction to Life, while yet developing his own personal mastery, applies to the layman as well as the chela in the Retreat. The seekers upon Life's pathway, who wish to rise above metaphysical dabbling into adepts of Power and Control, must seek out the Spiritual Movement of the current Hour which stirs the lower atmospheres of Earth. Then they must give of the Energies of their own lives to the nourishment and development of this endeavor of the Hierarchy as a Balance for 'more than ordinary instruction on the application of the Laws which bring Freedom'. Here, although man can and often does fool his fellowman, he does not fool The Law! Those Talents, Momentums, Gifts and particular God-controls of Substance, Energy and Virtue which are his, must be personally evaluated and then offered as Abraham offered Isaac, to The Law to further the movement of the Hour. It is all well and good to offer something that requires no particular sacrifice of time, Energy, Substance or individually developed Talent and Virtue, but those advance most rapidly who offer that which is dearest to the Secret Heart. The Father Who watches in secret rewards such a one openly.

## **HILARION:**

Developed momentums of Energy rise and become the Power of the Casual Body. The Natural, rhythmic release of the Gifts, Powers, Talents and Substance from the Casual Body into the conscious use and governing Power of the outer self is regulated by the Holy Christ Self. The Lifestream who evaluates his own particular worth to Spiritual progress of the race is wise to use that which he has developed, for then he shall receive from that storehouse more of its gathered stockpile of good. The Lifestream who, like Ananias and Sapphira, holds back that which is already developed within him, and which would nourish the Masters' endeavors, should never look with self-deluded longing upon the Spiritual pageantry of Lord Buddha's Mission nor Jesus' Mission because such individuals probably lived in those days also and the tendencies of selfishness manifest today were equally manifest in recalcitrance of endeavor in the yesterdays. Always there are the few with their hands to the plow and the many singing the "Hallelujahs" over yesterday's saints and martyrs!

## **JESUS:**

"What shall I give the Master?" This question has issued out of many sincere Hearts. Innumerable stores, plays and parables have been written on the acceptance by God of the simplest Gifts from humble and sincere Hearts. Every man has something of merit to give to the Cause of world Unity, world Peace, world Brotherhood. It is so often the desire to wait until some "great Gift" can be evolved that holds back the soul's progress. It is the giving of honestly dedicated Life daily "beyond the call of duty" to help make this a better world which marks the True Soldiers and Servants of Christ. The evaluation of one's

own capacities, developed momentums, talents and present opportunity to serve Life will reveal to the Spiritually Honest, Earnest and Sincere individual how rich is his present store of potential influence for good in his home, his community, his business and Our Endeavor.

## **SAINT GERMAIN:**

The permanent Golden Age will be externalized through conscious students, for "God needs a body." No good manifestation has come to this Earth except through the consciousness of some individual willing to be an Open Door to the Perfected Realms where such good naturally abides. Magnetizing this good is the opportunity of the students. Each consciousness has already a storehouse of developed good which is partially manifest in the talents and developed capacities used by the outer self in daily living. A portion of this developed good can become the personal "tithe" of the individual to the Spiritual Hierarchy. The sincere will give of their present store and to them that so give will the added store be given. Those whose talents are cautiously buried in the promises of tomorrow's use fool no one but themselves. Today is the Day of Opportunity and NOW is the hour when We require the presence of the practical men and women willing to utilize their own Energies as best they can and to develop better controls of their Energies for the future.

## **THE LAW THAT "GIVING IS LIVING"**

### **AEOLUS:**

The very first activity which caused every Intelligence to come into Being is based upon the Truth that the Father-Mother God gave from Themselves a portion of Their Immortal, Victorious Three-fold Flame to create self-conscious Intelligence. Then, also, as the very activity of the Elemental Light-Substance was to give of Itself to create around that Flame a shining Electronic Presence, it follows through into every Sphere in which the Lifestream of that Intelligence abides, that giving of Life, (which is Energy, Substance and Virtue) are not only the inherent nature of such Intelligences, but an absolutely necessary activity for survival! Should a consciousness ever refuse to give of Itself, It would thus contradict the Law of Its God-Parents. Then, sooner or later, some other intelligence willing to so give would be found to take the place of that original faucet of expression, through which such Heavenly Parents could continue Their process of giving Life and Its benefactions to Bless the various Spheres and Planets in which such requirements of externalized God-Gifts are most needed to fulfill the Divine Plan. When some (unascended) intelligence, through Free-will, decides not to fulfill his Purpose for Being (that is, to be a channel through which the God-Parents, Ascended Masters, Cosmic Beings and Angelic Host may pour Their Benedictions), he thus voluntarily shuts himself off from the natural joy of giving, which activity is really his Spiritual Vitality and Reason for Being!

The Universal "I AM" Presence lives but to give! Mankind should take note of that fact and begin to emulate the Perfect Expression of the giving of his own Energies, in the release of his Talents, Powers and Substance in order to enjoy Life, rather than experience a mere existence in the physical appearance world or even beyond the veil called "death".

### **EL MORYA:**

Most unascended Lifestreams, mainly because of the fear of experiencing lack and limitation, have lost their interest in giving of themselves to Life - impersonally, Thus much of their Spiritual consciousness just "shrivels up", because the tendency to withhold the Gifts of their Life is not the natural expression of their Divine Nature. At this Holy Season, We are asked to bring to your attention the unalterable

Truth that a man enriches and renews himself, emotionally, mentally, etherically and physically, by giving of his Talents, Gifts and Powers to his fellowman for their greater Blessing which Gifts and Talents have been vested in him by his God-Parents and the Divine Hosts of Heaven. Giving does not necessarily mean the exchange of the Substance of this world's goods, but there is no individual belonging to this Earth's evolutions who has not, in his or her Causal Body, certain momentums of good which can and should be released NOW - right here - into this physical appearance world, to give assistance in the redemptive process of the Earth and Her evolutions.

"Holding back" these Gifts, Virtues and Powers is a serious karmic offense of omission, *for which every individual Lifestream must account one day before the Karmic Board.*

## **KUTHUMI:**

Let Me assure you that no Root Manu would allow embodiment at any time into the race of which He was in charge, to any individual who already had not builded certain constructive momentums into his Causal Body. These can and should be used NOW for the impersonal Benefaction of the evolutions to which he has voluntarily dedicated his Life and Energies. We are speaking only of the Earth at this time in order to make your scope of study more comprehensive to the outer consciousness. Therefore, each one of you, dear Gentle Readers, has been accepted into Earth's evolutions by some Root Manu because you already have gathered momentums of Virtues and Powers which the Earth's people require. The giving of these momentums of good for the impersonal Benefaction of the race is to follow the example of our Beloved Brother Jesus, Who lived only to bring the Gifts of Healing, Inspiration, Peace and Understanding - impersonally - to all who would accept His Blessing. His Guru, Lord Maitreya (now the New Buddha) used Beloved Jesus' Causal Body as a channel through which to allow to flow Cosmic Christ Gifts into the lower Planes of consciousness where the mass of mankind dwell upon this Planet - during embodiment, as well as between embodiments. So also does your Ascended Master Guru desire to use your Causal Body as a channel - not only through which may flow your own momentums of good but as a channel for the greater Cosmic momentums of Perfection to flow into the atmosphere of Earth where unascended mankind dwell. The offering of yourselves to this impersonal Service is the greatest Gift of the Holy Season - the greatest Gift you can give to Life. If you wish to give such a Gift at this time, you can make it in the Name and to the Honor of our Beloved Jesus, Holy Mary or Beloved Saint Germain (formerly Saint Joseph) - reminding the outer consciousness often through the course of the day, that this allowing of the Goodness of Heaven to flow through you to Bless Life, is your Gift to the evolutions belonging to the Earth.

## **PAUL, The Maha Chohan:**

The greatest artists, musicians, sculptors, poets and authors never measure the release of their Gifts by the personal gain to the self. In fact, they usually go to the opposite extreme and insist upon pursuing the development of their talents without the slightest consideration as to what they, personally, will receive in return for the manifestation thereof. Usually, it is the case that centuries after the masterpieces have been completed, others - less talented and more calculating individuals - reap the monetary reward of the original artists' Service. When an individual is a True devotee of the Arts (or any other constructive endeavor) he is usually so one-pointed in developing and externalizing his Gifts that he gives little or no thought to the personal prestige, monetary recompense, etc. which might result from the completion of his endeavor. It should be so, particularly with Spiritually-minded individuals who have taken embodiment to be an example of and Radiate the Virtues of God to mankind. *Always remember the LAW OF BALANCE! What every man sows, he surely reaps! Life, magnetized by any Intelligence, must follow the Law of the Circle, because of the very nature of Its Being!* It must ultimately

return to the Intelligence who has sent it forth, with an impersonal Blessing and Benefaction - always, too, with accumulated Energy.

## **SERAPIS BEY:**

Following the words of our Beloved Paul, I shall attempt to answer the question in the minds of some individuals as to why so many great artists, poets, philosophers, scientists and inventors live out their years in poverty and amass so little of this world's goods. It is because they are so one-pointed in their endeavors to create something of beauty that they do not allow their attention (their Life) to rest upon the amassing of wealth in this world of form.

However, nothing of a constructive nature is ever lost and while they live and oftentimes die in poverty (according to the world's standard of success), they have laid up for themselves stores of riches in their own Causal Bodies. Sooner or later, such individuals will receive the benefaction of their dedicated Energies. You see, all that Life becomes the wealth of experience in the Causal Body which will make them more efficient Servants of their God in a future day. The lesser developed Lifestreams may seemingly profit by the exchange of these masterpieces, but the one who originally drew them forth has the cause and core of creative ability in his or her own Causal Body, for use when and where required in any Sphere in which he may be fitted to dwell.

Of course, this is particularly True of chelas on the Spiritual Path. Others may plagiarize and temporarily profit from the wisdom which has been drawn forth by the original researcher, but, in reality, the original magnetizer of Truth who has drawn forth Virtue and Grace, has truly laid up treasures in Heaven, which are his to use again and again. In other words, those who profit by another's Gift have just the shell, but the original creator of Beauty has the Spirit of the Gift - which Spirit is Eternal!!

This accounts for the fact that so often a religious, metaphysical or occult teaching loses its Life (Spirit) when the Originator of such teaching finishes His Earth-span.

## **HILARION:**

I can honestly say that, watching as We do from the Ascended Master's Octave, that the Law of the Circle is inexorable! Beloved Jesus' statement that "as a man soweth, so shall he also reap" is an Eternal verity!

From the standpoint of the quicker expansion of Our activities to Free the Earth, it seems a pity that there are not yet more embodied among mankind - more illumined and intuitive Lifestreams - who recognize the "Gifts" and capacities of those who have consecrated their lives to Us, those who understand the necessity for assisting and sustaining the "Gifted" and "Consecrated Ones" to Our Service, both by the offering of their Energies and Substance to help such servers. Such "Gifted" ones could be greatly protected from much unnecessary limitation and distress while these (who are Our representatives in the world of form) serve selflessly to enrich the heritage of the human race.

You will notice that, almost without exception, the cognizance of the research of such dedicated souls (scientific, Spiritual or otherwise) is nearly always realized by the beneficiaries of those Blessings long after the consecrated souls so serving have passed from the Earth Plane. In the very near future, however, the worth of such individual Lifestreams will be cognized while they can yet have the assistance of less-developed but interested Lifestreams. These will make it possible for them to pursue their research, giving their Talents Freely to mankind; not distracted by the need of producing what they require for sustenance upon the Earth. This was always done previously in every Golden Age upon the

Earth, and it shall come again in Beloved Ascended Master Saint Germain's Golden Age which is finding root in the Hearts of the more awakened among humanity.

So often, because of past karmic ties, impersonal and dedicated Lifestreams are surrounded by family and friends who require (and rightly so) a certain measure of protection, sustenance and assistance. This condition distracts the consecrated soul from his one-pointed endeavor to magnetize and develop some Blessing for the race. Thus the consecrated one has the double responsibility of paying off karmic debts all the while he is endeavoring to perform his Service for the Benefaction of the race. When other less-developed chelas understand this, they will joyously assist the researcher to transmute his karmic burden, allowing him or her fuller Freedom to concentrate upon the God-manifestation which he desires (prompted by his or her own Holy Christ Self) to develop and externalize. When this time comes, the people of Earth will be much more quickly illumined - much richer in every way and the entire evolution of the Earth and all upon Her will be greatly accelerated.

This Pattern was the original intent of the founders of the "caste system" in India but, unfortunately, like many good ideas, it has been greatly distorted and has caused even more limitations to the various "castes"; rather than bringing greater Freedom to the Light-bearers of the world!

## **JESUS:**

I can speak on the subject "It is more Blessed to give than to receive" with the tremendous positive assurance because I, Myself, experienced the joy of giving to Bless the race...that which the Father and Divine Beings had loaned to Me for just that Purpose.

Also, I had the great good fortune to have a Mother and a Father Who did not selfishly "pull" upon My Vital Energies which had been dedicated to My Mission, but rather gave Their Energies to Me so that the Mission might be successfully accomplished. Besides, I had no unpaid personal karma, any and all such karma having been completely Transmuted by Me in previous embodiments.

When I returned "Home" at the completion of My Ministry, I was amazed at the expansion of the size of My Causal Body, because of the Free-will Service of having given ALL of My Life to the alleviating of the distresses of the people of Earth. Because of this, since My Causal Body was so enlarged in size and increased in Grace, it has been possible for Me through all these succeeding centuries, to again and again give of that momentum to any and all of My followers who truly desired to emulate My example. Now this, in turn, is also steadily increasing the size and efficacy of that Causal Body, for the expanding Light of One's chelas also adds to the gathered momentum of the good of his Teacher. This has been the experience of Lord Gautama and all Other Beings Who used Their earnest disciples as channels for Their Gifts.

Remember! Nothing is static anywhere in this Universe and the Law is that: "To him that hath shall be given; but to him who hath not (the desire to give of his God-given talents) shall be taken away even that which he hath!"

## **SAINT GERMAIN:**

Let no sincere chela allow himself to fall into the "Slough of Despond" because he or she cannot quickly and wholly fulfill the individual Service which his or her Holy Christ Self prompts him to externalize. Remember always! We cognize the motive of the chela as well as their as yet unpaid karmic debts! We also see the possible loving, practical co-operation by certain other Lifestreams (who are so very precious and who could easily give it); but, because of the absorption of their Life by allowing their attention to be so firmly fixed upon the daily living routines and personal affairs, - these are a bit

thoughtless (perhaps?) concerning the actual physical needs of the researcher, whom they really Love! So many really seem to care or think little about just how those practical needs are supplied. Such practical assistance, lovingly and Freely given, would do so much to hasten the expansion of Our Help to mankind - thus allowing the researcher more time and Energy for his or her Service to Us!

This assistance may be given emotionally, mentally and etherically by daily holding the Immaculate Concept for this one and, practically, by assisting in the increase of supply.

Remember also that there is a way to clear the channel for the release of the full-gathered momentums of good from each one's own Causal Body (which includes abundant supply of every good thing) so that those Gifts, Talents and Virtues can be more readily externalized. This is through the use of the Ascended Masters' Law of Forgiveness and the purifying of the individual chela's world through the merciful use of the Violet Fire, thus removing the cause and core of the appearance of lack which he seems to experience. Then the sins of omission upon the part of others who have been given opportunity but hold back the helping hand, will lie at the door of such others and not at the door of the chela seeking Divine Expression for the impersonal Benefaction of the race.

Depending upon other unascended Lifestreams for your sustenance will only result in disillusionment, bitterness and frustration. Looking for the support you require to the God Who made you; will bring you Harvest beyond your fondest dreams.

By daily, consistent and rhythmic application (conscious calls to the "I AM" Presence and Ascended and Angelic Hosts) for the help you require, allow your own God Presence and His Messengers to raise up those individuals who will joyously assist you - providing whatever is needed here, whether it be Energy released in loving Service or financial support. It is not your province to choose such individuals so to do or to personally designate through what channels the supply is come to you. Just know that, if your Heart is sincere, your motive Pure, your Service truly that of setting all imprisoned Life Free, - We shall find some channels through whom We can give you the help you require. Service for the sake of serving is most important. God's Service is always rewarded - if not by thoughtless mankind, then by the very Angels Themselves!

I do decree that those chosen to be the Way-showers of the race shall not be guilty of the sins of "omission" in this crucial hour and that those who have been sent to form a Bridge from the Divine Realm into the human octave shall be sustained by the "I AM" Presence, even if their contemporaries neither cognize nor sustain their Gifts.

## ON THE WISE USE OF LIFE

### **AEOLUS:**

Life is a Gift bestowed upon every self-conscious Intelligence by the Supreme Source - The Father - God!! Life does not begin with the birth of the physical body but with the Creation of the Divine Presence of every man, made in the Image and Likeness of the God-Parents. Life does not cease at so-called death but continues to animate the individualized consciousness in whatever sphere he is then fitted to dwell. Every man, through Free-will, does with this Gift of Life what he chooses. The effects manifest in his mind, body, world and affairs record his use of Life through the ages. It is to teach man the wise use of Life that We come.

## **EL MORYA:**

When any self-conscious Intelligence is given Liberty to use Life in any sphere, he is also given the responsibility to render an accounting for his use of that Life. My Service is to help mankind to find the way by which he may use his Life to serve the Giver of Life and to help him to want to use that Life as God intends. For the many who are playing with the Gift of Life in vain pursuit of happiness, there are the few who desire to learn the Law of their own Being. To these, I come! Then if My Counsel is not confirmation of their own concepts and desires, I often find Myself rejected. Yet, upon invitation, I will come again and again! This is My "Reason for Being"! Are you not ready to find yours?

## **KUTHUMI:**

The Brothers of the Golden Robe are dedicated to the teaching of the correct use of Life to individuals who desire to know best how to serve God and their fellowman. All Life, operating on the Principle of the Circle, returns eventually to the individual who drew it forth and qualified it, constructively or destructively. Man enjoys sending his Life forth in thoughts, feelings, words or actions to suit his fleeting Purpose. Man recoils from the returning Energies which sometimes take many embodiments to complete their circle. It is to acquaint mankind with the inevitable Truth that he cannot escape his returning Energy that We come. When man learns that every electron which passes through his consciousness must be Redeemed through himself, he will take less Liberty with the use of Life and set his feet upon the Path that leads toward Mastery.

## **PAUL, The Maha Chohan:**

The channeling of Energies to develop some Talent, Gift, Power or potential Genius is the Service of the Third Ray. Life, like water, is neutral until consciously qualified by some self-conscious Intelligence. Developing the capacity to qualify Life in beautiful music, in exquisite art, in drama, through literature or any constructive Gift to mankind is the course which the chelas of the Third Ray take. Drawing forth the potential Godliness in their fellowman completes their Course of Instruction in this Department of the Spiritual Hierarchy.

## **SERAPIS BEY:**

Mankind finds itself entangled in the web of its own weaving. Returning karma waits Redemption. Vicarious atonement is but wishful thinking. The strong, the wise, the patient and the enduring finally achieve the mastery which comes from conscious redemption of the currents of Energy set into motion through all preceding as well as the present Life. At Luxor, one is given the opportunity to recall and redeem their individual Energies. The Lords of Karma wisely limit the returning discord which each soul can redeem in an Earth Life. When one applies for the Privilege of becoming a "Candidate for the Ascension", his opportunity is to redeem his entire karma in one embodiment rather than in a thousand.

## **HILARION:**

The Spiritual Law of Transmutation (the Violet Fire of Mercy and Love) is provided by the God of Love to assist those individuals who wish to redeem their own karma more quickly. Thus the evolution of the entire race is tremendously accelerated by the dispensation which has allowed the use of this activity of the Sacred Fire to be given to individuals outside the actual Retreats of the Masters Themselves. Some, so enthusiastic in the use of this Power of Transmutation, forget the balance which requires that the individual use Life each moment so that it does not become a "boomerang" of a future day!

## **JESUS:**

The Law of Moses, "An eye for an eye and a tooth for a tooth" was superseded by the entrance of the "Grace" of the Sixth Ray when the Love of God was manifest in the fiat "Thy sins are forgiven thee". Now

as We enter the Seventh Ray, this activity of Transmutation will be greatly intensified. Wise is the Lifestream who accepts the Power of God through the Violet Fire of Mercy and Love to Transmute all returning karma instantly. According to each one's acceptance in the feelings, does this Power work. How many times did I say, *"According to your faith, be it unto you."*

## **SAINT GERMAIN:**

Every man in this New Era has an individual two-fold mission - the Transmutation of his own discordantly qualified Energies of the past and the conscious control and mastery over the use of his Life in the present. This is the balance required by the chela of the Seventh Ray! The few, (beyond their personal karma), assume the responsibility, opportunity and obligation of utilizing the Power of Transmutation on behalf of their race, nation and Planet. It is upon these few that we depend for a Planetary Redemption in these years allotted us by the Cosmic Law to "make all things new". Are you among these few?

## **THE NECESSITY OF BECOMING STILL**

### **AEOLUS:**

I can but affirm the often-repeated statement of My Beloved Son, Saint Germain: "The need of the student, no matter what the age of the individual, is to become still often throughout the course of the day to allow the Energy, Directives, Radiation and Power of the Presence to flow into and nourish the lower bodies and the outer consciousness."

In the East, the practice of concentrated meditation upon the Supreme Source prefaces all activity. In the West, where the requirements of each hour seem to demand the attention and Energies of the chela, this period of Spiritual Communion is often neglected and confirmed by the self-righteous feeling that the Service is so great that there is literally no time to - "be still and know that 'I AM' God."

### **EL MORYA:**

Man's submission to the demands and appetites of his lower bodies and his almost hypnotic assurance that their demands, promptings and appetites are the urgings of the Inner Presence, delays his contact with that Presence and his correct and unbiased recognition of Its Directions. At present, Our endeavor is to purify, discipline and relegate these vehicles (through which the soul seeks Redemption) to their proper position as servants of the "I AM" Presence. The stilling of the Energies of the mental body; the quieting of the surging sea of the emotional world; the refusal to allow the etheric body to conjure up failures and disillusionments of the past and the disciplining of the flesh body, take time, patience, constancy, strength and understanding. When this is accomplished, the "still small Voice of the 'I AM' Presence" can be heard; Its Radiation can be felt; Its Strength can flow into the lower bodies and Its sustaining Power can and does assist the soul to complete its Reason for Being.

### **KUTHUMI:**

The Invocation of the "I AM" Presence, the Archangels, the Elohim, the Ascended Masters and all Power of Light is essential to magnetize a direct current of Their Energies into and through the individual consciousness of the chela. However, there is a point where the individual, having made the necessary application to the Spiritual Source of All Good, should rest IN THE SILENCE and accept the Radiation and Benediction invoked. The tendency of the chela is to continue, all through the period of application, to make Petitions, Decrees, Invocations, etc. This does not allow the inner bodies to become quiet enough to accept the Gifts invoked. BALANCE between giving one's Energy to connect with Higher Vibrations and accepting those Vibrations is essential to Spiritual Advancement.

## **PAUL, The Maha Chohan:**

The activity of truly entering the Great Silence cannot be over-emphasized. The consciousness must be kept positive. The mental, emotional, etheric and physical bodies must be trained to direct their Energies toward their SOURCE, but they must not be allowed to "play" at this time with the various thoughts, feelings, memories or physical lassitude that often accompanies the relaxation from actual positive work, in which they are usually employed. It is comparatively easy for the chela on The Path to make the Invocations, Decrees and Visualizations that actually employ the Energies of the lower bodies, but it is somewhat difficult for the chela in the Western world to complete his Spiritual exercise by commanding the silence of these lower bodies to receive the Blessings given. He either goes happily to sleep or toys with numerous irrelevant thoughts and feelings, coming from this contemplative period, little richer by reason of his endeavors.

## **SERAPIS BEY:**

All Good, whether it is Supply, Health, Illumination, Faith, Strength, Love or Purification, comes from God, the Source of all Life. These Gifts are dispensed by the Great Beings Who are the Messengers of God. However, no matter how much the conscientious chela calls for the release of these Gifts, he cannot receive the fullness of their Presence in his mind, body, world and affairs, until he has consciously disciplined his lower bodies and allows the Spiritual Essence which he has invoked, to enter therein. You have all had the experience of an individual asking for advice and guidance, then continuing to talk - giving no heed to your council. This is somewhat like the chela who "talks" all through his application - not necessarily with his tongue, but with his mind, feelings, or through his memories. Thus the Energies of the lower bodies are in a constant state of motion, and deflect rather than absorb, the Radiation and Assistance given.

After the active application, speak in a consciousness of authority to the vehicles through which your soul seeks Redemption. Tell them: "Peace, be still"!

Practice will make you more and more able to enjoy the returning Benediction and Grace which comes as a result of your Invocation. Then you will have perfectly completed the Spiritual Exercise whereby you commune with God and the Perfected Ones, coming from such communion imbued with and Radiating the Blessings thus received.

## **HILARION:**

Science is coming to an agreement with the Spiritual Truth that all Life is in constant motion, from the smallest electron spinning around its core of centripetal force to make up an atom, to the greatest Sun spinning around a Central Sun which, in turn, moves around a greater Focus in Cosmic galaxies beyond the ken of the outer mind.

Human Beings have lost control of the rhythms of their lower bodies and rather than the atoms spinning in a Harmonious Vibration directed by the "I AM" Presence within the Heart, they spin erratically, spurred on to greater speed or slowed down by any "tramp" discordant thought, feeling, memory or physical action that engages their attention or takes their fancy from moment to moment. Thus, in the uncontrolled spasms of the lower bodies, the soul cannot and does not receive the Peace and Benediction of the "I AM" Presence nor the Divine Being to Whom it has applied for assistance. The natural, rhythmic motion of the atoms in lower bodies is an invitation to the Spiritual Currents invoked. The lower bodies (physical, etheric, mental and emotional) then can absorb the assistance which they require and the individual, disciplining the instruments through which he works, comes forth from his Spiritual Exercise renewed in mind, feelings, soul and body.

## **JESUS:**

The demands upon the time, Energy, attention and Service of the chela who is engaged in a Spiritual Endeavor, form a great stumbling-block to his individual progress, unless he learns how to consciously quiet the Energies of his own world, so that new Strength, Faith and Power may be supplied by his own "I AM" Presence and the Divine Beings Who are so willing to assist him. I know this from My Own experience. During My Ministry, as today, the world and its people require so much assistance. There is a tendency to rush forth to serve without the necessary period of "re-fueling" at the Cosmic Fount. From some small references to My experience, you will remember that I often "went to the hills to pray". No chela can be of lasting Service to the Spiritual work at hand unless he understands the necessity for taking time - undivided - from the world (which you will always have with you) to enter the Silence and draw the necessary Strength and Sanctity from the Source of All Good. Thus he can then dispense in poise, dignity and loving solicitude for his fellowman.

## **SAINT GERMAIN:**

The upward reaching of the outer consciousness through Prayer, Invocation, Decree, Visualization and Song is only one half of the Perfect Spiritual Exercise, which should be conscientiously employed by Our chelas. The accepting of the Energies invoked through controlled, receptive, alert vehicles completes this Service. "Take TIME to be Holy"! I implore you!

## **THE EVER-PRESENCE OF THE FATHER**

### **AEOLUS:**

The very first principle of Spiritual Truth lies in the acceptance, deep within the feelings, of the Omnipresence of The Source from whence all Blessings flow.

*"Whither shall I go from Thy Spirit, or whither shall I flee from Thy Presence? If I ascend up into Heaven. Thou art there; if I make my bed in hell, behold Thou art there. If I take the wings of the morning and dwell in the uttermost parts of the sea; Even there shall Thy Hand lead me, and Thy right Hand shall hold me." (Psalm 139:7-10.)*

It was long ago that I impressed this Cosmic Truth upon the receptive mind of David, the shepherd king. Ponder upon the Truth of this statement and truly enjoy a sense of Peace in the availability of the Intelligence, the Love, the watchful Care of that Presence. Upon acceptance of this Truth, there follows then an increasing capacity to utilize the proximity of The Father, through each Begotten Son, to widen the Borders of His Kingdom.

### **EL MORYA:**

The Omnipresence of God, by whatever Name His children choose to call Him, often causes the sincere student to forget that the Presence is focalized within the consciousness of everyone of His people. An abstract sense of "Universal Good" is not enough. A realization is also necessary that the Supreme Source has definitely directed through every Intelligence created by Him certain definite Powers to produce and sustain Perfection.

If a man were to acknowledge the Light that suffuses the Earth's atmosphere by day but were to deny focalized Intelligence of the Sun, he was unilluminated indeed. Nature is the teacher of the wise! The focalized Intelligence which gives Life, Thought, Feeling and Being to every Master, Angel Deva and man is like the focalized Center provided by God to supply the Light, warmth, Power of fecundation and

sustenance to the people of Earth and the nature Kingdom. The wide divergence between the abstract acceptance of the Omniscient One (Whose followers refuse to accept the specific focalizing of That One's Light through the Intelligences Who represent Him) and the fanatical worship of the Intelligences without realization of the One Source behind all the divergence must be bridged to bring Truth and, with Truth, works in God's Name!

## **KUTHUMI:**

"Praise God from Whom all Blessings flow" is the constant paean of the Illumined.

Spiritual pride, the worm in the Heart of the flower of many a man's Spiritual aspiration, often refuses to accept that Presence through the "Cup" fashioned by the Father's Heart and Hand...for what is the individual Being but such a Cup? If there were no ocean bed to cradle the vast bodies of water that cover the major portion of the Earth, man could not enjoy navigation, ablutions, and generally, the Gifts of water. All the Gifts, Powers and activities of God through nature are embodied, focalized (as Beloved Morya says), for the specific Blessings of the Kingdoms which they serve. Abstract beauty is fashioned by the Devas of the Nature Kingdom into blossoming shrub, tree and flower. Abstract Divinity is graciously embodied in those who wish to bring the Perfection and Glory of God to man. Such a focus of Divinity was expressed through the Master Jesus that man might see, know, feel, touch and experience the Glory of the Father.

The development and externalization of similar foci through many men is Our Service to Life!

## **PAUL, The Maha Chohan:**

Why does Our brother, man, become for Us so dear and precious a ward? Because the Universal Father chose to focalize His Presence within his Heart. The direction and sustenance of the Life Energy which comprises Being and which enables the individual to use the Universal Acknowledgement of consciousness "I AM", is proof that through such an individual the Father wishes to direct specific Gifts, Powers and Activities for the Blessings of the Universe. Otherwise, He would not have created and sustained the individual consciousness. It is Our Service to Life to encourage and develop those Talents, Powers, Activities and Gifts that lie within each human Heart and thus help to fulfill the Father 's Will through all His Creation.

## **SERAPIS BEY:**

When an applicant for Spiritual Prowess presents himself in the Courts of Luxor, We must determine for what Reason he has been given Being. The All-wise Intelligence Who has created him had a Purpose in investing Life and Love for centuries in the sustaining of his consciousness. Once he has "wrought that Purpose through of that which made him man" - he will now know Peace, nor will he qualify to consciously remove himself from the Sphere to which he was assigned by Divine Will. The mass of mankind have not yet raised their heads to ask "WHY?" but have accepted Life and blundered through centuries of existence in using Life according to the caprice of the moment. Finally the soul, satiated with futile experimentation in the Eternal pursuit of happiness, eventually comes to the Teachers of men. We look upon the enshrouded soul and see the potential Service. It is then Our Obligation to enable the individual to find that Purpose and, finding It, begin to develop the ways and means by which he may fulfill that Purpose. If the man or woman is willing to do this, then and then only does he qualify for the Ascension into Realms of greater Glory - there to continue in greater Freedom to develop and externalize his Reason for Being.

## **HILARION:**

It is part of the marvelous Nature of God to give opportunity to all His Creation to assist in expanding the Perfection of the Divine Design. Every man knows the thrill of satisfaction that comes from work well done. The experience of becoming a part of the development of the Divine Plan is the Gift of the Father to any and all who wish to participate in the onward movement of the evolutionary scheme. Only the selfish, bigoted man denies his fellowman active participation, through self-conscious endeavor, in a particular Service. God, in His Infinite Kindness, chooses to allow every man to enjoy creation and development of the Divine Ideas that flow constantly from His Great Heart. To this Purpose was created every Intelligence in this Universe. Those of Us Who have availed Ourselves of this opportunity have found Peace, Liberty, Freedom and a definite Purpose in Being. Those who have not yet wanted to know what the Divine Design of the Universe is and what the part of the individual in that Design may be, must experience the frustrations of human existence until they awaken to this Truth.

## **JESUS:**

"Not my Will but Thine be done" is not a negative but rather a positive attitude of thought and feeling! The alignment of the Omnipresent, Omniscient Presence of God through the individual is the practical manifestation of Mastery. It is not enough to accept the Ever-Presence of God. The Powers and Mastery of God must be magnetized and externalized through the individual. This was the example I left to humanity. Worship of God is not enough. Becoming the fullness of all that God has Designed for every man, is the destiny of the individual and the race. The Gift of Life, Intelligence and Consciousness is for a Reason. That Reason must be pursued through earnest, individual contemplation. Then only will man know Peace and through experience know the fruits of his contemplation in works well done.

## **SAINT GERMAIN:**

I have presented the Truth that "there is no nook, no cranny, nor corner in the entire Universe where the active Presence of God is not." Within this Presence are Centers of Intelligence which were created to intensify and expand that Presence, even as your electric Light intensifies the focalized presence of Light within a room. Each such Center of Intelligence that can say and feel "I AM here" has access to the Universal Presence. By connecting with this Divine Circuit, he becomes a self-luminous Center of Healing, Peace, Illumination, Mercy, Opulence and Freedom, thus multiplying and expanding the Gifts and Powers of God at his point in the Universe. The Light bulb, disconnected from the electrical circuit, renders no Service. The individual consciousness, disconnected from the Divine Source, is likewise impotent. Each soul, by the very Reason of its Being, has a Purpose to fulfill - to expand the Light and the Powers of God through the individual "I AM" Presence anchored within the Heart. When the Universal Source of Power is allowed access to the consciousness of the individual self, the Divine Circuit fulfills Itself, flowing through the focalized intelligence. *First, the individual must accept the Presence of the Omniscient One and then he must invoke that Presence through himself.*

## **THE SPIRITUAL PARTNERSHIP BETWEEN MASTERS AND MEN**

### **AEOLUS:**

The forming of The Great White Brotherhood by Sanat Kumara was prompted by the requirement of the hour to re-establish a conscious communion between the Ascended Master Realm and the outer consciousness of mankind. When the veil of maya (spun by mankind themselves from their secret thoughts, feelings, spoken words and actions) separated mankind in consciousness from their own

"I AM" Presence, the Kingdom of the Angels, the Cosmic and Ascended Beings - mankind was truly in a state of confusion and outer darkness. This Great Order began the long and rather thankless task of endeavoring to reach the outer minds of the "few" who - in the recesses of their memory - retained some concept of the ideal state in which Master, Angel, Elemental and man walked and served together with a common Purpose - TO FULFILL THE DIVINE PLAN OF GOD, The Cosmic "I AM" Presence of this Universe.

After centuries of time, the "few" responded and, in time, others became interested in preparing themselves for re-instatement in God's Kingdom. Each such a One, achieving and sustaining a state of Spiritual Grace, released a Volunteer Spiritual Emissary from another Galaxy or System, to return HOME! The new Members then, in turn, began the long and tedious work of interesting others to take upon themselves the task of personal Redemption of the Energies of their worlds so that they might become Conscious Conductors of the Purpose and Plan for this Earth. Today, as We are in a time of Planetary and Universal change, We are accelerating the endeavors of ALL within whom is a desire to re-establish a conscious 'communion' with the Divine Realm, from Whence truly all Blessings flow.

Let me counsel the earnest, the sincere, the interested chelas to watch their own motives, for therein lies their passport to such Freedom or, conversely, their continued bondage to the desire of the emotional, mental, etheric and physical vehicles which encompass their still polluted souls. Man needs no outer guide -except for discrimination, honesty of introspection and humility - to show him the motive that stimulates his endeavor. My Beloved Pallas Athena and the Master Hilarion are particularly interested in helping those aspirants whose motives are impersonal and humble, to a greater realization of Truth for themselves. They know that, in the realization, the chela will desire to serve the entire evolution impersonally, as do all the Members of The Brotherhood.

## **EL MORYA:**

The Great White Brotherhood (in the Ascended State) have voluntarily chosen to temporarily renounce the greater joys and Freedom of Cosmic Service in order to help those among the human race who desire Their Counsel, Instruction and Assistance. In order to do this, the Members of this Brotherhood have to find, sustain and expand an association with and through unascended Beings. Thus the Divine Plan is conveyed to the outer consciousness of individuals who, in themselves, are not yet capable of reaching the state of consciousness where they may clearly perceive this Divine Plan. Of course, there are many "facets" of a Divine Plan which encompasses all evolutions in the Earth, on the Earth and in Its atmosphere. Each Chohan endeavors to promote and develop that portion of the Divine Plan which is specifically delegated to Him to externalize through individuals who belong, primarily, to His Own Ray. My Ray is concerned with the projection of conscious Knowledge of the Will of God (the Cosmic "I AM" Presence) into the outer consciousness of those who choose to accept It and attempt, according to their various Talents, Capacities, Powers and Momentums, to externalize this Divine Plan for the Benefaction of the Earth and its evolutions!

## **KUTHUMI:**

The Service of the Second Ray (which I oversee) is to throw the Light of Illumination upon the individual Divine Plan of each Lifestream belonging to this evolution. The Second Ray also intensifies the Radiation of comprehension, discrimination and understanding through the outer consciousness of those who desire to help fulfill the Divine Plan of the entire race, besides developing and externalizing their portion of the Divine Plan through co-operation with their individual "I AM" Presence. This Golden Flame of Illumination is no figment of the imagination but rather a specific "searchlight" of directed God-Energy

to make clear and distinct heretofore vapory and vague impressions which sometimes enter the consciousness of the earnest chela. It helps such an individual to distinguish between the prompting of his own personal self and the prompting of his "I AM" Presence as well as those of the Ascended Host of Light.

The personal self is willing (yes and eager) to accept as "Gospel" those promptings which issue from the emotional, mental and etheric vehicles that tend to build up the ego and glorify the personality. This personal self is not so willing (and, in fact, reluctant) to accept the impersonal promptings from the "I AM" Presence and the Ascended Host which are contrary to the concepts, opinions, pre-conceived ideas and desires of the unascended individual. It is to help in the development of humility in the outer self, the discrimination of the consciousness, and the obedience of this self to the Will of God, that Illumination's Golden Flame is dedicated. Be assured that any prompting, direction, advice or counsel which builds up the personal ego, stems from the impure Energies of the lower bodies or the directions of other individuals who wish to sue the weakness of the personality by such promptings and commendations. Be also assured that any promptings which tend to sublimated the personal ego and make of the individual a humble (yet withal positive) Power for Good in the world of form, issue from Above.

## **PAUL, The Maha Chohan:**

The Service of the Third Ray (of which Lady Rowena is presently Guardian) is to stimulate the Love for God (The Cosmic "I AM" Presence), the Messengers of God (Masters and Angels) and the unascended Beings who are attempting to serve God and His Holy Messengers according to their own Light. We are also directly concerned with the development of the potential Divinity within the Hearts of all men, embodied Angels and Elementals. The direction of the Substance, Radiation and pressure of the Pink Ray in, through and around all such individuals, is a practical way of assisting them in the development of confidence in God, His Messengers and the potential good within unascended Beings. This Pink Ray acts as a "Cosmic Incubator" which stimulates the Divine Instincts endeavoring to find expression through the soul-self as a Blessing to the individual, as well as to the evolution of the Earth as a whole!

"Self-Love" is not enough! Love for God, His Messengers and one's fellowman are the distinguishing characteristics of a well-developed Third Ray Man. Let Me counsel all who will listen. There is a vast difference between sentimentality (which is short lived) and genuine interest and compassion for the suffering of mankind, Elemental Life and the animal Kingdom. Compassion kindles the Fire of Divinity within the soul and makes constant the Purpose the Service, the Love and the practical works of the chela.

## **SERAPIS BEY:**

Many individuals seek contact with the Ascended Masters and the Angelic Host, motivated by a conscious (or often an unconscious) desire to inflate the personal ego and to extend the sphere of influence through which numbers of believing and credulous individuals may be governed and controlled by them. True communion between the Masters and aspirants can never come when such is the conscious or unconscious motivating Power; for conscious endeavors of discipline, self-mastery and the attendant exercises for the purification of mind and body are absolutely necessary to bring about such communion. However, there is the possibility of such communion with the Ascended Masters, which can result from a humble, sincere, compassionate and constant desire to assist the Cosmic "I AM" Presence to fulfill the Divine Plan of the Universe. The MOTIVE for such an association determines the actual result.

## **HILARION:**

The vibratory action of the brain cells (and, for that matter, the cells of all the vehicles through which the soul works) will determine the receptivity of the outer consciousness to the directives of the individual's "I AM" Presence, the Ascended Ones and, finally, the Cosmic "I AM" Presence of the Universe. To quicken the vibratory action of the cells of the inner and flesh bodies is a science in itself. Besides certain exercises of breathing, Invocation of Light and Its subsequent Radiation through the individual's world and aura, a state of SUSTAINED HARMONY AND GRACE is required. This SUSTAINED HARMONY is a natural Power which does accelerate the vibratory action of the vehicles of the unascended Being because HARMONY is the natural vibration of the Kingdom of Heaven and all Its inhabitants. Therefore, all the practices, exercises and invocations which temporarily lift the vibratory action of the outer consciousness, CANNOT be sustained permanently until the outer self CONSCIOUSLY endeavors to hold HARMONY AND PEACE in his thoughts, feelings, spoken words, deeds, body and affairs. This HARMONY AND PEACE enable the Currents of the "I AM" Presence and the Ascended Masters to flow into, through and around the individual because, even as water seeks its own level, so do the Currents of Harmony and Peace seek the level and complement of themselves in the lower atmosphere in which mankind presently abide; as well as in the atmosphere in which We abide.

## **JESUS:**

Long ago, I counselled mankind "Seek ye first the Kingdom of Heaven (Harmony) and Its righteousness (right use) and all these things (Powers and Gifts) shall be added unto you."

In the days when I walked the Earth, there was much grumbling among the disciples and followers of John, the Baptist because they followed the "letter of the Law" (ascetic disciplines of the body). My followers, less attuned to bodily disciplines but more attuned to disciplines of thought, feeling, spoken word and action, were directed by Me to live in a state of GRACE. I can say only as I did long ago, that disciplines and privations of the flesh alone will not raise and sublimate the soul; rather do they tend to nourish the worm of Spiritual pride and arrogance. The disciplines of the feeling nature and thinking process (in purifying thought and feeling by self-control and use of the Violet Fire) will eventually outpicture in natural co-operation of the flesh garment. Remember, it is not the flesh body which is Eternal. It is the finer vehicles of man and his sublimated (refined by fire) soul which stand before the Lords of Karma and attain Victory through Love!

## **SAINT GERMAIN:**

The use of the Violet Fire of Mercy and Transmutation greatly assists the earnest individual to remove the CAUSES AND CORES of discord in his emotional, mental, etheric and physical bodies. Coupled with a CONSCIOUS ENDEAVOR to sustain personal, family, national and world Peace, this brings VICTORY. Patience, Application, Realization and Invocation of the Momentums of the Virtues which the Ascended Masters and Angels offer to mankind, will assist any individual to rise to a point where he can receive the Directions of his own "I AM" Presence and, eventually, qualify to receive the Directions of the Masters and Angels - for his personal edification.

Those few who are qualified to receive the Directions of the Masters and Angels for a World Movement, have been prepared for ages. There is a vast differentiation between personal inspiration (from the "I AM" Presence and the Spiritual Hierarchy) which is meant, primarily, to help the individual in his own development, and the impersonal direction which flow from the Hierarchy through a previously prepared and qualified "contact", to guide, guard and counsel a world movement. Again the subtle

influence of the "ego" must be carefully watched and individual development, if truly achieved, *need not be proclaimed but will be manifest in works!*

## THE MERCY OF A NEW OPPORTUNITY

### **AEOLUS:**

The Mercy and Kindness of the Eternal Father is best manifested in that absolute, unconditional granting of new opportunities to fulfill the Divine Plan. There is no such thing, thank God, as an unforgivable sin! There is no such unhappy apparition as an Eternally "lost" soul! Always, at the slightest request of the individual consciousness to "make things right", there is afforded opportunity for a new beginning. Then, clothed in the individualizations through whom opportunity can best come, Mercy reaches out Her Hand and the ascent is begun, back to the Heart and Throne of the Eternal!

### **EL MORYA:**

At the close of each twelve-month cycle, the Mercy of the Cosmic Law allows a Cosmic cleansing of the Substance, Energy and primal Life which has been drawn by mankind and the Elemental Kingdom and qualified without malice or vicious intent. Thus so much of the karma of the individual, of the nation, of the Planet itself is obliterated and the necessity of reaping a harvest of tears and pain is wiped out without the conscious knowledge of the beneficiaries. Wise the chela who acknowledges this surging tide of Violet Transmuting Flame and adds to the Mercy It embodies his own individual application in magnetizing and Radiating that merciful Alchemy.

### **KUTHUMI:**

In order for each individual and Elemental to enter the positive, vibrant tides of Spiritual Energy which bring to birth a New Year, Mercy has provided a mass purification of discordantly and imperfectly qualified Energy at the end of the previous twelve-month cycle. As a child is born on a surge of Energy and is literally swept into the world of form, so does the New Year come forth on a Cosmic Tide. Wise indeed is the purification of the consciousnesses, bodies, souls and very selves of the chelas preceding the infusion of this Cosmic Energy.

### **PAUL, The Maha Chohan:**

No wise and loving parent would conscientiously punish a child for a sin of omission or commission where there was no deliberate intent to do wrong. How much more then does the Heavenly Father desire to extend the Hand of Mercy to His children! Yet, Law is Law. Primal Life is invoked by the individual consciousness and qualified through the use of the priceless Gift of Free-will. Some Intelligence, some place, somewhere must Redeem, Purify and return that Life to the pristine Purity with which it was endowed when it first came forth in obedience to the summons of the individual. At the close of each twelve-month cycle the process of such purification of the countless billions of tons of misqualified Life is performed by voluntary Intelligent Beings Who utilize the same Violet Transmuting Flame which mankind has been taught to invoke. Blessed is the unascended Lifestream who chooses to join in this Planetary purification in preparation for the descent of the Cosmic Energies for the New Year.

### **SERAPIS BEY:**

The aspirant must learn that all Life is a balance, a giving and a receiving. Even the simplest of natural body functions -breathing - proves this irrefutable Law. In desiring to master the Laws that govern the Cosmos, mankind seem to feel that there is no such science of balance. In this they are so grievously mistaken! For instance, when an individual desires to become a Candidate for the Ascension from the

moment he is accepted his activity is two-fold. He is taught individual Development and Mastery but running parallel to all instruction so given is a Requisite of Service according to his capacities, developed consciousness and individual momentums. Those who desire Knowledge without the balance of "giving", either of Life, Service, Substance or Application, have no place even on the rolls of aspirant for training, leading to the sublimation of all selfishness and impurity. The yearly purification of the Earth, its atmosphere and its inhabitants, becomes a great opportunity to test the sincerity of the chela...the Aegean stables of Hercules soon separate the "wheat from the chaff" without necessity of individual selection upon Our part.

## **HILARION:**

Looking from the inner standpoint at the prolific release of primal Life from the Source of our System into the channels which have magnetized such Life, one is constantly amazed at the generosity of God. So much of this priceless Life has flowed into the atmosphere of Earth in the course of one year, unfortunately having been misqualified, that the blanket of psychic effluvia would smother the mankind of Earth and the imprisoned Elementals, were it not for an impersonal Cosmic Purification of this Energy. In this Cosmic Purification, every member of the Angelic, Ascended Master and Devic Kingdoms join. Initiates in Retreats have been privileged to be a part of this impersonal Purification. Now, good members of the race who read these words join their collective and individual Calls for such Purification if they wish to participate in it. The measure of their motive and their participation will determine the sincerity of their desire to see the Planet and their fellowman Free.

## **JESUS:**

The Immortal Three-fold Flame within the Heart is the magnet which draws primal Life into the use and governing Power of the individual. In each year, every Lifestream has used much of that beautiful Life in a more limited way than God intended. If the individual has unconsciously misqualified Life through ignorance of the Spiritual Law or through misguided motives, such a one qualifies for the "mass forgiveness" and is enveloped in the Cosmic Violet Transmuting Flame. Only the wrong consciously done becomes a karma which must be expiated through conscious Balance to Life.

## **SAINT GERMAIN:**

How, exactly, does the individual cooperate with this Cosmic Purification at the close of each year? First, he must want Freedom for this Planet, his fellowman and imprisoned Elemental Life enough to be willing to exert personal effort in Invocation of the Cosmic Violet Transmuting Flame. Second, he must know how to magnetize, expand and direct this Flame. He must have at least a passing acquaintanceship with Its Presence in the Universe and Its efficacy when called into action. Third, he must join the Cosmic Beings, the Angels, Devas, The Great White Brotherhood, the Initiates who yet belong to his evolution and his fellowman (whenever possible). They should make conscious Calls for the drawing forth of the most concentrated Purification the Earth has ever known, from the Seventh Sphere, from the Violet Flame Temples, and from the Hearts, Causal Bodies, and Auras of the Beings Who are particularly devoted to this Service of Mercy. I can recommend you particularly to the Intelligences Who have guarded the Violet Fire for the Planet Earth since the beginning of its evolution - The Archangel Zadkiel, the Lord Sanat Kumara, the Lord Buddha, Our Lady Kwan Yin and My humble Self.

## THE MULTIPLYING POWER WITHIN YOUR LIFE

### **AEOLUS:**

Life, within Itself, has a natural Power of increasing, amplifying and multiplying Its Gifts, keeping those Gifts self sustained for so long as the Divine Will of the Universe decrees that their beneficence shall Bless the Universe. In the season of the Spring-time, man witnesses the natural activity of Resurrection, of Eternal Life and of multiplication of the Gifts of good through the Nature Kingdom particularly. That propensity within Life to increase which enables one seed to become many, one bulb to become a productive cluster of blooms, is also present in the Life of man - God's greatest Creation upon this Earth.

### **EL MORYA:**

Because Life has within Itself the natural Power to multiply and amplify the Pattern or Plan which It is called upon to ensoul, man must learn that he - being co-Creator with God - should take care as to the Pattern and Plan Designed in his mind. You see, it is the Law that the impersonal Life must fulfill Itself through that Pattern, whether it is of perfection or of imperfection.

### **KUTHUMI:**

Man has been taught that his Life Energy flows into whatever his attention rests upon, Energizing, amplifying and increasing the object upon which his attention rests. Herein is the Power of man and herein also is the clue to release and relief from limitations of every kind. As man chooses consciously that upon which his attention rests, his Life flowing into that goal will amplify Opulence, Health, Beauty, Peace and the Fullness of God's Kingdom. Today, man is a result of the inversion of this Law. He has allowed his attention to rest upon all manner of evil and his Life, obediently entering into the object upon which his attention rests, amplifies and multiplies the appearance of limitation, discord, disease and distress.

### **PAUL, The Maha Chohan:**

Man is the director of Life. Life is impersonal, obedient to the directing Intelligence in man. If man directs that Life through any avenue of the senses into discordant appearances, innocent Life rushes forth and amplifies the appearance for that is the obedience within Itself. When man chooses and determines to direct his attention, his sense consciousness, his thoughts and feelings toward the Kingdom of God and Its Inhabitants, Life will amplify the Nature, Qualities, Powers and Activities of this Kingdom to him. Its Inhabitants and Its Beauty, Peace, Purity and Perfection will become the atmosphere and environment of such a man.

### **SERAPIS BEY:**

The "interior Life" of man is externalized on the Screen of Life - in his body, his home, his family, his affairs. When there is imperfection "living" in the aura and world of an individual, it is proof positive that somewhere, sometime, obedient Life rushed forth to animate, magnify and increase some form created in the mind and consciousness of such a one. If Life will obey the destructive use of the Creative Centers, it will in like manner obey the constructive, conscious use of these Creative Centers of thought and feeling. Herein is man's hope of conscious Redemption through individual control, mastery and use of his own Life.

### **HILARION:**

The shadows of human appearance which have been fed by man's worries, his fears, his doubts, his passions, angers, appetites and lusts, have become very real to him. For the most part, even with sincere students, these appearances are accepted in feeling (although conscientiously rejected in mind) as more

---

Powerful than God! These shadows are the shackles and limitations of the race. They press heavily upon the consciousness of mankind through the sense reports and pressure of feeling and the greater their pressure the more of man's Life flows into them, giving them more Energy and sustenance to plague and distress him. The natural propensity within Life increases the appearance of limitation while man's attention is held upon that appearance. This same propensity within Life increases the Transmuting, Purifying, raising Power of God which dissolves the appearance when man's attention is held upon God. This is a test of Spiritual Fidelity, Constancy, Faith and Reliance upon God's Power to become the *Only Presence Acting!*

## **JESUS:**

As I have said previously during My Ministry in Judea, I was aware of the appearances created out of the minds and feelings of mankind and thrown upon the Screen of Life. However, I never accepted them as having any Power except what a man invested in them. To Me, the Presence of God was the Supreme Power always. Armed thus with a realization and a consciousness that as My attention rested serene in the Power of God, I withdrew all Power from human appearances whenever the individual consciousness who desired assistance would cooperate with Me in Faith. These appearances, fed by the Life of the one in distress, immediately ceased to be. However, if the individual refused to relinquish to God the Power from the appearance, he did not receive the assistance. The same is True today for every man.

## **SAINT GERMAIN:**

When man accepts the fact that he has created every appearance in his world by consciously or unconsciously feeding his Life into a form of limitation, he has come to a place where he may move forward rapidly in setting his world into Divine Order. The same Life which animates his limitations WILL FLOW into forms of Opulence, Beauty, Harmony and Perfection THE MOMENT he shuts off the old pattern of imperfection and consciously designs in mind and feelings a Pattern similar to that which We externalize in Our Realms of Light.

When man has been told "to lift his eyes to the hills" the Truth within that simple aphorism is merely that man, raising his thoughts and feelings toward His Maker, ties his Life into the SOURCE OF ALL GOOD. Then that Life begins to amplify, augment, magnify and multiply the Gifts, Powers, Activities and Radiation of that Source. Thus the personal Life, aura, world and environment of every man reveals WHERE his Life is flowing because what is contemplated in secret is manifest in the Substance of this world. This is the Law!

~ ~ ~ ~ ~

The activity of the Violet Flame is to help to remove the mis-creations consciously or unconsciously filling the emotional, mental, etheric and physical strata in which mankind abide. When these mis-creations have been removed and, most important, the desire to create further imperfection has been removed from those on the Earth and in its atmosphere, We shall be well on Our way toward creating-through illumined men and women - the Kingdom of Heaven on Earth which shall not pass away.

Why? Because the feelings motivating the Design of God's Kingdom of Perfection on Earth will sustain the Creation of a Permanent Golden Age. Few know of the Power of Sublimation (refining by Fire) in the use of the Violet Flame; fewer still have learned to use this Transmuting Power. However, in time, many shall know of Its efficacy and, in so using It, the individual's world will be cleansed of imperfection and as the unit (individual) is lifted up - so will the entire race be lifted up in like manner.

The desire born in the Hearts of men, fashioned through Intelligent thought, given Life by the feeling of Love for God and man, will easily be precipitated into the world of form. This is the teaching of the Seventh Ray!

## **THE LORDS OF KARMA**

### **AEOLUS:**

Few among mankind know of the great Service rendered by the August Body known as the Lords of Karma. Of those few, many regard Them with dread of punishment and only lately has the Gratitude and Love of mankind risen to this Karmic Board for Their Service of Mercy rather than retribution!

### **EL MORYA:**

Orderly System, Divine Justice, Absolute Exactitude in the balancing of the personal, Planetary and Universal use of Life, is LAW. The Lords of Karma are Instruments of this Law. The Members of this Board serve in order to give opportunity to each soul to grow Spiritually; sublimate its human nature; develop and externalize the portion of the Divine Plan which can be expressed only through that particular Lifestream.

### **KUTHUMI:**

When self-conscious Intelligence and the Gift of Free-will were given to man, his subsequent use of Life required the assistance of Divine Intelligence to help (when he was ready) to set his world again into Divine Order. The Law of the Circle - creating causes and reaping their ultimate effects - is inexorable. Energy magnetized and used by man must return to that man as happiness (if the Energy was used constructively) or unhappiness (if the Energy was used destructively). Man, caught in the web of his own making - feeling the return of the misqualified Energy of his imperfect causes - sooner or later calls for help and assistance to God. It is then that greater assistance can be given such a man by the Lords of Karma, although They serve all evolutions impersonally with but one idea in mind...to help the individual, the Planet and the Universe to express more of God's Perfection in whatever sphere the Lifestream abides.

### **PAUL, The Maha Chohan:**

Because the karma created by an individual soul is sometimes very great, the Lords of Karma mercifully withhold the return of all of that karma in one Lifetime. Thus the soul is allowed to mitigate as much karma in one embodiment as the Lords of Karma feel it can handle. This is True Divine Love...the expression "the Lord fits the back for the burden" relates to this Mercy, wherein much destructive karma is consciously withheld from the individual until he has learned how to sublimate it in happiness and Peace.

### **SERAPIS BEY:**

When an individual desires to become a "Candidate for the Ascension" and asks for the opportunity to "clean his slate" of all destructive karma, the Lord of Karma must be in one accord as to whether such an individual has the necessary strength, fortitude, faith, illumination and general capacities to endeavor to balance the Scales of Justice in one Lifetime. Without the Knowledge and persistent use of the Sacred Fire of Mercy and Purification (the Violet Flame), no individual can completely Purify his Energies in one embodiment. However, some individuals who have redeemed through countless ages destructive karma they previously created have only a small debt to the Universe to "pay off" in the final embodiment. Now as the Knowledge of the Sacred Fire is allowed to reach the outer consciousness of individuals

outside the Ascended Masters' Retreats, this sublimation can take place more quickly. It is imperative, however, that the "Candidate for the Ascension" realizes that the returning karma seeking Redemption is allowed to find its way back to that Candidate in order to more quickly set him Free. Sincere students, faced with much of this karma, fall into the erroneous thought and feeling pattern of "failure" because they seem to have more to handle than their fellowman. The reverse is True. These individuals are handling in one Lifetime that which others might have to handle in hundreds of lives.

## **HILARION:**

It is the responsibility of the Lords of Karma to see that every individual receives as much assistance as is possible in sublimating the destructive karma created through mis-use of Free-will. At the end of each Earth-Life, the soul is called before the Karmic Board and its experiences, opportunities, potential Services, seeming failures and successes examined carefully. Then the Karmic Board sends the individual to that Sphere where it can best prepare for another Earth-Life, strengthened through purification, instruction and temporary respite from the pressure of its own karmic retribution. Before a new embodiment, the soul is again examined, and the best possible conditions provided for birth in the family, race, nation and Planet which will allow it to work out that portion of its karma which the Lords of Karma feel it can handle. Chelas and conscious students of the Spiritual Law often choose to "take on" more karma than the Lords of Karma would allow them. Then when re-embodied, these earnest ones tend to "blame" the Karmic Board instead of realizing that the opportunity of such Redemption of mis-qualified Life was their own voluntary choice. We are gradually educating the chelas to a point of recognition that the Karmic Board is a helpful Body of merciful Intelligences and not a scourge to punish the bewildered outer self.

## **JESUS:**

When an individual comes to a True understanding of the Presence of God, he realizes that the Father and His Agents ALL WORK TOGETHER FOR THE GREATEST GOOD OF THE INDIVIDUAL AND THE WHOLE! Thus the "God of Wrath" is replaced by the "God of Love". Sins, transgressions of the Law, etc., can be sublimated through the use of the Sacred Fire - not only for the individual making the calls but, through intercessory prayer for others as well. When I said: "Thy sins are forgiven thee", I used the Power of the Sacred Fire (Violet Flame) in this manner and interceded on behalf of the individuals whom I desired to set Free from the effects of their own mis-use of Life.

## **SAINT GERMAIN:**

The Sacred Fire of Mercy (the Violet Flame) is made accessible to the sincere students outside the Ascended Masters' Retreats at this time to more quickly help the earnest and sincere to purify, redeem and sublimate the distress created by mis-use of the Gift of Life. As more and more individuals learn the efficacy of this Power of sublimation, We shall have an expressed Brotherhood of Freedom...who can, at will, Free themselves and others from the shadows which frighten, distress and disturb them. Ponder well on the Power of Mercy to dissolve first the cause and core of the distress and then to dissolve the effect before it can appear, act, or manifest ever again. Destructive karma can be dissolved before it acts if the students will consciously set the Violet Fire into action to do this.

We shall see how much the understanding, conscious acceptance and persistent use of this Presence of the Sacred Fire of sublimation (Violet Flame) will do for the chelas. *All Our gathered momentum of Its efficacious use is available for any and all who choose to ask Us to anchor into their worlds at this time Our momentum and feeling of that Power.*

## **ESTABLISHING FAITH AND TRUST IN THE ELEMENTAL KINGDOM**

### **AEOLUS:**

As the Lord of the Nature Kingdom, so far as the Planet Earth is concerned, I am vitally interested in every tiny Elemental who has served so long, so patiently and so diligently to help sustain the Beauty as well as the actual sustenance of the physical vehicles of man. The great Directors of the Forces of the Elements are to be COMPLIMENTED for Their magnificent control of Their servants - Undines, Salamanders, Sylphs and Gnomes. The Divine Beings (particularly Mother Mary), Who have trained the Elementals so patiently at Inner Levels to perform their Services faithfully, rhythmically and constantly, deserve the gratitude of all who have used, are presently using and in the future will use the Planet Earth as a schoolroom.

The Elementals would long since have abandoned their Service to the Earth were it not for these Great Directors Helios and Vesta (Fire); Aries and Thor (Air); Neptune and Lunara (Water); and Virgo and Pelleur (Earth). The incoming Permanent Golden Age requires the cooperative activities of the Three Kingdoms which have served and are now serving the Earth; the Angelic, human and Elemental Kingdoms. In this month (June), when Reverence for all Life (imprisoned or God-Free) is the keynote of Lord Lanto's Ascended Master Retreat, I ask a personal favor of sincere chelas with regard to assisting the re-establishment of Harmony between unascended mankind and the Elemental Kingdom. I know you will be happy in such a lovely Service.

### **EL MORYA:**

The Will of God has been well and constantly expressed by the Elementals but, as their very nature is to mirror that which they see and feel, much of the catastrophic conditions which have externalized since the "fall of man" are not due to the naturally obedient Elementals. Rather they are due to man - to whom the Elementals have taken the "vow of obedience", as man is the highest intelligent consciousness upon the Earth. So do they mirror mankind's chaos and confusion.

As We enter the New Golden Age, the Cosmic Law, in mercy, is about to release the Elementals from that "vow" insofar as obedience to the destructive use of Free-will by the people of the Earth is concerned. Unless Harmony between the Elemental Kingdom and mankind is consciously established by the dear chelas, (too few in number but exceedingly earnest in endeavor), even the Directors of the Forces of the Elements can no longer protect mankind from the harried and resentful Elementals. This, of course, would cause unnecessary hardships to the people of Earth and cataclysmic activities which CAN BE A VOIDED IF Our loving warning is now heeded! Gather your Spiritual Strength, My Beloved, and HELP NOW Those of Us Who are using every grant of the Cosmic Law - every Dispensation at Our command - to prevent these destructive activities. For this reason I chose you, each one and I rest IN TRUST, in your calm, poised and alert assistance in THIS HOUR!!

### **KUTHUMI:**

Beloved ones, ponder for a moment the Truth that the very physical vehicles which have been created in Love for you in order to pass certain Initiations and learn specific lessons in the conscious control of Energy and Vibration are made up of countless little Elementals who have foresworn the Joy, Freedom and Beauty of their natural sphere, to sustain your physical structure not once, but for countless centuries of time! How much of the Water element, the Earth element, the Air element and the Sacred Fire of Creation (the Immortal Victorious Three-fold Flame of Eternal Truth in each of your dear Hearts) has been invested in sustaining you PRECISELY FOR SERVICE IN THIS PRESENT HOUR to the God Who made you?

Endeavor to learn to Love the Elements that comprise your physical garment and see how quickly they will mirror your Love, externalizing Health and Beauty in, through and around you, for they are VERY Intelligent! Cease condemnation of those organs, muscles, nerves and cells of your body which temporarily seem to have stopped functioning perfectly. Remember! The fault is yours (the personality's) - not that of the dear little Elementals who are simply mirroring your thoughts, feelings, words and actions. Their Redemption can only come through your own self-conscious endeavors to Love them Free. When you have truly, humbly and sincerely become the Master of the Elements in your own physical body, you are then already qualified to become the Master of the Elements of your city, state, nation and the Planet which has been your Hostess for so long. You cannot "whip" the Elementals in your physical body into Perfection, but you can LOVE THEM FREE! I SHALL HELP YOU .

## **PAUL, THE MAHA CHOCHAN:**

The personal Savior and Redeemer of every member of the human race, imprisoned Angels and confused Guardian Spirits here, is the HOLY CHRIST SELF anchored right within your own beating Hearts. We, The Brotherhood of Love are particularly interested in expanding the Power and Beauty of the Holy Christ Self through each aspiring chela. It is Our Reason for Being! This Holy Christ Self has been entombed within the outer personality of the billions of Lifestreams who have used the Earth as a schoolroom for many ages. Now, the Cosmic Fiat to all upon the Earth and who must embody here in the future is "LOOSE THE POWER OF THE HOLY CHRIST SELF AND LET IT ACT!" For this, We are so grateful! To some, the Holy Christ Self is still very ephemeral and impractical. To a few, It is a REALITY. Now, for all mankind, It shall become the REDEEMER. No longer shall We have to coax the outer mind to accept the Presence of the Holy Christ Self within the Hearts of all mankind! That very Holy Christ Self is stirring within Its tomb, preparing to break through the bonds of destructive use of Free-will and express Itself! For this, I thank God!

With regard to the subject matter of this chapter, your own dear Holy Christ Self will be of inestimable assistance in helping you to Love Free the Elements that compose your present physical vehicle. It will give you the FEELING of Love for all imprisoned Life. This FEELING is not the negative expression of "sympathy" but the positive expression of "compassion", for all imprisoned and shadow-bound Life, wheresoever you witness distress.

"LOVE THOU ME FREE" is the call from imprisoned Life. Yours is the Power to do just this. Be not guilty of the sins of omission at this, your time of special opportunity! Truly set about Our Father's business and help Us to LOVE ALL LIFE FREE! I SHALL HELP YOU!

## **SERAPIS BEY:**

We, The Brotherhood at the Ascension Focus, are interested in the ASCENSION OF ALL IMPRISONED LIFE, wheresoever it exists, not only on the Earth, in the Earth but in the atmosphere surrounding It as well. We are extremely grateful that, at this time, the Cosmic Law is allowing the instructions to go forth to earnest chelas outside the Ascended Masters' Retreats on the way and means by which they, too, can cooperate with Us in making the conditions for the Ascension of all imprisoned Life possible; as well as the Ascension of the very Planet Earth Itself into the orbit of Uranus; then, at the proper time into the orbit of the Planet belonging to the System immediately above that of Helios and Vesta, the "Love Star" - Venus.

Let Me here explain to the chelas that the ASCENSION out of discord and limitation into Harmony and Abundance does not necessarily mean the etherealization and disappearance of form into another Realm. While there is a requirement for assistance upon the Planet Earth, there will be lovely volunteers

who, having raised their consciousness into a permanent state of Harmony and Abundance, will remain as foci through which these God-qualities can and will flow into the atmosphere in which the Earth and its inhabitants abide. Thus you can be, like Beloved Jesus - "In the world but not of it". Then you will be Ourselves in action helping the White Order to prevent distresses which the masses could neither experience without fear nor pass through without tremendous etheric scars which would delay their souls' Purification and their Spiritual Development.

Each of you dear chelas has the full detailed description of the Creation of the Sweet Earth in "The Seven Steps of Precipitation" by The Seven Mighty Elohim. Therefore you know something of how much Love, Patience, Constancy and Fidelity were and still are involved in the very Creation and Sustaining of the Earth, which has been your Hostess through the ages. You can realize then how desirous We are to see Her restored to that pristine Purity and Perfection which She expressed when first the Holy Innocents, together with the Manu of the First Root Race and Lord Michael, Prince of the Archangels and His Legions of Light descended in Grace to use the Earth for a schoolroom.

Call upon Me and the Brotherhood at the Ascension Flame Focus to help you to be a part of this Redemptive process! We shall be so happy to assist you.

## **HILARION:**

There is a SCIENCE in establishing goodwill between the Elemental Kingdom and the Human Kingdom. Of course, nothing is done by the Spiritual Hierarchy without the use of actual SCIENTIFIC PRINCIPLES which never deviate from Truth.

As We are speaking to chelas developed along the seven specific lines of constructive endeavor, the SCIENCE of such goodwill will have seven types of constructive expression: The Powerful Decrees of the First Ray people; the Wisdom of the Second Ray people; the Love and Tolerance of the Third Ray people; the Purity of motive of the Fourth Ray people; the Consecration of Energies toward a specific manifestation of Good of the Fifth Ray people; the Peaceful Radiation of the Sixth Ray people; and, finally, the magnificence of Ceremony which will be developed through the Seventh Ray people, incorporating songs, music visualization, decrees, chants, censing and rituals which will delight all who enjoy the "fruit" of the pioneers of the Ascended Master Saint Germain's New Age.

## **JESUS:**

It was easy for Me to master the waves of the stormy sea which so appalled My frightened disciples, because I had already become Master of all the elements composing My inner and physical vehicles! In like manner, the so-called miracle of walking upon the water was just another manifestation of that Mastery.

I cannot recommend too strongly to the earnest chelas that they sincerely endeavor to Harmonize the Elements which compose their own vehicles. This training will stand each such a one in good stead when he or she is called upon to hold the Balance for the masses of people during the time just ahead, when not only continental but Planetary changes will take place.

## **SAINT GERMAIN:**

I do thank most sincerely Our Lord Maha Chohan and all the Chohans Who are giving to Me Their full gathered Cosmic Momentum of assistance in Redeeming this sweet Earth and all imprisoned Life at this time. Of course, the Violet Fire of Mercy and Compassion is one of the greatest Purifying Agents in this Redemptive Process. The loving cooperation of all unascended chelas, in whom I have implicit Faith and Trust, is a source of great encouragement to Me.
